STUDENT RESEARCH PROJECTS

AN INVITATION

Janki Devi Memorial College believes that undergraduate students should be adequately prepared for research in case they pursue higher studies. The present educational system provides very marginal opportunities for research to undergraduate studies and so every endeavor must be made to address this lacuna. Hence the college proposes to train students and facilitate them to learn the essentials of research by working on research projects that will be mentored by faculty members and experts from outside the college.

The Research Committee of the college whose Convenors are Dr Sangeeta Gupta (Dept of Hindi) and Dr Rajyalakshmi(Dept of Sociology) has faculty representatives from every department as well as certain clubs and societies of the college(the list is at the end).
