About Janki Devi Memorial College

Janki Devi Memorial College, a premier women's college of University of Delhi was founded in 1959 by the famous Gandhian Shri Brij Krishan Chandiwala in memory of his mother, Smt. Janki Devi. JDMC aims to provide quality education to young women and empower them to become economically self-reliant, have the confidence to face the vicissitudes of a challenging society, contribute meaningfully to the society at large and acquire the capability to think, lead and change the world.

About ASPEUS

Accupressure Research, Training and Treatment Sansthan was founded at Allahabad, India on March 26, 1995 as an organisation of selfless volunteers with the main objective of serving humanity through free accupressure treatment to the sick and ailing. The Sansthan had a humble beginning and started off on a modest scale with a group of seven volunteer men treating 12 patients free of cost in a borrowed building. The sapling planted in the year 1995 has today become a Banyan tree and the small Allahabad group of seven has turned into a large country wide cohesive group of countless thousands. As the name of the Sansthan suggests, it is also very actively involved in research and training activities pertaining to accupressure therapy.

6. Course Objective

This course aims at imparting the sign language skills to the learners. After learning basic sign language, students would be able to understand about the Deaf and would be able to communicate in basics signs. This will help to create the inclusive society.

7. Learning Outcomes

A sign language course aims to develop students' proficiency in both receptive and expressive skills necessary for effective communication with Deaf and hard-of-hearing individuals. Students will learn to use basic vocabulary, grammatical structures, and non-manual signals to construct simple sentences and engage in everyday conversations. The course also emphasizes fingerspelling, numbering, and the use of facial expressions and body language to convey meaning. Additionally, students will gain cultural competency by exploring the history, values, and social norms of Deaf culture, understanding

the various causes and implications of hearing loss, and appreciating the role of sign language in the Deaf community. Through practical application and engagement with native signers, students will enhance their conversational skills and build meaningful connections within the Deaf community.

8. Course Modules

The course has 8 modules. The basic module of Indian Sign Language (ISL) introduces students to the essential aspects of the language, focusing on fundamental vocabulary, grammar, and cultural context. It covers common greetings, everyday words, family terms, and numbers, along with the ISL fingerspelling alphabet. Students learn to construct simple sentences, understand the importance of non-manual signals like facial expressions and body language, and practice engaging in basic conversations on routine topics. The module also emphasizes developing receptive skills through video materials and interactive activities, while fostering cultural awareness by exploring the history, values, and social norms of the Deaf community in India. Practical application through interactions with native signers and participation in Deaf community events enhances the learning experience, ensuring students gain a comprehensive understanding of ISL and its cultural significance.

14. Feedback Form Analysis

Overall feedback for the course

"It is a top-quality course. Keep going, we need this type of course to improve our knowledge. Excellent. Thank you!!" "

Felt excited to learn something new and different

It was new as well as great experience for me.....learned deaf language as my 3 language I know it's a long way to go. This was my first course I did with my teachers, that made the course more interesting 😊.

