Online Add-on Course
on
Basic Computer Skills

The Internal Quality Assurance Cell (IQAC) of Janki Devi Memorial College (JDMC) organized online training classes on Basic Computer Skills only for the JDMC students. The classes started from 1st week of October, 2020 and went till Feb,2021.

The classes were taken by Mr. Manoj Sharma, Senior Technical Assistant, JDMC.

The main objective of this course was to inculcate basic knowledge of computers that includes the hardware, Software and commonly used applications that were required for their online studies such as Gmail, MS-Word, MS-Excel and also included tips for cyber security.

63 students benefitted from these sessions. Students cleared their doubts and became familiar with many IT aspects.

Below are the screenshots of the held classes.
