

Renewal of Memorandum of Understanding between Janki Devi Memorial College and Womenite

PROGRAM : organising lectures, workshops, community based internships and public awareness campaigns

MOU PERIOD : July, 2019 to June, 2020

Section 1: About Janki Devi Memorial College

JDMC, a women's college of University of Delhi was set up in 1959 by famous Gandhian Shri Brij Krishan Chandiwala in memory of his mother Smt. Janki Devi, in order to promote women's education. The college offers undergraduate and postgraduate courses primarily in the Humanities and Commerce.

Section 2 : Womenite

Womenite is a youth-led youth-driven social initiative based out of New Delhi, trying to create an equal society through education, love and empowerment. Currently, conducting workshops in schools and colleges on issues like Child Sexual Abuse, Gender Equality, Menstrual Health and various taboos prevailing in society to break the stereotypes.

Section3 : Collaboration between JDMC and Womenite

The Department of HDFE, relentlessly strives to initiate its students into the understanding of the subject matter through a variety of methodologies like workshops, special lectures, institutional visits, short term internships, developing case profiles, conducting community surveys and the use of Audio-Visual aids, mainly screening of short films and documentaries on specific themes.

Section 4 : Objectives of the collaboration:-

- Womenite would provide resource person to conduct workshops and seminars with the college students on issues related to gender, identity etc
- Womenite would also issue certificates of participation/collaboration for internships and community based initiatives
- Womenite and JDMC would associate for different campaigns as done in past like Daan Utsav, Beti Bachao Beti Padhao, Eye Cancer and Public Awareness Campaign
- Womenite would also associate JDMC for Naari Ki Chaupals with the Self-Help groups of women on societal issues like Menstrual Hygiene, etc

Section 5 : Scope of Collaboration

Through this students will get opportunities to connect the classroom experience to the outside world which in turn will help them to connect theory and practices in the real world, as they will get hands on experience. This will also help the students in their higher studies and admissions abroad.