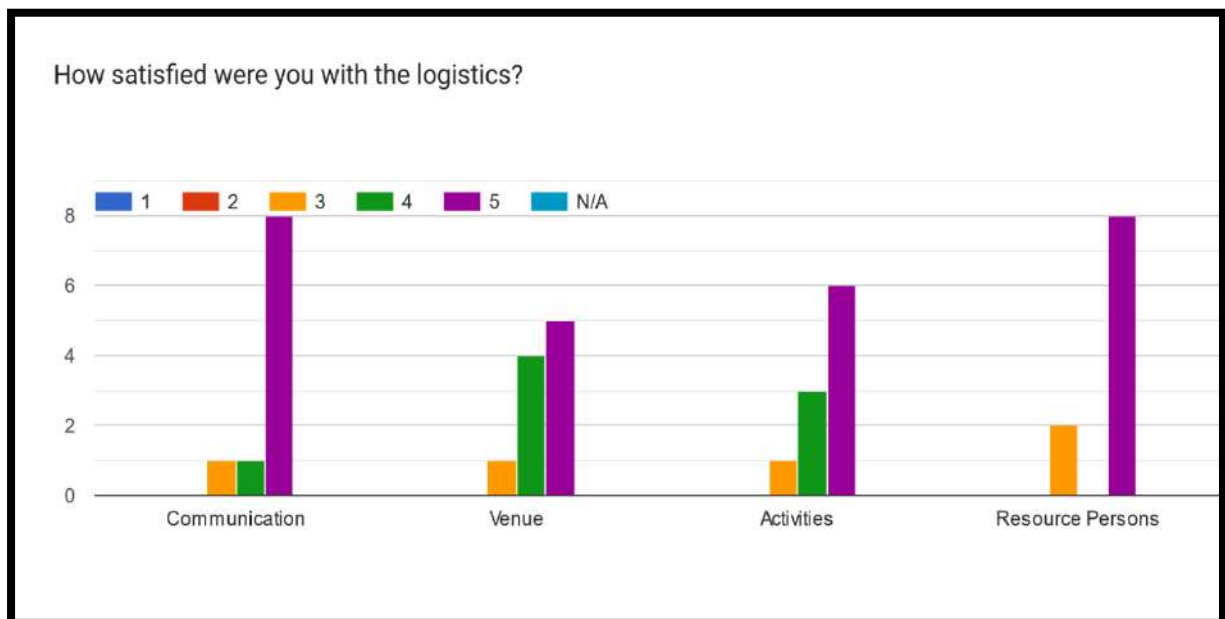

My overall experience was so good. From first day to last or was so much fun in the class .The all new activities we have done in class I will miss so much. The sign language is not so hard as anyone can learn it easily.

Very informative and polite resource persons, who helped us learn the basics of sign language.

the course was very insightful and helpful.

Great and very useful course. Would love to learn more of ISL

This course is extremely good and beneficial. And the session and the mentors were amazing.

15. Assessment Procedure and Outcome

The assessment procedure for an Indian Sign Language (ISL) course involves a combination of formative and summative evaluations to gauge both theoretical understanding and practical proficiency. This includes regular quizzes, assignments, class participation, and live demonstrations to ensure continuous learning and feedback. Summative assessments such as demo, quiz and provide a comprehensive evaluation of the students' skills. Expected outcomes include proficiency in ISL vocabulary, grammar, and fluency, strong comprehension and interpretation skills, and a deep understanding of Deaf culture. Successful students will be able to effectively apply their skills in real-world contexts, demonstrating cultural competence and problem-solving abilities, ultimately earning certification that validates their proficiency.

16. Certificates

A total of 15 certificates were issued. 14 graded certificates to the participants and 1 certificate to the coordinator.

3. **Vastu Principles:** Students will learn the fundamental principles of Vastu Shastra, enabling them to evaluate and recommend design and architectural changes to promote harmony and well-being in living and working spaces.

4: Understand the impact of planetary positions on human life and the environment, and how to use this knowledge for personal growth and design decisions.

5. **Predictive Astrology:** Develop the skills to make predictions and forecasts using Jyotish techniques, including predictions related to career, health, relationships, and financial matters.

6. **Vastu Consultation:** Gain proficiency in providing Vastu consultation services by assessing buildings and spaces, identifying energy imbalances, and recommending remedies for enhanced living and working environments.

7. **Remedial Measures:** Learn about the various remedial measures in Bhartiya Jyotish and Vastu Shastra, such as gemstone therapy, mantra chanting, and architectural adjustments, and how to apply them effectively.

8. **Ethical Practice:** Understand the ethical considerations and responsibilities associated with offering astrological and architectural advice, including maintaining client confidentiality and ensuring cultural sensitivity.

9. **Practical Application:** Apply the acquired knowledge and skills to real-life scenarios, including conducting astrological readings and providing Vastu recommendations for homes and businesses.

10. **Research and Innovation:** Encourage students to explore advanced topics, conduct research in the field, and potentially innovate new approaches or tools within Bhartiya Jyotish and Vastu Shastra.

11. **Cultural Appreciation:** Foster an appreciation for the cultural heritage and traditions associated with these practices, and their continued relevance in modern society.

12. **Communication Skills:** Develop effective communication skills to explain complex astrological and architectural concepts to clients and the broader community.

These learning outcomes aim to provide students with a well-rounded education in Bhartiya Jyotish and Vastu Shastra, equipping them with the knowledge and skills needed for professional practice and personal enrichment.

