CHAIRMAN

Message

I am pleased to extend my warm greetings to the entire Janki Devi Memorial College family on the occasion of the 66th Annual Day. The Annual Day is always a moment of pride and reflection, offering us an opportunity to celebrate the collective achievements of the institution and reaffirm our commitment to the ideals upon which the college was founded.

During the past academic year, Janki Devi Memorial College has continued to uphold its commitment to excellence in education and institutional development. The successful renewal of internationally recognized ISO certifications for the Educational Organisations Management System, and Quality Management System stands as a significant testament to the college's dedication to maintaining the highest standards in academic administration and governance.

The college has also received several prestigious recognitions that highlight its progressive initiatives and dynamic institutional culture. Among these are the Innovation Excellence Award, the Change Maker Award, and the Most Progressive Institution Award, reflecting the institution's continued emphasis on academic innovation, social responsibility, and forward-looking educational practices. Equally commendable are the recognitions received for the college's environmental initiatives and commitment to sustainability. Awards and certificates acknowledging efforts in environmental awareness, green campus practices, and maintaining an exemplary college garden illustrate the institution's dedication to nurturing responsible and environmentally conscious citizens.

These achievements are the outcome of the sincere efforts and dedication of the principal, faculty members, non-teaching staff, and the vibrant student community. Their commitment continues to strengthen the values of excellence, integrity, and service that define Janki Devi Memorial College. I extend my heartfelt congratulations to the entire college community and wish the institution continued success in its journey of academic and social excellence.

With warm regards,

Aditya Krishna
Chairman,
Shri Banarsidas Chandiwala Sewa Smarak Trust Society

CHAIRPERSON, GOVERNING BODY

Message

"यत्र नार्यस्तु पूज्यन्ते रमन्ते तत्र देवताः" — Where women are respected and empowered, there the divine resides.

This enduring Indian wisdom aptly reflects the vision that led to the establishment of this institution sixty-six years ago. At a time when opportunities for higher education for women were far more limited, the founding benefactor, Shri Brij Kishan Chandiwala demonstrated remarkable foresight in recognising that the advancement of society is closely linked with the education and empowerment of its daughters. The creation of this college was therefore not merely the establishment of an academic institution, but the laying of a foundation for opportunity, confidence, and leadership among young women.

Over the decades, the college has remained steadfast in pursuing this vision. It has consistently sought to provide an environment that supports academic rigour, intellectual curiosity, and the holistic development of students through both curricular and co-curricular engagement.

Today, the landscape of education is undergoing profound transformation. Rapid developments in digital technologies and artificial intelligence are reshaping knowledge systems and redefining the skills required for the future. In this evolving context, institutions of higher learning must strive not only to impart knowledge but also to cultivate critical thinking, adaptability, creativity, and ethical awareness among students.

It is heartening to see the college's continued commitment to strengthening its academic infrastructure and creating an enabling environment for learning, research, and creative expression. The dedication of the principal and faculty in guiding students towards academic excellence deserves special appreciation.

I would also like to acknowledge the invaluable contribution of the administrative and support staff whose efforts, though often unseen, sustain the daily functioning of the institution and form the quiet strength of the college community.

As we reflect on the achievements of the past year, we remain committed to upholding the ideals on which this institution was founded and to continuing the pursuit of excellence in education for generations to come.

My best wishes to the JDMC family.

Anuradha Krishna
Chairperson
Governing Body, Janki Devi Memorial College

CHIEF GUEST

Message

My warmest felicitations to the students, faculty and alumni on the joyous occasion of the 66th Annual Day of Janki Devi Memorial College.

It's fitting for all to celebrate yet another milestone in the long journey of the College marked by academic excellence, cultural accomplishments let alone empowerment of young women. For an institution of standing, it also speaks for resilience and resolve from so many over the decades to steadily contribute to the society.

