Historical Background-

The National Museum, New Delhi, as we see it today, has an interesting beginning. The blueprint for establishing the National Museum in Delhi was prepared by the Maurice Lwyer committee in May 1946. An exhibition of Indian Art, consisting of selected artefacts from various museums of India was organized by the Royal Academy, London with the cooperation of Government of India and Britain. The exhibition went on display in the galleries of Burlington House, London during the winter months of 1947-48. It was decided to display the same collection in Delhi, before the return of exhibits to their respective museums.

An exhibition was organized in the Rashtrapati Bhawan (President's House), New Delhi in 1949, which turned out to be a great success. This event proved responsible for the creation of the National Museum.

The success of this exhibition led to the idea that advantage should be taken of this magnificent collection of the National Museum. State governments, museum authorities and private donors, who had

Event - Visit to NGO (The Earth Saviours Foundation)

Date - 19th May, 2024

Chetna, The Spiritual Consciousness Cell Of Janki Devi Memorial College organised a visit to The Earth Saviours Foundation on 19th May, 2024. Motivated by the esteemed Principal Prof. Swati Pal, the Chetna team donated Rs 10,000/- for that NGO whose director Mr. Jas Kalra inspired the students to work selflessly for the society. The team served food, spent the whole day listening to their feelings, sang and danced with them to make them cheerful. It was really an invaluable and satisfying experiment.

During the internship, Siya worked on the flagship events of the company, International Real Estate Expo & IREX Residency & Citizenship Conclave, which took place on 27-28 October 2023 at Le Meridien, New Delhi. She was a part of the marketing team and contributed significantly to create awareness about the event within the real estate industry and also the Delhi NCR market. She contributed in a great way in inviting various stakeholders of the real estate industry for the show as well as the target audience interested to explore international investment & immigration options. She also successfully set up meetings of the international exhibitors with agents/brokers from the middle eastern market. She completed all the targets that were assigned to her on time and also put forward valuable suggestions and ideas to the team. She worked with sincerity all along and gave her best to all work assigned to her.

Siya was a great help to IREX 2023 and we would be happy to have her as a part of our team in future as well.

We wish Siya good luck for all future endeavors and look forward to working with her again in future.

Best Wishes

To Whom It May Concern:

This is to state that I have known **Aditi Negi** for past 1 month, working as an Business Analyst on the Finlatics Business Analyst Experience Program. Finlatics is recognised as a 'Start - Up' by Department of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India. I found **Aditi Negi** to be very diligent and hardworking Business Analyst. **Aditi Negi** has deep interests in data-driven decision-making and has a unique way of looking at business problems. The Business Analyst role was aimed at solving case-based projects using the MECE method of problem-solving, MS Excel, and Power BI. **Aditi Negi** tackled a range of business cases - ranging from enhancing profitability for a multinational technology business to analyzing the feasibility of a proposed tourism project.

Aditi Negi is also an able implementer of Power BI as it was used in the role to analyze consumer behavior.