पात्रता मापदंड

सभी पाठ्यक्रमों के विद्यार्थी इसमें भाग ले सकते हैं क्योंकि यह प्रकृति में बहु-विषयक है और कैरियर और रोजमर्रा की जिंदगी के लिए कौशल वृद्धि पर केंद्रित है।

- इस पाठ्यक्रम के लिए अधिकतम प्रतिभागी (लगभग 100) पहले आओ पहले पाओ आधार पर लिए जायेंगे।
- सभी सत्रों में उपस्थिति अनिवार्य होगी।
- प्रत्येक सत्र के लिए उपस्थिति और फीडबैक लिंक तैयार किया जाएगा।
- इसे भरना सभी प्रतिभागियों के लिए अनिवार्य होगा।
- पाठ्यक्रम के अंत में मूल्यांकन पूरा होने के बाद सभी प्रतिभागियों को ई-प्रमाणित किया जाएगा।

पाठ्यक्रम पृष्ठभूमि

- यह एक जीवन कौशल पाठ्यक्रम है जो प्रत्येक प्रतिभागी को उनके बारे में जानने में मदद करेगा।
- ज्योतिष का उद्देश्य लोगों का मार्गदर्शन करना और उनके जीवन का उद्देश्य बताना है। जिसको जानकर विद्यार्थी उसको सही दिशा में ले जाने में सफल हों।
- मौजूद प्रतिभागियों को तार्किक रूप से सोचने, सीखने में सक्षम बनाएगा
- एक नवीन विषय को जानने, समझने कार्यान्वयन कौशल और उन्हें सफल होने में सक्षम बनाता है।
- इस मूल्य वर्धित पाठ्यक्रम का उद्देश्य प्रतिभागियों को जीवन से जुड़े हुए विषय यथा दैनिक जीवन क्रियाओं के शुभाशुभ को जानना तथा निवास स्थान को श्रेष्ठतम बनाने का मार्गदर्शन करना है।
- वास्तुशास्त्र और ज्योतिष शास्त्र में संबंध बहुत गहरा और अटूट है। दोनों एक-दूसरे के पूरक शास्त्र हैं। ज्योतिष एक वेदांग है तो वास्तु उपवेद है अर्थात् वास्तु वैदिक ज्योतिष का ही एक मुख्य भाग है।
- जिस प्रकार किसी मनुष्य की जन्मकुंडली के आधार पर उसके बारे में सब कुछ बताया जा सकता है ठीक उसी प्रकार उसके मकान की संरचना व आंतरिक व्यवस्था को देखकर उसमें रहने वाले संपूर्ण परिवार के विषय में आंकलन कर सकते हैं।
- वास्तु के सिद्धांतों के अनुसार चुम्बकीय ऊर्जा सूर्य के प्रकाश में मौजूद अल्ट्रा वायलेट रेंज और इन्फ्रारेड रेंज, गुरुत्वाकर्षण - शक्ति तथा अनेक अदृश्य ब्रह्मांडीय तत्व जो मनुष्य को प्रभावित करते हैं इनके शुभ परिणाम प्राप्त कर सकते हैं और अनिष्टकारी प्रभावों से अपनी रक्षा भी कर सकते हैं।
- वास्तु शास्त्र में दिशाओं का सबसे अधिक महत्व है। सम्पूर्ण वास्तु शास्त्र दिशाओं पर ही निर्भर होता है। क्योंकि वास्तु की दृष्टि में हर दिशा का अपना एक अलग ही महत्व है
- पंच तत्वों को जानने के लिए हमें इनके बारे में अलग-अलग समझना होगा कि यह क्या है और इनका मनुष्य व ब्रह्माण्ड पर किस प्रकार असर पड़ता है।

About the college

The college was founded in 1959 by the famous Gandhian Shri Brij Krishan Chandiwala in memory of his mother. Smt. Janki Devi in order to promote women's education. In recognition of the changing global scenario the college has changed its priorities and perspectives which is amply reflected in the syllabi and curricula.

PRINCIPAL'S MESSAGE

Dear Students,
A college that strives relentlessly to excel in all domains be it academic, co-curricular activities, personality development, skill development and sports. We strive to give students, faculty and non-teaching staff an environment that inculcates in them a sense of community while bringing out the best in each individual.
A college is a source of learning. At Janki Devi, we seek to learn and we seek not just information but true knowledge. We understand that academic proficiency can be attained only through honesty and rigour. Both teachers as well as students of this college leave no stone unturned to raise the bar for academic standards in all disciplines. We cannot rest on our laurels and we have a good many Janki Devi Memorial College attempts to find new paths to tread that can make our students not just great citizens of this nation, but indeed global achievers.
And finally, we do not forget to be humble. It is our humility, our strong Gandhian foundation that makes us courageous and strong, unyielding against all odds.