Over the past decades, generations passing out of the College has been witness to so much of transformation, in India and beyond. Today, intensity and pace of 'changes' make it far more challenging to foresee and adapt. At work, we increasingly deal with too many unknowns. Every person is increasingly challenged in terms of his/her appetite and ability to take 'risks' while making decisions. Many thus recognise that 'learning' is best accomplished within a nexus of knowledge-data-technology. Such a confluence is not static. As a practitioner in public service, I find that a young learner is more demanded in respect of his/her ability to pick up right set of 'values and ability' to adapt to changes rather than one-time knowledge gathered while attending an institution.

The College has lived up to the expectation of generations of learners. My warmest applause goes to the leadership and the faculty. One would wish to see that the credential and contribution lend impact to many, transcending borders. So that generations of its students can build bridges and make lasting contributions to society(ies).

As the Bangladesh Envoy to India, I share these reflections for our two people remain bound by diverse social and cultural ties. Knowledge and wisdom remain foundational to our shared heritage. Let the mutual aspirations of our younger demography, both in Bangladesh and India, bind us far deeper in understanding our ethos.

I wish Janki Devi Memorial College greater accomplishments in such a lasting a pursuit.

M. Riaz Hamidullah
High Commissioner of Bangladesh to India

GUEST OF HONOUR

Message

Distinguished members of the Governing Body, respected Principal, dedicated faculty, committed non-teaching staff, proud parents, and most importantly, the vibrant students of Janki Devi Memorial College.

It is a pleasure to reflect on another fulfilling year for an institution that has been a strong pillar of women's education and empowerment for more than six decades. The college continues to uphold high academic and institutional standards. Being NAAC accredited with an A+ grade and ISO certified for the fourth consecutive year is a clear reflection of its consistent commitment to quality and excellence.

The academic results this year have been highly encouraging. In the final year, the pass percentage ranged between 98% and 100% across undergraduate programmes, with B. Com Programme and B.A. (Hons.) in English, Hindi, History, Political Science and Sociology achieving a 100% pass result. In the second year, B. Com Programme and B.A. (Hons.) Economics, English and Sanskrit recorded 100% results, while several other programmes achieved 96% and above. Similarly, in the first year, B. Com (Hons.) and B.A. (Hons.) Sanskrit recorded 100% results, and other honours programmes achieved more than 95% pass percentages.

These achievements reflect the dedication of the students and the guidance of the faculty. As students move forward, may they carry with them the values of integrity, confidence, and excellence that define this institution.

Heartiest congratulations to the entire college. May you continue to shine and lead with purpose!

Prof. Gurpreet Singh Tuteja

GUEST OF HONOUR

Message

I extend my warmest congratulations to the Principal, faculty, staff, and students of Janki Devi Memorial College (JDMC), University of Delhi, on the occasion of your Annual Day.

Since its inception in 1959 by the visionary Gandhian Shri Brij Krishan Chandiwala, JDMC has stood as a beacon of women's empowerment and academic excellence. Your commitment to the motto "*Vidya hi parmam jyoti*" (Knowledge is Eternal Light) is evident in the college's stellar journey, culminating in the prestigious A+ NAAC accreditation. The holistic excellence of the College is evident in the multitalented societies like *Nupur and Anubhuti*.

JDMC's contribution to education goes far beyond the classroom. From fostering critical thinking in the humanities and commerce to encouraging research through your various IQAC centres, you have consistently nurtured "women of substance", bridging the gap between traditional values and modern global perspectives.

As you celebrate your achievements today, I wish the institute continued success in its mission to build a more inclusive and enlightened society, especially for women who may hold their heads high in spirit and society.

May this Annual Day be a grand success!

Warm regards,

Prof. Haneet Gandhi

IN MEMORIAM

OBITUARY

Dr. Kusum Krishna
(16.09.1932 – 30.09.2025)

I first met Dr. Kusum Krishna in 1995, when I appeared for an interview for a temporary position in the English Department of Janki Devi Memorial College. She sat quietly at first, her petite form not commanding space. But once she began asking questions, I was taken aback. Her queries reflected a sharp, discerning intellect, and it was my first encounter with her formidable academic presence.

