OBE PORTAL ACCESS PROCEDURE- AUTOSUBMIT SCRIPTS

- * Auto Submit happens when a student forgets to click on the submit button after uploading the answers.
- * The University's Technical Team then retrieves it in a day or two after all the exams are over.
- * That is why you would not find them before 3-4 days after the last date of the exams. For e.g. for Dec 2020 OBE exams were over on Dec 30, 2020 and Auto Submit copies were retrieved on Jan 4, 2021.

OBE PORTAL ACCESS PROCEDURE- SPECIAL ASSIGNMENT

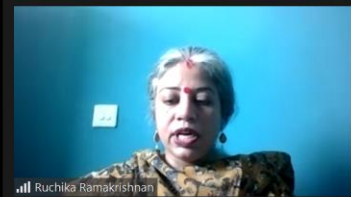

SPECIAL ASSIGNMENT COPIES ARE GIVEN TO ANOTHER EVALUATOR IN EXTREME SITUATIONS :

- * AN EVALUATOR FALLS SICK AND CANNOT EVALUATE SOME LEFT OVER COPIES.
- * AUTOSUBMIT COPIES WHICH HAVE NO EVALUATOR ASSIGNED.
- * SOME PAPERS NOT ALLOTTED ACCORDING TO THE SPECIALISATION.
- * NO RESPONSE FROM THE PREVIOUS EVALUATOR.

POINTS TO IGNORE

1. If all the copies are **GREEN** inside, kindly don't bother even if the number of copies evaluated is showing less than the number of copies assigned. But you should be sure you are seeing the right portal. For March evaluation, if you log on to December Portal, obviously you will see all copies in green colour.
2. There is only an eye icon. No Pen Icon Available.