The Organization is lead by renowned Dr. Priya Mittal awarded Internationally Acclaimed Best Dietitian & Nutritionist year 2019-2020. She was a former dietician of Dharamshila Narayana Super-specialty Hospital. She is a weight loss & PCOD/PCOS treatment expert and specialist in DNA Diets.

Through Zenith Diet Mentor, she pioneers in using the psychosomatic edge in helping people through their journey to good health, in their own environment. People from various backgrounds, lifestyles, eating habits, and family environment go to the Centre. She addresses their health and personal issues. She treats clients individually and offers counsel through their lifestyle modification needed for each one.

She is available all day long for counselling which gives the much needed support. The Centre features socializing in a huge way. Ladies can continue going to their kitty parties and work related meals out. Men and women can dine out for work or pleasure- they will take care of your weight loss.

Brief Report

"Investing in knowledge pays the best interest." - Benjamin Franklin

With this aim in mind, Aamdani: the Finance and Investment Cell of Janki Devi Memorial College, hosted an enriching course titled "Dynamics of Finance" from March 7th to March 24th through online mode. This course was attended by 37 enthusiastic students, and aimed to demystify finance-related concepts and equip participants with foundational knowledge. Guided by Anika Agarwal, Sukriti Negi, and Anushri Saxena, students delved into topics such as financial markets, elements of finance, and monetary policies. Anika, Sukriti, and Anushri leveraging their respective academic backgrounds in B.Com (Hons), B.Com (Prog), and Mathematics (Hons), shared their expertise and facilitated engaging discussions. The course was provided at a minimal fee of Rs.149.

Throughout the course, students explored the mechanisms driving financial markets and gained insights into how monetary policies influence economic dynamics. In addition to interactive sessions, the course included assignments and case studies to reinforce learning and deepen understanding of concepts. These practical exercises provided students with opportunities to apply theoretical knowledge to real-world scenarios, enabling them to develop critical thinking and analytical skills. Feedback from participants was overwhelmingly positive, with students expressing gratitude for the clarity and accessibility of the content. They commended the resource persons for their adeptness in simplifying complex concepts, making the learning experience enjoyable and rewarding. Overall, the Dynamics of Finance course served as a valuable platform for students to enhance their understanding of finance and cultivate essential skills for future endeavors.

3. **Organised by which Department/Society/Centre:** Nupur
4. **Name of the Resource Persons with Affiliations:** Ms. Nikita Parashar
5. **MOU (Memorandum of Understanding):** NA
6. **Course objective**

The course aims at imparting the basic theoretical and practical knowledge of Kathak to beginners. After completion of this course learners will be able to perform the simple footsteps and movements of Kathak. This will also increase their awareness of the cultural heritage of Indian classical dance.

7. Learning Outcomes

The student should have an understanding of how Kathak originated as a classical dance form and developed its unique gharanas. She should have a comprehension of the concept of abhinaya and how it is used in Indian classical dances. The learner should also have basic knowledge and application of hastas (hand gestures) and hastaks (hand movements). She should have basic knowledge of tala (teentala) and laya and movement in vilambit laya. along with the ability to perform simple footwork in Kathak (pada sanchalan).

8. Course Modules

The curriculum of the course is divided into five modules. The first module allows students to have a theoretical knowledge of the origins of Kathak from 'katha' and 'kathakar'. They should have a basic understanding of how the gharanas evolved and their unique styles. The second module gives students an understanding of the concept of abhinaya in Indian classical dance. They would be introduced to simple exercises of story-telling through body movement, gestures and facial expressions. In the third module students would be introduced to hand gestures (hastas) and hand movements (hastaks) and learn some basic ones. In the fourth module students would be introduced to basic tempo and rhythm in Kathak through tala

Sixteen students from JDMC successfully completed the course of 30 hours. In the first week of training, students were introduced to the history and evolution of Kathak, basic stances and Namaskar, and its importance in Kathak. In the second week, students learned techniques and various patterns of Pada Sanchalan (footwork). The details of using hasta mudras (hand gestures) and Hastaks (hand movements) were taught in the third week of training. In the last week of October, students were introduced to the concepts and practical applications of Tala and Laya. Basic and simple foot movements were taught in the month of November. The basic level course was successfully completed with a test assessing the students' basic theoretical and conceptual knowledge that was imparted to them.

practical training in Kathak. This course was offered to those students who had completed the Add-On Course on Kathak Training Programme (Basic Level).

