Message

As the Chairman of Shri Banarsidas Chandiwala Sewa Smarak Trust Society, I wish to offer my sincere felicitation to the Janki Devi Memorial College, its staff and students on completing 61 years.

This past year has been extremely challenging for everyone – no individual, family, business or organization has been spared by the Pandemic. We have all tried our best to tide over this difficult time by adapting to new ways of doing things – face to face classroom lectures have been quickly replaced by online lectures and Janki Devi Memorial College has quickly adapted to the new normal. The teaching faculty and non-teaching staff have ensured that students do not miss any opportunity to learn and fulfill the requirements of their courses. Even in these tough times, Janki Devi Memorial College has steadfastly continued its path of providing quality education to its students so that they are able to fulfill their dreams of becoming professors, politicians, bankers, entrepreneurs and heads of large corporations.

I admire the selfless and tireless efforts of the Principal of the College, the teachers and the college administrators whose collective contribution continues to strengthen the reputation of the college and add value to the education provided to its students.

I wish and pray that the coming year is better for us, our colleagues, our country and the world.

With best wishes,

Aditya Krishna

Chairman.

Shri Banarsidas Chandiwala Sewa Smarak Trust Society

Chief Guest

Message

I am happy to learn that Janki Devi Memorial College is observing its Annual Day on 29th April, 2021. This is an occasion to look back at the challenging year that has gone by as well as to take stock of all that has been achieved. It is also a time to prepare for the road ahead, to put one's best foot forward and strive to attain new benchmarks.

We live in times of great unpredictability and rapid change. This well-known College of the University has been proving its mettle with the collective and sustained effort of everyone in the College, be it the Administration, the Teachers, the Non-Teaching Staff and the Students. I congratulate the College for the spirit with which they have progressed.

I send my greetings on this joyous occasion to the Principal, members of the faculty and staff as well as students and I pray that the College continues to live up to its high ideals.

I would like to record my appreciation and special thanks to the Principal, Teaching and Non-Teaching Staff of the College to ferry it across such turbulent waters, to their courage to keep the College functioning during this pandemic, for holding classes, annual functions and cultural programmes online.

Chairperson, Governing Body Janki Devi Memorial College

A Tribute to Dr. Arvind Patel

Remembered fondly by his colleagues and students, Dr. Arvind Patel was an active and cherished member of the Department of Political Science from 2016 to 2019. Indeed a great soul, true to his values and roots. We grieve his untimely demise on 12th March 2021. May he remain smiling wherever he is.

Department of Political Science JDMC

Founder of the College

Shri Brij Krishan Chandiwala (1900 - 1986)

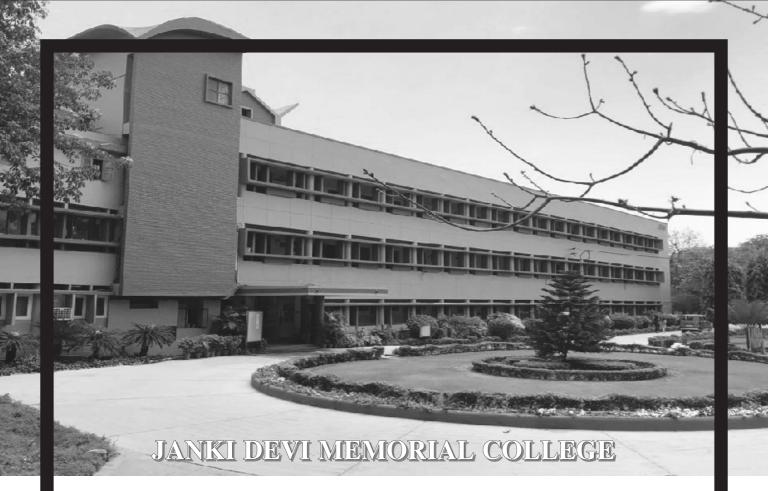

Shri Brij Krishan Chandiwala, the founder of Janki Devi Memorial College was born in 1900 in a reputed family. As the third son of a flourishing silver merchant's family, there were no domestic pressures on him to join the family business. After the early demise of his wife, he joined the freedom movement led by Gandhiji. His mother's entreaties to remarry fell on deaf ears. Brij Krishanji became a true disciple of Gandhiji. He went to jail several times during the freedom movement. When Gandhiji started the agitation against the Salt Law, Brij Krishanji took an oath to give up salt and sugar for life. He was forced to break this vow in the last days of his life on health grounds.

At Gandhiji's behest, he had a prayer temple built in a Harijan Colony. He started the Delhi chapter of the Bharat Sewak Samaj, an organization for the upliftment of the downtrodden.

