

## **“Academic Plagiarism IPR And Plagiarism Testing”**

**The Commerce Department and The Library Department** of Janki Devi Memorial College, with immense pleasure organised an insightful session on the topic- **Academic plagiarism IPR And Plagiarism Testing** by **Mrs. Bhawna Vashistha (Professional assistant for libraries and researchers)** on **18th August 2022** (Thursday) from **3:00 pm to 5:00 pm** through zoom platform. The session was open for all the teachers and students irrespective of their course and years. The session was attended by over 80 teachers and students.

The session began with a warm welcome of our Honourable Principal Prof Swati Pal. She welcomed the guest speakers and addressed the audience with her wise words. Team Mohur presented a virtual bouquet as a token of love and warmth. Our respected Teacher In-Charge Prof. Chanchal Chopra Mam took the session forward and shared her views on the topic. She highlighted how Plagiarism is one of the great academic sins.

Ms. Bhawna took the session forward and told the meaning of Academic Plagiarism and how it is spreading in today's world. She informed the audience that Academic plagiarism occurs when a writer repeatedly uses more than four words from a printed source without the use of quotation marks and a precise reference to the original source in a work presented as the author's own research. Today, Plagiarism has become a menace. Every journal editor or conference organizers has to deal with this problem. Simply Copying or rephrasing of text without giving due credit to the original author has become more common.

Ms. Bhawna discussed the various kinds of Plagiarism like Hybrid Plagiarism, Mashup Plagiarism, Aggregator plagiarism and many more. The speaker gave a briefing about the Plagiarism Disciplinary Authority (PDA) of the HEI and what are regulations and penalties that come under it. They informed the students about the Penalties for students, Staff, faculty and researchers of HEI. We got to know about the parameters and the levels of similarities on the basis of which plagiarism is detected. They further spoke about the various similarly checks for exclusion from Plagiarism. The speaker also gave a detailed insight about Ouriginal, the Plagiarism detection website and also gave a demo on how the use it. She concluded by telling the students about the harmful effects of plagiarism. It was really a very informative and insightful session. The speaker addressed the audience's query sincerely. At last pictures were also taken which are attached later in the document.

## (18.8.2022 - Different Kinds Of Plagiarism)

The screenshot shows a Zoom meeting window with a PowerPoint presentation titled "Plagiarism Slides - Microsoft PowerPoint". The slide is titled "Kind of Plagiarism" and lists several types:

- #6. Hybrid**  
Combines perfectly cited sources with copied passages without citation
- #7. Mashup**  
Mixes copied material from multiple sources
- #8. 404 Error**  
Includes citations to non-existent or inaccurate information about sources
- #9. Aggregator**  
Includes proper citation to sources but the paper contains almost no original work
- #10. Re-tweet**  
Includes proper citation, but relies too closely on the text's original wording

A URL is provided at the bottom of the slide: <https://www.plagiarism.org/search?q=kind-of-plagiarism>

The Zoom interface shows 75 participants, a chat window, and a "Leave" button. A small video window on the right shows the presenter, Bhawna Vashishtha.