The course fee was Rs. 500/- per month to be paid by each student. Nine students from JDMC successfully completed the course of 33 hours. In the first month of training, students revised the basics of Tatkaar and Hastaks and learned nuances and practical use of the three Layas and Teentala. In the second month, students learned the structures and movements of Thaata, Tihayis, and Tukdas (traditional compositions) in Teentala.

In the final month of the course, students learned chakkars, hand movements, Tatkaar patterns, and kathak dance choreographies, including the Dhyana Shloka and a Teentala Tarana. The course concluded with a mesmerizing performance by the students on the Annual day'24 of JDMC, where they received praises for their passion and skills. The course was completed on the same day i.e. on 3 May 2024.

13. Pratibha: Foundation Classes (Competitive Exams)

Pratibha Feedback and Assessment Report, 2023-24

Pratibha: Foundation Classes for Competitive Exams under the aegis of Center for Career Counseling and Career Opportunity and the Internal Quality Assurance Cell (IQAC) of Janki Devi Memorial College, University of Delhi has successfully completed its seventh batch under the convenorship of Dr. Md. Zubeer Ahmed and four members; Dr. Kush Kumar Gayasen, Dr. Khachungla Chhang, Mr. Ahirrao Dinesh Bharat and Dr. Raju Keshari. Students, who aim to clear the various competitive exams conducted by UPSC, State Public Service Commission, National Testing Agency (NTA) etc. opted for these classes. The primary objective of these foundation classes was to provide the basic knowledge about important topics from examination point of view, and orient the students to explore further on their own. The topics for lectures were selected keeping in mind the General Studies, Political Science and International Relations components of various competitive exams.

The classes were open for all bonafide students and (female & male) ex-students of the University of Delhi. The classes began on 6th January 2023, whereby 74 students registered for the classes. Out of 74 students, 25 students were taken from Devnar Junior and Degree college for the blind under Vidya Vistaar scheme of University of Delhi. The admission was granted to 25 students from Devnar Junior and Degree college at free of cost. The course was divided into 147 modules covering the broad areas of History, Economics, Political Science, International Relations, Foreign Policy, Sociology, English, Mathematics, Geography, Science & Technology, Current Affairs, Essay writing and components of Personality test. The classes were taken by the successful candidates in the Civil Services exam, faculties from various departments of the college and experts from outside. One module of two hours was discussed on every Friday and Saturday and two modules of two hours each were discussed on every Sunday. All the lectures were delivered in online mode.

Students' feedback was taken and processed for the Pratibha classes and following conclusions were drawn:

Number of students enrolled: 48

Number of students participated in the feedback: 38

The average performance of the foundation classes was found ranging good to excellent in terms of score. But in a few areas, it was observed average. Scope of improvement in terms of score was noticed in some areas such as students' participation in the class as the score can be improved for excellent grades.

*The detailed sheet of feedback responses in the form of a pie chart is attached with the report.

Students expressed that the foundation classes were very satisfactory and provided them with an enriching experience. These classes helped them in building a foundation for competitive exams as well as provided an understanding about how to approach the different topics and questions. Students appreciated and acknowledged the rich experience and expertise of resource persons and overall, they found these classes very informative and a significant platform for competitive exams.