In 1959, Shri VKRV Rao, the then Vice-Chancellor of Delhi University appealed to the wealthy philanthropists of the city to come forward to open girls colleges in Delhi. It was then, that Brij Krishanji who had no children, donated all his inherited wealth to the family trust Shri Banarsidas Chandiwala Sewa Smarak Society which in turn funded the establishment of Janki Devi Memorial College in memory of his late mother Smt. Janki Devi.

Today Brij Krishanji is remembered for his social service and closeness to Gandhiji. When Nathuram Godse fired that fatal shot, Bapu fell backward into the arms of Brij Krishanji who was sitting right behind him. Till his very end, this great visionary remained our mentor and guide.

THE COLLEGE

Janki Devi Memorial College (JDMC) aims to provide quality education to young women and empower them to become self-reliant and contribute meaningfully to the world at large. Founded in 1959 by the eminent Gandhian Shri Brij Krishan Chandiwala in memory of his mother Smt. Janki Devi, today JDMC is one of the most distinctive institutions of Delhi University. With its lush green lawns and imposing building, the college is like an oasis in the midst of a busy commercial area.

The college offers education in liberal arts, social sciences, Mathematics and Commerce. The college moves beyond the curriculum and offers short-term add-on courses. This academic session, the college offered twenty four add on courses ranging from topics like *Human Values: Problems and Prospects; SSB Preparations; Banking in Atma Nirbhar Bharat; NGO Management; Yoga; Understanding Gender* etc. and thus the canvas has been vast and diverse

JDMC boasts of a well-equipped and well stocked library with more than 90 thousand books and subscriptions to 69 (National and International) journals/magazines catering to the needs of students pursuing different courses and 11 newspapers (English and Hindi). The library has an air-conditioned reading hall and stack room. It is now fully computerized using Web based Libsys Software (an integrated Library management system) and all the housekeeping jobs are performed through this software. The library endeavours to provide access to its database through multiple terminals, twenty-five laptops and steady internet access to E-resources. To enable equal access to the visually challenged, the library has installed a screen reading software, NVDA. It also arranges for Braille and talking books. We are one of the few colleges to hold a Library Festival marked by various book-related competitive events and talks by luminaries.

Apart from providing students, faculty and non-teaching staff, with learning and enabling environment, the college offers great facilities, good infrastructure and dedicated administration of college premises

and affairs. The college has a well-designed office block, a union room, a beautiful common room, a clean and spacious medical room with such facilities as a sanitary napkin vending machine, a comfortable staff room, individual departmental rooms, seminar hall, committee room, computer labs, sports infrastructure, photo-copying facilities, a large and modern cafeteria and an open air auditorium, and two research rooms for teachers.

The College endeavors to improve existing infrastructural facilities and has recently installed multimedia units in a few classrooms. These are being constantly upgraded and shortly smart classrooms, a fully-fledged e resource room with recording facilities, a computer lab with language lab facilities will be made available in the college. The existing facilities in the medical room have been enhanced and the Students Common room will be renovated.

We are proud to have a beautiful hostel for 105 outstation students. It was inaugurated by the Former Honorable President of India, Late Shri Pranab Mukherjee.

Our college also has the distinction of being one of the few to have a disabled friendly environment, with ramps, toilets and elevator-access that cater to specific needs of the visually challenged students' and faculty. We have Braille signage as well as tactile surfaces present all along the college – the former was sponsored by the Alumnae Association.

Our founder, Bhaiji, built this college with the single-minded aim of empowering women. The Women's Development Centre, National Cadet Corps, National Service Scheme and the Gandhi Study Circle provide an opportunity to our students to engage with social issues like legal literacy, women's health and empowerment and adult education. The College recognizes the need for students to make informed choices and to be aware of all that happens in the larger world. The international and national seminars, talks on contemporary issues held by practically all departments through the academic session, provide the right kind of intellectual impetus for students to analyze and evaluate critically.

JDMC has also actively encouraged projects such as the Women Entrepreneurship and Support Training (WEST) project undertaken by the college in collaboration with The Netherlands Embassy and the ECORYS, knowledge partner of the Netherlands government, in 2014. In addition, The Career and Counseling Cell is committed to providing placements and internships to JDMC students, relentlessly pursuing the job market for prospective jobs.