I soon learned that she was the first Indian woman to receive a government scholarship to study in Germany, where she completed her Ph.D. in Indology—at a time when women had little opportunity to step beyond traditional boundaries. That fact alone was inspiring. But what struck me most was her memory and engagement. Less than a year later, when I returned for the permanent post interview, she remembered not only her questions but also my responses, and proceeded from there. That clarity, that attention, never left her.

In every interaction since, I have been in awe of her vast learning, voracious reading, and razor-sharp intellect. Even in recent years, eminent scholars from across India expressed wonder at her knowledge, her energy, and her no-nonsense clarity. After long, tiring interview days, when the rest of us looked worn out, she remained fresh, smiling, with a sparkle in her eye. She embodied the truth that one who lives fully engaged never feels weary.

The last decade has been especially testing for higher education—with COVID, funding cuts, policy changes, and the demands of accreditation. Through it all, Dr. Krishna stood as a steady force, guiding and encouraging us. She believed we could rise above constraints, and she enabled us to do so—not only with her words but also with her generous support, whether it was funding research, helping establish the college hostel, or rebuilding staff quarters. She had no patience for mediocrity; she insisted on the best, and she led by example.

When the college achieved an A+ in NAAC, ISO certification, and national ranking, it was the fruit of collective effort, yes—but equally the result of her unwavering faith in us. Sharing these milestones with her was one of my greatest joys. She delighted in the smallest details, whether it was a prize won by a

student, a new facility, or even lettuce leaves from the college garden. She was a proud parent to JDMC, which she nurtured for 66 years with both affection and vigilance.

Personally, I owe her more than words can express. In moments of doubt, she was firm in reminding me to act in the best interests of the college. In times of grief, she stood by me with strength and compassion. Her faith, expressed in letters and in conversations, has been a guiding light.

We will all remember her sense of humour, her gift for storytelling, her commanding stage presence, and her ability to make people laugh even as she imparted wisdom. She was a scholar, a mentor, a benefactor, and above all, a protector of this institution and its people.

Her passing leaves a void, but also a responsibility. I believe her spirit continues to watch over us, urging us to strive higher, to remain true, and to keep faith. To Ms. Anuradha Krishna and Mr. Aditya Krishna, we share your grief and your pride. We will walk with you in keeping alive the dreams and legacy of Dr. Kusum Krishna.

As I close, I am reminded of lines from Henry Wadsworth Longfellow that capture her enduring presence:

"Lives of great ones all remind us

We can make our lives sublime;

And, departing, leave behind us

Footprints on the sands of time."

Om Shanti.

Under her leadership, the college witnessed significant growth in its academic and cultural life, and she remained a constant source of encouragement for both faculty and students.

A respected scholar, Dr. Anand's intellectual interests were reflected in her work on Mughal history. Her book *Akbar: The Aesthete* explored the cultural and aesthetic sensibilities of the Mughal emperor, highlighting her deep engagement with the historical and artistic traditions of the period. Beyond her scholarly pursuits, she was admired for her humility, warmth, and unwavering support for the academic community. Dr. Anand's contributions to education and society were widely recognised. She was honoured with several prestigious awards including the Women Achiever Award, Life Time Achievement Award, Women's Achievement Award, Dr. Radhakrishnan Memorial Award, Mahila Shiromani Award, and the Indira Gandhi Priyadarshini Award. These honours reflected her lifelong dedication to education, leadership, and women's empowerment.

Even after her retirement on 31st August 2015, Dr. Anand continued to inspire many through her guidance and gracious presence. Dr. Mukesh Saggar
(20.10.1951-13.08.2025)

Dr. Mukesh Saggar joined JDMC on 15th December 1987 after working at Tata, Jamshedpur, for 13 years. She was chosen for JDMC by none other than our first founding teacher in the Department of Physical Education, the late Mrs. Amrit Bose.