- **Module 3:** Prepositions and regular verbs along with their conjugations were introduced in simple present tense. This module was combined with the previous one to help students form simple sentences using nouns, articles, adjectives and verbs.
- **Module 4:** Audios and videos were used to teach students the dialect of native Spanish people. Warm up questions were initiated that prompted the students to speak and resolve their queries. The students were asked to record their own audios so that they could practice the language and identify the areas they were faltering. This exercise helped in boosting their morale and increased their confidence to speak.
- **Module 5:** Creative methods were adopted to ensure students were engaged in class. They were given role play exercises to introduce themselves, their family members and friends, they were given impromptu situations to enact so as to teach them how converse in formal and informal set ups. Apart from this, they were asked to make caricatures, family trees, etc. to bring out their creativity and present their materials to the class.
- **Module 6:** Irregular verbs and reflexive verbs were introduced to students. Grammar was taught with the help of everyday scenarios and classroom examples instead of teaching it as a rule. Handouts were provided and regular revision was conducted to ensure that every doubt was resolved in classroom.
- **Module 7:** A lot of emphasis was given on punctuation, spellings and the common rules of spellings, ambiguous sentences, silent letters of the words, words which often confuse with their spelling and meaning, connotations and denotations, etc.
- **Revision:**
 - The beginning 15 minutes of every class were dedicated to resolve the doubts and clear concepts of the students.
 - An open environment was created for learning to ensure that the students were comfortable in both learning the foreign language and raising their questions and concerns.
 - Handouts and worksheets were regularly provided to help students understand the subject matter better.
 - Practice exercise were given to students as homework and were discussed the next day to provide further clarity to students.
 - Audios and videos were often used to enhance their diction and understanding of foreign dialect.
 - Surprise quizzes were conducted regularly to ensure that students were revising properly and taking interest in the subject.
- **Assessment:** After having touched upon everything related to grammar, the last module tested what the students had learnt in the earlier classes.
 - Two sets of exams were conducted – Oral and Written to test the students on their acquired knowledge of Spanish Language.
 - The written exam comprised of comprehensions, grammar and essay writing to check students' subject knowledge and the oral exam tested students' diction and understanding of concept and structure.

The students showed involvement in all the different activities and tests that were conducted, their enthusiastic participation showed how much they enjoyed learning the language.

15. The ABC of Gender and Sexuality

Report on Add on course

The Department of Sociology, JDMC signed an MOU with the NGO TARSHI (Talking About Reproductive and Sexual Health Issues) to conduct a 30 hour online Add on Course on Understanding Sexuality.

The course was a paid course and was spread across 3 months (February to April 2024)

The course was attended by 33 students from JDMC and outside as well, 24 from JDMC and 9 from outside the college.

The resource persons were all from TARSHI

The 30 hours programme will cover the following:

A: Affirming spaces to foster dialogues and discussions through online sessions (10 hours)

B: Basics and beyond: a foundational e-course on gender, sexuality and SRHR (14 hours)

C: Call to Action through social action projects

These sessions entail interactive discussions among learners, featuring elements such as breakout sessions, group work, short films and case studies to enhance the learning experience. We aim to ensure that all discussions are confidential, and we will work with the students to provide a safe space for learning.

Session Topic Duration

Orientation Session: 2 hrs

What does Sexuality mean to us? :2 hrs

Reading Workshop: Discussion on gender and sexuality through selected *In Plainspeak* articles: 2 hrs

Understanding Sexual and Reproductive Health and Rights: 2 hrs

Reflecting on learnings from the journey: 2 hrs

Social Action Practical assignment (6 hours):

During the course, each student has to do a Social Action Project (SAP) which contributes towards awareness building and resource creation to demystify and debunk myths around sexuality to facilitate creating Safe, Inclusive and Self-Affirming (SISA) spaces in different spheres of life.

The participants found the sessions informative and engaging. Given the nature of the topic some students did not actively participate verbally.

To address this the resource persons encouraged them to express their thoughts in writing, making them feel more comfortable and open to anonymously sharing views, concerns, and questions.

The course concluded successfully on April 19,2024 with an online certificate distribution and feedback discussion.

About Janki Devi Memorial College

Janki Devi Memorial College, a premier women's college of University of Delhi was founded in 1959 by the famous Gandhian Shri Brij Krishan Chandiwala in memory of his mother, Smt. Janki Devi. JDMC aims to provide quality education to young women and empower them to become economically self-reliant, have the confidence to face the vicissitudes of a challenging society, contribute meaningfully to the society at large and acquire the capability to think, lead and change the world.

About ASPEUS

Acupressure Research, Training and Treatment Sansthan was founded at Allahabad, India on March 26, 1995 as an organisation of selfless volunteers with the main objective of serving humanity through free acupressure treatment to the sick and ailing. The Sansthan had a humble beginning and started off on a modest scale with a group of seven volunteer men treating 12 patients free of cost in a borrowed building. The sapling planted in the year 1995 has today become a Banyan tree and the small Allahabad group of seven has turned into a large country wide cohesive group of countless thousands. As the name of the Sansthan suggests, it is also very actively involved in research and training activities pertaining to acupressure therapy.