Academic rigor is maintained in college through tutorials, preceptorials and presentations under the CBCS which are taken very seriously along with the tutor-ward/contact/counselling programmes which help keep a finger on the pulse of the students. The College is genuinely concerned about students who face academic challenges. We have been holding regular remedial classes every semester so that students with academic problems can benefit from them. Economically challenged students too benefit greatly through measures taken by the Equal Opportunities Cell such as the free meal for the students. We have also embarked upon a mentor - mentee system this academic session and indeed this will be yet another platform for students to receive personalized guidance from their teacher mentors.

An extremely important development has been the establishment of Centres within the college. These are the JDMC IQAC Research Centre; the JDMC E-Resource Centre which includes the Website committee and the E Journal committee; the JDMC IQAC Centre for Career Counselling, Career opportunities and Skill enhancement and the JDMC IQAC Centre for Universal Ethics and Values. The Research Centre has carried forward the work of the research projects that were initiated last academic session and there is now a student wing of the Research Centre that functions independently with some mentoring by the faculty.

The college is concerned about not just the intellectual and academic growth of its students but also the mental health of all who are a part of the JDMC family. The members of the Counselling Committee and Counselling Psychologist Ms. Saniya Bedi played an active role during this period taking care of the

emotional and psychological needs of students, which threw up its own challenges during the pandemic. Group sessions and peer group training were organised for students and counselling was done on one-to-one basis for the students in need.

Besides bagging university positions in different disciplines every year, the college also strikes a fine balance between the academic and co-curricular. More than two dozen clubs and societies that hone student talent in performing arts, entrepreneurship and creative writing, are available for all students in the college. JDMC believes that the curriculum and the text book is not the only way to gain knowledge or to progress. Apart from the research projects taken up by students and teachers of all departments as also the add-on courses.

The Physical Education Department obviously had few opportunities for sports this academic session. Yet, the students not only took advantage of those that came their way but also won laurels for the college in such events as Sqay Martial Arts, Throw ball, Handball, Athletics, Football and Hockey.

Our college gardens never fail to fetch admiring glances from visitors. This year JDMC won fifteen prizes at the Annual Flower Show and Garden competition held by the University including the Jagrani Devi Memorial Cup. It is worth mentioning at this point, that ours was the first college to install a rain water harvesting system which has been rated as one of the best in Delhi by the Centre for Science and Environment and has won the Chief Ministers prize for Institutional Rain Water Harvesting. In keeping with our mission of recognizing our responsibility towards the environment, the college has an active environment programme which covers rain water harvesting, recycling, composting, solar lighting, CFL conversion, and campaigning for a tobacco free zone. We have installed a solar power grid of 88 KW in collaboration with Azure Solar Power Ltd. The Hostel has been provided with solar water heaters.

Time and again, the college has proved to be resilient in the face of many challenges. At a time when the entire world is dealing with the pandemic COVID 19, the college once again proved that it was quite capable of handling the most difficult of circumstances. Teaching learning, examinations and assessment have been meticulously carried out through online platforms by the dedicated faculty. The college has been kept clean and green with a skeletal staff of gardeners and cleaners who are committed to taking care that the college stays a safe space. Every effort has been made to create a sanitized environment by adopting sanitization techniques and following rules and regulations of social distancing. Activities and events of the college have been taking place virtually and the webinars held by the college have received much acclaim. Fee assistance has been provided to a number of students whose families have been particularly affected by the pandemic by a specially constituted fee assistance committee that follows well defined rules for the same.

The college is exemplary in every way, be it academics or extra and co curricular activities. There can be no doubt that it lives up to the theme for the year, *Candle in the wind*. It spreads the light of knowledge for all and is resilient even in the most trying of circumstances.

Good morning. Distinguished guests, members of the Governing Body, faculty members and non-teaching staff (both currently serving as well as those retired), friends and our dear students, it is my privilege and pleasure to welcome one and all to the conclusion of this academic session of Janki Devi Memorial College. This academic session has been remarkable in the way that everyone has confidently confronted the challenges faced by academic institutions in the teaching learning process due to the Covid 19 pandemic.

It is my privilege to welcome Prof. P.C. Joshi, Vice Chancellor, Delhi University who has very kindly consented to be our Chief Guest. I am indebted to you Sir and I warmly welcome you on behalf of the entire college. You have been actively addressing all issues related to the University and we are inspired by you. It is indeed a matter of pride to see the community evolve and reach greater heights.