By a strange turn of events, which I had never imagined when I began working in this college, I got the opportunity to join JDMC on 13th August 2002 after the retirement of Mrs. Bose. Thus began my long, very fruitful and memorable association with Mrs. Saggar, during which I learnt many unforgettable and life-altering lessons. I was a complete fresher, as I had no previous experience except organising Sports Day. She taught me everything she knew — the organisation and administration of sporting events, Sports Day, the methodical maintenance of stock registers, the honest keeping of account books, and much more.

She was not only a thoroughly honest professional but also a very compassionate, affectionate, considerate, and kind person who cared deeply for everyone around her. She lived for the college and loved her students deeply. She was always open, outspoken, and clear about everything she did. I will always fondly remember her endless loving and caring gestures. Even after her retirement, she would bring my favourite soya rotis and quietly give them to me while a programme was going on. There are countless such incidents, but this space is not adequate to describe her larger-than-life personality.

By a strange twist of fate, we lost her on the same day as my joining date in this college — 13th August 2025 — exactly after 23 years. Our physical association may have ended, but she will live on in our hearts forever. Her spirit will always be felt on our sports ground, where we spent more than fourteen years together supervising our teams, analysing and preparing our countless sports girls, completing endless tasks over tea with samosas and her home-cooked food. The mornings would stretch into late evenings as we prepared for Sports Day, performed discipline duties at the college gate, and carried out many other responsibilities together.

I miss you dearly, Saggar ma'am.

FOUNDER OF THE COLLEGE

Shri Brij Krishan Chandiwala
(1900 - 1986)

Shri Brij Krishan Chandiwala, the founder of Janki Devi Memorial College was born in 1900 in a reputed family. As the third son of a flourishing silver merchant's family, there were no domestic pressures on him to join the family business. After the early demise of his wife, he joined the freedom movement led by Gandhiji. His mother's entreaties to remarry fell on deaf ears. Brij Krishanji became a true disciple of Gandhiji. He went to jail several times during the freedom movement. When Gandhiji started the agitation against the Salt Law, Brij Krishanji took an oath to give up salt and sugar for life. He was forced to break this vow in the last days of his life on health grounds.

At Gandhiji's behest, he had a prayer temple built in a Harijan Colony. He started the Delhi chapter of the Bharat Sewak Samaj, an organization for the upliftment of the downtrodden.

In 1959, Shri VKRV Rao, the then Vice-Chancellor of Delhi University appealed to the wealthy philanthropists of the city to come forward to open girls colleges in Delhi. It was then, that Brij Krishanji who had no children, donated all his inherited wealth to the family trust Shri Banarsidas Chandiwala Sewa Smarak Society which in turn funded the establishment of Janki Devi Memorial College in memory of his late mother Smt. Janki Devi.

Today Brij Krishanji is remembered for his social service and closeness to Gandhiji. When Nathuram Godse fired that fatal shot, Bapu fell backward into the arms of Brij Krishanji who was sitting right behind him. Till his very end, this great visionary remained our mentor and guide.

ABOUT THE COLLEGE

ABOUT THE COLLEGE

Janki Devi Memorial College (JDMC) is a constituent college of the University of Delhi. The National Assessment and Accreditation Council (NAAC), Bangalore, has accredited the College with an A-Plus grade and a score of 3.43 in its second cycle of accreditation in 2023. It is also the first college of the University of Delhi to have been awarded the prestigious ISO 21001:2018 and ISO 9001:2015 certification. Recently, the Principal received the esteemed 'Jury Award' from COAE International on behalf of the College, and the College was recognized as a 'Joyful Institution'.

The Founder, Shri Brij Krishna Chandiwala, a renowned Gandhian who participated in the Indian National Movement, established the College in 1959 in memory of his mother, Smt. Janki Devi. Late Prime Minister Pt. Jawaharlal Nehru laid the Foundation Stone. The College offers education in Liberal Arts, Social Sciences, Mathematics and Commerce.

