

Webinar Report

Topic - Paryavaran Aur Mahilaye

Upvan, The Gardening Club of Janki Devi Memorial College, University of Delhi organized an insightful webinar on “**Paryavaran Aur mahilaye**”. Prof. Sandhya Garg and Dr. Nisha Malik was Coordinator and Co Coordinator of webinar respectively. The webinar was held in collaboration with the **Shiksha Sanskriti Utthan Nyas** on 23rd March 2021 at 3 p.m. on the zoom platform with over 100 participants (students and teachers). The webinar started with a warm welcome of our esteemed speakers, Dr. Mamta Sharma, Principal of Aditi Mahavidyalaya, and Dr. Sarita Sachdeva, Professor, ED & Dean -Research Biotechnology, MRIIRS.

Dr. Mamta Sharma elucidated the different dimensions of the environment. Moreover, she illustrated water conservation as an indispensable part of our lives and explained the significance of how water conservation has been practiced by humankind since former days.

Dr. Sarita Sachdeva threw light on the invaluable partisanship of women and their importance in the environment.