I am proud to announce that the academic session has seen a very meaningful development in the establishment of Centres that are an essential part of the IQAC of the college and that engage with varied aspects of academic and co-curricular development. The Research Centre has carried forward the work of the Research projects that were initiated last academic session and it is my pleasure to share the fact that there is now a student wing of the Research Centre that functions independently with some mentoring by the faculty. 23 number of faculty projects and 39 student projects have been taken up this academic session. The website of the college has been further enhanced to make it as inclusive as possible and there is now a sizable section that caters to the e-resources created and generated by college faculty and students. I am also delighted to announce that the first issue of the e-journal, Perspectives, is ready to be launched now. The Centre for Career Counseling, Career opportunities and Skill enhancement worked tirelessly to ensure that the pandemic gave new opportunities for internship and placement in the online mode to the students and even organized two sessions with parents so that they could understand the significance of such internships for their ward. And the Centre for Universal Ethics and Values organized numerous talks and interactive sessions to discuss the whole idea of Universal Ethics and Values. I congratulate all involved in these Centres for their efforts and I look forward to the establishment of more Centres in the coming academic session.

Kudos to all who have offered the add on courses

The tribulations of the pandemic did not see any lull in the activities of the college; indeed they were perhaps quantitatively more in some spheres than they normally are. On World Environment Day which falls on June 5 saplings were planted by faculty and non teaching staff of the college within the college premises while students took individual initiatives for greening their immediate surroundings which they shared through video clips with the college. The International Yoga Day was celebrated online on June 21, 2021 by the Principal, staff and the students of the college. Dr. Pravesh Vyas from SLBSNS University, Ms. Divya Chaudury and Mr. Tasvir Singh were the resource persons for the Yoga Day.

The credit for the innovative way in which all programmes were conducted at college goes to the Staff Advisors to the Students Union, Dr. Saumya Gupta, Ms. Tarini Pandey and Ms. Tannu Sharma assisted ably by the Students Union with Qudsiya Mehwish as Student President. Symphony was organized over the month of February with the theme, "Candle in the wind". The festival was held over a month, with multiple events running parallel to each other. The events saw overwhelming participation from all corners of the country. I am proud to say that JDMC led the way for subsequent online cultural festivals in Delhi University.

Shahid Diwas - Jashn Azadi Ka, was also celebrated with great enthusiasm.

Words are inadequate to express my admiration and gratitude for the commendable way in which the Staff Advisors and the Students Union handled the year long events online.

Apart from the Student Union activities and events, all the Clubs, Societies and Departmental associations engaged in innumerable activities all through the year from conducting online workshops, national and international webinars and intra as well as inter college events and competitions. As many as 34 national and 6 international online talks/workshops/webinars were organized in this session thus making available to the college a vast number of renowned people who are experts in their domain.

JDMC collaborated with the Indian Association for commonwealth Literature and Language Studies (IACLALS) for an International Conference titled 'Utopias and Dystopias of our times' from 17th March 20201 to 20th March 2021. The conference was extremely well attended and was entirely online. Furthermore, JDMC collaborated with IACLALS to host the Distinguished Speaker Series Lectures. Three

have been held so far. The first was delivered by Prof. GJV Prasad (JNU) on 'Translating (in) India: The curious cases of Indian English and Indian Literatures on November 29, 2020 and the session was chaired by Prof. Harish Trivedi.

JDMC believes that the curriculum and the text book is not the only way to gain knowledge or to progress. Apart from the research projects taken up by students and teachers of all departments as also the add-on courses, it was wonderful to note that the Philosophy department came out with their own department magazine, *Meraki*. Three other departments that have their own magazine, *Ecogene* (Economics department), *Speculo* (Political Science department) and Soch (Sociology department) came out with their annual issues undeterred by the situation. The English department has initiated a wonderful literary blog for students called *lettered in yellow* and furthermore, the first publication by the students, *Rediscovering Delhi*, which started off as a blog but then became a printed book, was published this session. And as always, the college magazine, *Janki* is the mode by which all students can express themselves creatively and see their writings in print. They are free to express their perspectives on a wide range of issues through varying literary styles in English, Hindi and Sanskrit. All remarkable achievements in these difficult times.

The subsections of the larger annual report are evidence of the commendable amount of work done by all and my warmest appreciation to them.

