JDMC Alumnae Association organized a special alumnae talk on 15 October, 2025 on the topic “The Role of Social Networking Platforms in Building a Strong Job Profile.”

In this session, JDMC’s former student, who is currently working as a customer success manager in Amsterdam, participated as the chief guest and main speaker.

After welcoming everyone, her introduction was given as a former student of the college and she’s currently in Amsterdam After this, the introduction of the chief speaker was presented.

Ms. Isha began her address by expressing her gratitude toward her teachers and sharing her deep connection with her college. She especially highlighted the importance of networking, explaining that by using various platforms such as LinkedIn, we can find internship and job opportunities and also enroll in several course.

She guided students on how to build meaningful connections, maintain a professional online presence, and create a compelling LinkedIn profile to attract recruiters. The session was highly interactive and engaging, as Ms. Isha addressed students' queries with clarity while presenting an informative PowerPoint presentation.

She shared her experiences of obtaining her first job and internships and spoke about the organizations where she had worked. After completing her master's in management from ESCP Business School, specializing in Consulting, she has gained rich experience in people analytics, change management, and HR transformation.

Ms. Isha also shared several valuable highlighting the importance of:

- *Crafting a clear and concise resume, focusing on relevant achievements, internships, and skill sets.
- *Regularly updating LinkedIn profiles and maintaining consistency between one's resume and online presence.
- *Building strong communication and speaking skills, as they play a vital role in interviews and professional networking.
- *Participating in college activities, workshops, and group discussions to gain confidence and practical exposure.

At the end of the session, Ms Isha invited students to share their questions without any hesitation and many actively participated by asking questions. She Patiently addressed each doubt, providing practical answers which made the session even more enriching and interactive for all attendees.

Event Details:

- **Speaker:** Ms. Soumya Srivastava
- **Date:** 29 October 2025
- **Time:** 11:00am-12:00 Pm

- **Venue:** Room No. 16

JDMC Alumnae Association organized a special alumnae talk on 29 October, 2025 on the topic “**From Classroom To Newsroom: Traversing The Field Of Journalism.**”

In this session, JDMC’s former student, who is currently working as Entertainment and lifestyle Editor at Hindustan Times participated as the chief guest and main speaker.

After welcoming everyone, her introduction was given as a former student of the college. After this, the introduction of the chief speaker was presented.

Ms. Soumya Srivastava began her address by expressing her gratitude toward her teachers and sharing her deep connection with her college.

She emphasised the importance of internships in a student’s career. She explained that internships help students gain practical knowledge of their chosen field and understand whether they are genuinely interested in pursuing it further. Internships act as a bridge between theoretical learning and real-world experience, allowing individuals to discover their strengths and areas of interest.

She shared her own internship experience, mentioning that she had completed it from *Hindu College*. Through that opportunity, she gained valuable exposure to the field of media and journalism, which helped her realize her passion for

entertainment and lifestyle reporting. She encouraged all students to take internships seriously and explore various roles early in their academic journey to understand what kind of work excites them the most.

She admitted that although her job does not come with regular holidays, she loves her work so much that it rarely feels tiring. However, she also acknowledged that for some, the continuous hustle could be overwhelming and hectic.

She further discussed the importance of audience engagement in her profession. One of the most crucial aspects of her work, she said, is monitoring “people traffic” — understanding how many people read or view the content they produce. This data helps the team evaluate what type of stories attracts readers and how they can improve their content. She emphasized that audience response is what determines the success of an article in today’s digital media world.

The editor also spoke about the perks of her profession, mentioning that her job has given her opportunities to travel to beautiful destinations such as Himachal Pradesh and many other places. She shared that some of these trips were organized by the office itself for editorial purposes, which made the work even more enjoyable and rewarding.

Reflecting on her journey, she revealed that she started her career as an intern and now leads a team of about 15–16 people as the head of the entertainment and lifestyle section. She expressed how rewarding it has been to grow within the organization and continue learning along the way.

She also mentioned that if any student was interested in pursuing a similar career, she would be glad to help them find internship opportunities.

At the end of the session, Ms Soumya invited students to share their questions without any hesitation and many actively participated by asking questions. She Patiently addressed each doubt, providing practical answers which made the session even more enriching and interactive for all attendees.

JDMC-IQAC

Program title	ALUMNAE GET TOGETHER DOWN THE MEMORY LANE
Organizer	Organized by JDMC Alumnae Association under the aegis of IQAC
Objective Of the Program	TO RECONNECT FORMER STUDENTS WITH THE INSTITUTION AND CREATE A PLATFORM FOR SHARING THEIR PROFESSIONAL JOURNEYS AND EXPERIENCES. IT AIMED TO INSPIRE CURRENT STUDENTS BY OFFERING GUIDANCE, MENTORSHIP, AND INSIGHTS FROM ACCOMPLISHED ALUMNAE ACROSS DIVERSE FIELDS.
No. of Attendees	30

Event Details:

- **Date:** 19 NOVEMBER 2025
- **Time:** 11:00am onwards
- **Venue:** seminar room
- **Teacher In-charge:** Prof. Sandhya Garg (President, JDMC Alumnae Association)

JDMC Alumnae Association organized a special Alumnae Get-Together on 19 November, 2025 bringing together former students who graduated as recently as 7–8 years ago to those who returned after nearly five decades.

The event served as a meaningful platform for reconnecting, sharing memories, and celebrating the diverse achievements of our alumnae. It was an enriching experience for both students and faculty, offering valuable insights into professional journeys across generations.

The program began with a warm welcome in the Committee Room, where Sharda Ma'am performed the *teeka* ceremony and greeted each alumna with great warmth. This was followed by an intimate interaction with Principal Ma'am, who sat with the alumnae and reminisced about their time in college. They shared stories of their student days, exchanged memories with teachers, and introduced themselves by describing their present

professional roles, creating an atmosphere filled with nostalgia and pride.

After this interaction, Principal Ma'am led the alumnae on a campus tour. Walking through the campus, and newly developed spaces sparked emotional reflections as they compared the present environment with how it looked during their own college years. Many expressed joy in seeing the institution grow over time, appreciating the changes while fondly recalling the memories attached to each part of the campus.

Post-lunch, the program continued in the Seminar Room which was followed by addresses from Principal Ma'am and the Vice-Principal, who shared valuable thoughts on academic growth, career development, and the importance of alumni networks.

Then the session began with a prayer, followed by a soulful performance by Music Department and Sarang Music Society, led by Bhavya Ma'am. The musical presentation created a nostalgic atmosphere, with alumnae and Principal Ma'am joining in and engaging wholeheartedly, making the moment both lively and memorable.

Later, Principal Ma'am felicitated the alumnae with a Coffee Table Book, a certificate, and a handmade crochet token as a gesture of appreciation. The warmth of the ceremony highlighted the deep bond between the institution and its former students.

Students were then invited to listen to these alumnae speak about their experiences, challenges, and achievements after graduation. Their journeys—spanning fields such as academics, banking, acting, data science, public policy, and more—were truly inspiring. The session proved extremely insightful, as the alumnae offered practical guidance and motivating advice based on real-

world experiences. It provided students with a broader understanding of career possibilities and life after college.

The interaction segment proved especially meaningful for current students, who asked questions and received thoughtful guidance from the alumnae. Their humble nature, clarity, and willingness to help left a lasting impression on everyone present. The entire event was a deeply enriching experience, offering knowledge, inspiration, and a strong sense of belonging. It concluded on a note of gratitude, celebrating the enduring connection between the college and its alumnae.
