"Libraries During Pandemic: Opportunities and Scope"

29th May, 2021

JDMC Library and IQAC organized a webinar on the topic "Libraries During Pandemic: Opportunities and Scope" on 29th May, 2021 at 11 am. Dr Narender Kumar, Deputy Librarian, Delhi University Library System was invited as resource person. Our Principal Prof. Swati Pal, addressed and welcomed the resource person and the participants. The presentation was very relevant and informative for all participants as more than 240 participants benefitted from this session. Dr Kumar highlighted initiatives taken by the Central Library during pandemic lockdown and its extension services to colleges. He further shared some very useful links which can be accessed from home and hence they allow academic work to continue despite not being able to have physical access to libraries.

The speaker answered all the queries of the participants. The session was an extremely useful session in the current times. The E-certificates were distributed to all the participants. The session ended with a vote of thanks to the resource person.

Curriculum classes are being designed in tune with contemporary approach of learning behavior to ensure maximum learning outcome. The taxonomy which is being used for suitable placement of the content is a fine blend of digital educational material in four quadrants. The segregation is based on the nature of the content i.e. Text resources, Visual resources, Web Resources and Self Assessment.