The college continued with its task of providing emotional well-being, all the more necessary due to the trauma of an unprecedented time. The members of the Counselling Committee and Counselling Psychologist Ms. Saniya Bedi played an active role during this period taking care of the emotional and psychological needs of students, which threw up its own challenges during the pandemic. The Internal Quality Assurance Cell (IQAC) of the college whose coordinator is Dr. Shilpa Chaudhury and mentor Dr. J Gill, in its continued endeavour to promote conscious, consistent and catalytic efforts to improve the overall performance of the institution, has taken several initiatives during the academic session some of which are: Conduct of first External Academic Audit for all the departments in June, 2020; Free Certificate Course on "Basic Computing Skills" to help our students who were facing problems with adapting to ICT and online classes; Formalization of the JDMC-IQAC Centres; a National webinar on "Pandemic Crisis and Response: Union Budget 2021-22 in Context"; Webinar on "The Ideal Youth which the Nation Needs"; One-Week FDP on "Student-Centric Pedagogic Methods" from January 28, 2021 to February 2, 2021 in collaboration with Mahatma Hansraj Faculty Development Centre, Hansraj College, DU, under the scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT), Ministry of Education, Government of India; "Parents' Induction Programme: An Interactive Session with Principal" for parents of first year students on January 18-19,

2021; One-week National Skill Enhancement Programme for Non-Teaching Staff on "General Administrative Training" from December 14, 2020 to December 19, 2020; Webinar on "Boosting our Immunity in Covid times" for students and staff; National Webinar on "Impact of Diet on Health and Immunity" on October 8, 2020 in collaboration with the Department of Mathematics; National Webinar on "An Overview of Information Technology Law" on November 5, 2020; One-Week FDP on "ICT Enabled Teaching Learning" during September 7-13, 2020 in collaboration with Teaching Learning Centre, Ramanujan College under the scheme of Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT), Ministry of Education, Government of India and an Open House Session with parents and students on August 28, 2020 in collaboration with Career Opportunity Cell to inform them about a host of opportunities offered by the college for skill development, internships and jobs.

A number of other committees and individuals worked tirelessly through the academic session such as the Teachers in charge of all departments, Centre core team members, Admission and Admission Grievances Committees, Attendance Committee, Time-Table Committee, Examination Committee, Library Committee, Decoration Committee, Development & Maintenance Committee, Discipline Committee, Workload Committee, Canteen Committee, Refreshment Committee, ICT and Automation Committee, Add on courses Committee, E-waste Committee, Internal Complaints Committee, Apex Grievance Committee, SC/ST/OBC Liaison Officers, the college Bursar, the PIO , the Magazine committee, the Nodal Officer for Foreign students and Kashmiri students, NESG committee, Anti Smoking and Anti Ragging Officers, Prospectus Committee, Prize Distribution Committee, Equal Opportunity Cell, Enabling Unit, Publicity and media Committee, Purchase Committee, Moderation and Monitoring Committees, Alumnae Executive Committee, Counselling Committee and the college Grievance Redressal Committee.

The NAAC Committee (or AQAR Committee) with the points persons, the criterion writers and its Coordinator, Dr. Jitender Gill and the IQAC Coordinator, Dr. Shilpa Chaudhury deserve special mention for their unflagging efforts in completing the work of the AQAR. I would also like to mention the Website committee for striving to streamline the process of uploading information to the website and ensuring updates. A very special thank you to the Time Table Committee for creating the master time tables. I must also mention the efforts of the Internal Audit Committee which painstakingly audits the work of the Administrative office, Accounts Office and the Library and this has certainly helped to redress weaknesses and enhance strengths. The Garden Committee and their club, Upvan, have done a splendid job not only in maintaining the college lawns and gardens but have also added a large number of herbal and indigenous plants. As many as fifteen prizes were won by our college at the Annual University Flower Show under various categories including the Rolling Trophy, the Jagrani Devi Memorial Cup for the first prize for Bonsai. We are proud of the work done by the committee.

The Annual Report Committee makes it possible for us to take stock of all that we have achieved in the academic session and I am really grateful to them for the Report which has evolved into an aesthetically pleasing document; as also to the power point presentations handled by the committee. My personal thanks to all members of the committee: Rajshree Chandra, Vandana Madan, Saumya Gupta, Tannu Sharma, Deepti Sethi, Vikas Jorwal, Kanika Kakar, Sakshi Bansal, Tanu Gupta, Sonia, Richa Sharma and Meghna Suarana as also to the assistance provided by Mr. Surender. This time round, I must thank the Prize Committee too for their well made Prize Distribution PPT.

I must make a special mention of a new committee headed by Dr. Jitender Gill, that includes members like Mr. Manpreet from the Accounts Department, called the Fee Assistance Committee. This was an informal body of people who over years were consistently assisting students with poor financial means to continue their education. The committee was formalized with rules made for disbursal of funds to those in need. The Committee paid the fee of 43 students partially or fully from the Students' Fee Assistance Fund. While 59 Students, including the 43 students mentioned above, were granted fee

concession of Rs. 2140 by the college. I must mention that the Governing body of the college was very supportive in the development of this Committee and in facilitating the transfer of funds. Many individuals contributed as well. The Alumnae Association of the college as also others such as the Pratibha Foundation contributed large sums of money to assist the needy students whose family members were affected economically by the pandemic crisis.

