### **Brief Report**

The Department of Mathematics at JDMC successfully organized a pedagogy session on August 6, 2024. The Seminar aimed to enhance the teaching methodologies of faculty members and provide insights into contemporary pedagogical techniques. Dr. Tanu Gupta, Assistant Professor, Department of Mathematics, welcomed the speakers, principal and participants, setting the tone for the informative session. Prof. Pal, the esteemed Principal of JDMC, addressed the gathering, explaining the rationale behind organizing the pedagogy seminar. She underscored the institution's commitment to providing quality education and the importance of faculty development in achieving this goal.

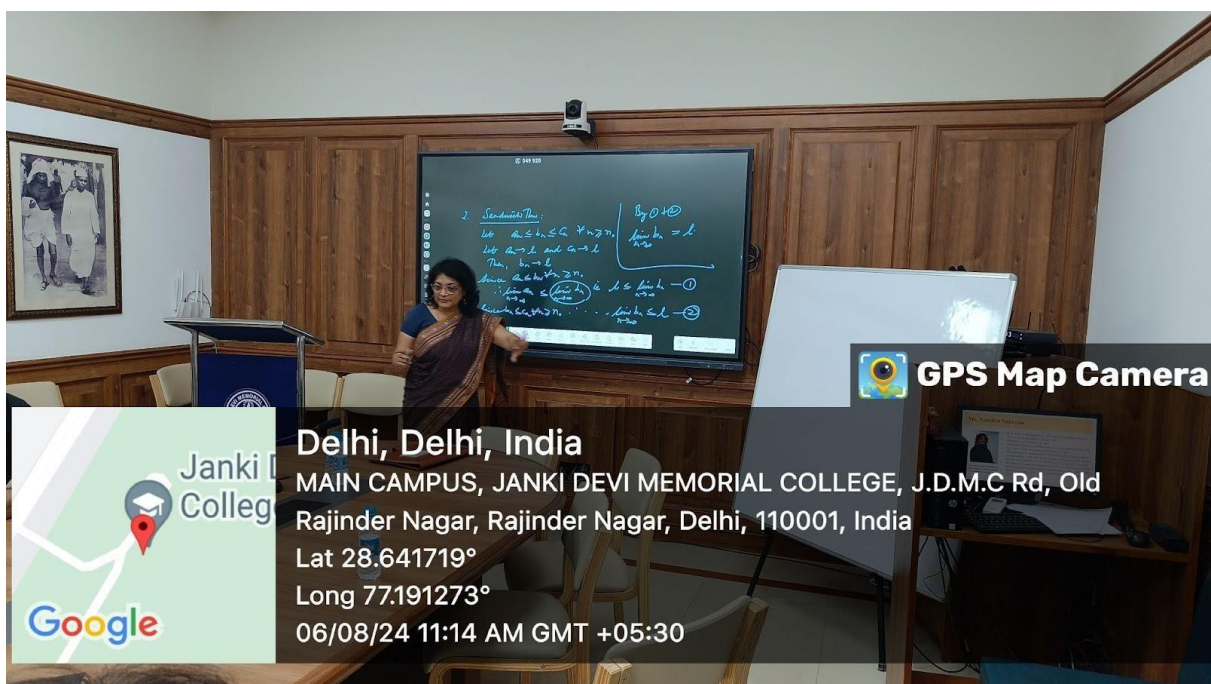

### Keynote Addresses:

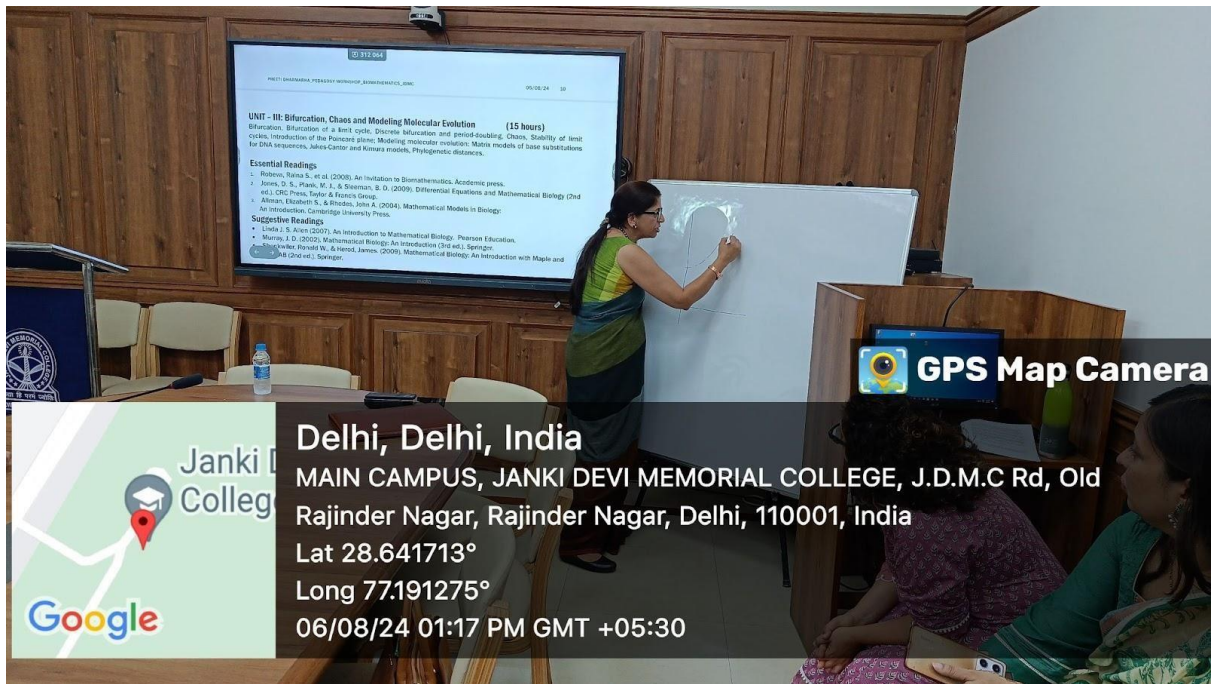

- **Dr. Nandita Narain:** A renowned Associate Professor (Retd.) from St. Stephen's College, Delhi University, Dr. Narain shared valuable pedagogical techniques for teaching real analysis. Her insights on effective classroom strategies and student engagement resonated with the audience.
- **Prof. Preeti Dharmarha:** Prof. Dharmarha from Hansraj College, Delhi University, delved into the field of biomathematics. Her talk highlighted the interdisciplinary nature of the subject and the potential applications in various scientific domains.
- **Dr. Niteesh Sahni:** Dr. Sahni, an Associate Professor at Shiv Nadar University, discussed pedagogical approaches for teaching data science. He emphasized the use of technology-integrated tools and real-world examples to make the subject more engaging for students.

Ms. Sonia, Assistant Professor, Department of Mathematics, JDMC delivered a heartfelt vote of thanks, expressing gratitude to the principal, Prof. Swati Pal, the speakers, Prof. Ritu Arora-T.I.C., Department of Mathematics, JDMC, participants, and the organizing committee for their contributions to the success of the seminar.

The feedback received from the participants was overwhelmingly positive. The seminar provided valuable insights, practical tips, and a platform for networking among faculty members. The session was instrumental in fostering a culture of continuous learning and improvement within the Department of Mathematics.