For obvious reasons, the academic session saw a slower pace in terms of infrastructural developments. However, even as this Report is being presented, the college is constructing a new computer lab with language lab facilities; an e resource centre with an audio visual facility; an indoor gymnasium and yoga room and a fire exit staircase. Additionally, the college has upgraded as many as 6 classrooms to better manage the online classes and very shortly smart classrooms will be created on each floor in a phased manner. The medical facilities of the college have been augmented with the generous assistance of Dr. Sudnya Kulkarni of the Philosophy department.

The college is known for successfully handling the Non Collegiate Women's Education Board (NCWEB) Centre and this year too, despite all odds the Centre was well managed. Thanks to Dr. Nisha Malik. Needless to say that the centre also had a very efficient team of administrative, accounts, library and other non teaching staff who facilitated the functioning of the Centre. The Janki Devi Vocational Centre continued to take strides in developing new ways to expand and empower students through training in contemporary vocational fields, online with unflagging zeal. Ms. Madhuri Verma and her team deserve our congratulations for the same.

I would like to thank the Canara Bank officials for their efficient services and I also acknowledge the support of Doctor Chugh, our medical officer as well as Ms. Sushma, the college nurse. We must not forget that the college would come to a standstill if all sections of people did not work collectively and remained committed to their duties. In this context, I must acknowledge the entire non teaching staff (Administrative/Accounts/Library), the safai karamcharis, the malis, the guards and all others who have worked, often even beyond the call of duty to keep the college functioning without any obstacles. Especially in these lockdown times, one could see the malis living on campus, toiling away through the day to maintain the greens. I would also like to acknowledge the work of the safai karamchari who single handedly attempted to keep the college clean. One must not forget the role of the Campus Caretaker who was unfailing in his duties all through the lockdown period too as well as the employees who worked double shifts as security guards to keep the college safe and secure.

The annual report would be incomplete without my documentation of how the college has faced the challenges confronting us due to the global pandemic. All faculty members continued the teaching learning process on an online basis by evolving innovative pedagogical practices. Not only were classes held, but assessment and evaluation too took place with examinations being held or assignments being given to the students so that the internal assessment could be done fairly. Remedial classes were held and some departments also held interactive sessions with parents online to allay their anxieties. The quantum of work was phenomenal.

The session 2020-2021 has been one in which the college has proved beyond doubt that it is made of stern stuff, that its foundation is indeed stronger than just concrete as it is based on the indomitable will of its founding father. The college has indeed been a beacon of light, a candle in the wind.

I pray today that we sustain our resilience and surge ahead conquering every challenge and hurdle that comes our way. May God bless us all and free us speedily from all that ails the world.

Thank you.

The Janki Devi Memorial College Students' Union was put to a litmus test in the session 2020-21, pandemic had struck, the world had gone online, could we even think of celebrating?

The cultural experience of a student's college years is invaluable and integral to its growth as an individual in an ever-evolving world. We did not want to deprive the students of the excitement and creativity that is the hallmark of University of Delhi festival season. So, we took on the challenge to visualise the events virtually, and decided to have a month-long cultural festival! It was essential to hold the festival online keeping in mind the safety of the students as per COVID protocols and it became a tremendous learning experience. We mastered the nuances of this mammoth undertaking and like the most thrilling roller coaster rides, the twists and turns were the best part of the experience.

Following is a report of how this unique situation was managed by the students' union of JDMC:

कोरोना संक्रमण काल ने कलाकारों को अपनी कला के प्रदर्शन और ठहरे हुए वक्त में भी आगे बढ़ने के लिए विविध माध्यमों को अपनाने के लिए प्रेरित किया है और विशुद्ध रूप से वर्चुअल तकनीक इसमें से सबसे अधि क कारगर साबित हुई है।

निष्पादन कलाओं में नृत्य, नाटक, संगीत आदि के प्रदर्शन इस दौरान निरंतर दशकों तक पहुंचते रहे हैं। जानकी देवी मेमोरियल कॉलेज नई दिल्ली की झामा सोसायटी 'अनुभूति' ने भी युवा निर्देशक अमित तिवारी के मार्गदर्शन में इस दौरान न केवल वर्चुअल कार्यशाला और रंगमंच के विविध आयामों के संवाद कार्यक्रम को दर्शकों से परस्पर सांझा किया बल्कि छोटी नाट्य प्रस्तुतियों के माध्यम से दर्शकों से संबंध बनाए रखें। इन प्रस्तुतियों में एकल अभिनय व एकालाप किया गया था।

अनुभूति संस्था के अंतर्गत एक नया प्रयोग किया गया नाटक 'ध्रुव तारा' के माध्यम से, जिसमें वर्चुअल तकनीक के द्वारा प्रत्येक कलाकार अपने—अपने स्थान से जुड़ कर नाटक में समग्र प्रभाव देता हुआ दर्शकों के समक्ष समृद्ध छाप छोड़ता है। यद्यपि कलाकारों की भांति दर्शक भी देश के विभिन्न भागों में बैठकर इस नाटक को अपने मोबाइल, लैपटॉप पर देख रहे हैं अपितु कलाकार और मंच के पीछे के कलाकार जो इस संयोजन को एकरूपता प्रदान कर रहे हैं कहीं भी दर्शकों को ऐसा भाव नहीं होने देता कि यह नाटक विभिन्न जगहों से संचालित किया जा रहा है जोकि वर्चुअल तकनीक का अद्वितीय उदाहरण कहा जा सकता है।

नाटक में ध्रुव की भूमिका निभा रही गार्गी सूद ने अपने घर के कमरे में मंच तैयार किया है जबिक युवा ध्रुव की भूमिका निभा रही और इस नाटक में नरेटर मुस्कान शर्मा, शास्त्री नगर दिल्ली में अपने घर के कमरे से नाटक में जुड़ी है। तारा का अभिनय कर रही उन्नति श्राफ पड़पड़ गंज, मयूर विहार दिल्ली, गत्तो (निकिता शिसोदिया) गुलाबी बाग दिल्ली, जैनव का किरदार निभा रही मेघा प्रताप नगर दिल्ली, हरियाणवी दादी हिषता सेजवाल लाडो सरायं

मेहरौली दिल्ली, लेडी पुलिस इशिता बंसल दिल्ली, खुशी दिव्यानी नोएडा उत्तर प्रदेश, खिलाड़ी लड़की अनन्या की भूमिका निभा रही नेहा वर्मा दिल्ली, अक्षिता बत्तरा मेरठ, तिनक्षा हिरद्वार उत्तराखंड, मानसी नई दिल्ली, रूहि की भूमिका निभा रही कृति गोयल चांदनी चौक दिल्ली और गज लक्ष्मी किन्नर की भूमिका निभा रही वर्षा, चिराग दिल्ली से जुड़ी हुई है। नाटक का तकनीकी पक्ष संगीत, ध्विन, विद्युत संचालन तथा वर्चुअल तकनीक से संबंधित सभी क्रिया—कलापों को जोड़ते हुए एक मंच प्रदान कर दर्शकों तक पहुंचाने का कार्य मुस्कान शर्मा व प्राची शर्मा द्वारा दिल्ली से संचालित किया गया।

नाटक ध्रुव तारा समाज में माहवारी के दौरान महिलाओं के उत्पीड़न और सामाजिक मिथ को तोड़ते हुए जागरूकता प्रदान करता है। इस दौरान महिलाओं की स्वच्छता एवं स्वास्थ्य के प्रति चिंता और चिंतन के प्रति लोगों को सोचने पर मजबूर करता है।

हुए अथवा अन्य राहगीरों को राह दिखाने का ध्योतक रहा है। इसी को आधार मानते हुए कहानी का ताना—बाना बुना गया और ध्रुव भाई और तारा बहन जो कि जुड़वा है ने मिलकर समाज में मासिक ध ार्म के दौरान महिलाओं से होने वाले व्यवहार और सोच को बदलने का बीडा उठाया।

ध्रुव (बचपन) गार्गी सूद ने अपनी बहन तारा के मासिक धर्म के दौरान होने वाले व्यवहार और शारीरिक कष्ट से चिंतित है दोनों नाटक के कथ्य को बुनते हुए समाज को इस दौरान महिलाओं को अपनाने उनके सम्मान और उनके स्वास्थ्य के प्रति चिंता करने के लिए प्रेरित करते हैं।

ध्रुव गार्गी सूद (बचपन) की भूमिका निभा रही शिमला निवासी का कहना है कि कोरोना काल में समाज के लगभग सभी व्यवसायों एवं वर्गों से जुड़े लोगों को जीविका उपार्जन के लिए सरकारी अनुदान अथवा किसी संस्था से दान प्राप्त हुआ है किंतु कलाकर्म से जुड़े लोगों को इससे वंछित रखा गया लेकिन डिजिटल इंडिया तकनीक की सोच को प्रबलता प्रदान करते हुए वर्चुअल भाव ने लम्बे अंतराल के बाद कलाकारों और दर्शकों के परस्पर संबंधों को पुनः उजागर कर एक मंच प्रदान किया है। गार्गी सूद ने उम्मीद जगाई है कि अभी भी प्रेक्षागृहों में दर्शकों की अधिक उपस्थित सम्भव नहीं हो पाएगी लेकिन इस तकनीक के माध्यम से कलाकार दर्शकों के गए, जिसकी विशेषता यह है कि नाटक के सभी पात्र देश के विभिन्न भागों एक बड़े वर्ग के साथ जुड़ने में सफल हुआ है।

26 फरवरी, 2021 से 28 फरवरी, 2021 तक अनुभूति द्वारा समसामयिक विषय पर आधारित इस कहानी के 10 प्रदर्शन किए

गए, जिसकी विशेषता यह है कि नाटक के सभी पात्र देश के विभिन्न भागों में अपने घरों में बैठकर अभिनय कर रहे हैं और वर्चुअल तकनीक से देश और विदेश के लगभग 1500 से अधिक दर्शकों के साथ जुड़कर नाटक का समग्र प्रभाव छोड़ते हैं।

When the unsung dare to dream and sing despite all odds

If we look around us, in the communities closest to us, we may find many such women shining beneath the rubble of class, caste and poverty

It is quite customary to see the world applauding women achievers around the time of the International Women's Day, which is today. Scores of felicitation ceremonies where women trailblazers are recognised for their contribution are organised across the length and breadth of the country and around the world. It is encouraging to see the accolades and to learn about the women who are finally being given their space under the Sun.

But this article is a story about a young woman whom few know and as of now, her public face is limited, to say the least. She is not part of a large organisation. She is the daughter of the woman who helps to keep the wheels of my domestic set-up move smoothly. Her name is Shipa and she is all to f 23.

I first heard about Shilpa when her mother started helping me out at home around six-and-a-half-years ago. She is the eldest of four siblings, all girls. Her mother would often tell me sorrowfully about how she would be taunted by others for not having borne a son and I would pacify her and tell her that I, too, was one of four daughters. It was always wonderful to hear about her daughters and slowly as the anecdotes were narrated, I learnt about Shilpa.

When the unsuing dare to dream and sing despite all odds

her sing, in three different languages with equal fluency, I understood as never before that the university of life is as educative as actual institutions of repute and concrete.

Shilpa tells me, and I quote her own words, in English, "I did not learn to sing. I used to sing on my own and listen to the songs on radio and TV. I heard a brother (boy) singing, his name is Vijay. He took me to his NGO named Ideal Youth Health and Welfare Society and when we went there, he told me that we could sing there. That platform became my identity for me."

As time went by, Shilpa met like-minded people at the NGO, people who nurtured a passion for singing like herself. And with them, she formed a band, the Savitribai Phule Band. I marveled at the appropriateness of the name: Who better than the great Indian social reformer and educationist, Savitribai Phule often credited as being the mother of Indian feminism, to name one's band after. The band members are Shivraj, Raja, Aman, Varsha, Neha, Sunil, Rohit and Shilpa herself. Shivaraj is the Coordinator. Sunil plays the cohone, Aman and Varsha, the guitar and Neha and Raja form the chorus. Shilpa is the lead singer of the band and is accompanied by Rohit. They have performed professionally at various places in Delhi including the Viswa Yuva Kendra where their performance was hugely appreciated and also at Lucknow and Chandigarh.

Shilpa is a representative of women who dare to dream, who are powerhouses of talent and creativity, who do not allow their social standing to come between them and the world. If we look around us, in the communities closest to us, we may find many such women, who are precious gemstones, shining beneath the rubble of class, caste and poverty.

The college which I have been a part of for close to three decades has many such students. Students who come from the most underprivileged situations but that did not prevent Aisha from becoming a writer, Smridhi from becoming a police officer and Shweta from becoming a professional photographer (names have been changed). One may have been a Delhi Road Transport bus driver's daughter, another may have had a sex worker as her mother and yet another may have a parent who sweeps the road. But they became who they are today, after beating all odds. On the sheer dint of their talent and hard work.

When I asked Shilpa what her dreams and plans for the future are, she answered fearlessly and confidently, "I want to be a very big singer in the future. I want to take my band forward and perform abroad."

She trains daily. Sings wherever called. Her passion burns bright. She is undaunted by circumstances. Failures never dim her ebullient spirit. So she may have no definitive plan of action but somehow, I know she's going to make it big, as big as the dreams she has. If she is only allowed to sing, the way she wants.