Beyond the curriculum, the College offers short-term add-on courses on topics ranging from Human Values: Problems and Prospects; SSB Preparations; Banking in Atmanirbhar Bharat; NGO Management; Yoga; Understanding Gender; Acupressure; Early Intervention for Children with Disabilities; Kathak; Keyboards; Artificial Intelligence (AI); Legal Literacy and Awareness, and Gender and Sexuality. The Pratibha Foundation courses provide foundational knowledge as orientation for various competitive examinations.

JDMC boasts of a well-stocked, air-conditioned and well-lit Library, with a mezzanine floor for journals etc., with more than ninety thousand books and subscriptions to 69 (national and international) journals/magazines and 11 newspapers (English and Hindi) catering to the differing needs of students. Kindle devices are also available, making access to a wide range of titles easier and enhancing the reading experience. The Library is fully computerized equipped with the Web-based Libsys Software. The database is updated daily, and several terminals including twenty-five laptops with internet are provided for teachers to search online documents. An e-Resource Centre attached to the Library has forty laptops to access the online resources available for teachers and students. To ensure equal access to the visually challenged, the Library has installed a screen reading software, NVDA. Braille books and talking books are also available. JDMC hosts an Annual Library Festival encompassing talks by luminaries and various competitive events related to books. To aid in

generating more e-resources, the college has a sound recording studio which is fully equipped to record podcasts, lectures, musical and other events, and make those recordings available for use.

Apart from providing all stakeholders – students, faculty and non-teaching staff – with a pleasing, motivational environment, the College offers facilities and infrastructure to create a holistic atmosphere for the pursuit of academic and extracurricular activities and a well-regulated administration. To achieve these ends, the College has a well-designed office block; spacious, ventilated classrooms, Union Room, IQAC Room, Common Room, a three-bedded Medical Room with modern facilities including an ECG machine, oxygen cylinder, and a sanitary napkin vending machine; photocopying facilities; comfortable staff room; departmental rooms; seminar hall; committee room; four computer labs; a large and modern cafeteria; an open-air auditorium and two research rooms for teachers.

Sports receives a lot of encouragement and there is a state-of-the-art basketball court, a hockey and football field; a cricket pitch; a pickleball court; a softball /throwball/ volleyball, lawn tennis court and an open gymnasium. The college has reclaimed and reused land to build an obstacle training ground (one among two colleges of the University of Delhi to have this), which also has an open gymnasium. And there is a sports complex coming up for indoor sports, meditation, and facilities for changing rooms.

The College believes in constantly assessing its processes and enhancing its quality. To that end, the College benefits greatly from the NAAC guidelines implemented by the IQAC coordinator and the accreditation support group, as well as from the yearly audits (internal as well as external) undertaken for the ISO. The faculty undergoes an annual academic audit done by external academic auditors, while the Administrative and Accounts Departments undergo both external and internal audits. The College also undergoes an environment audit. Recently, the college also reviewed its disability measures through a disability audit, which enhanced the facilities for person with disabilities. Furthermore, the College has also undertaken infrastructural audits of its buildings to ensure that the buildings are maintained well despite the wear and tear of time. The College intends to expand its infrastructure in the near future.

In order to encourage research, the College has established a Research Centre where students are trained by teachers to handle research projects, and some of these projects have now been published. Focused attention is given to e-resources, career counselling, skill enhancement, gender equity, Indian Knowledge Systems, extension activities, national and international collaborations, and disability inclusivity through the eight other Centres bearing the same names. The University of Delhi has also made the College a skill centre for Chocolate Craft and CAD in Fashion Designing, with an award of ₹25 lakhs to facilitate the same.

The College has begun publishing an annual blind peer reviewed e-journal called *Perspectives,* for which academics from across the world have been writing; five issues of the journal are already available. Besides, the College has an annual magazine called *Janki* and several departments/clubs have their own journals/magazines/ blogs such as the Economics, Political Science, Sociology, Philosophy. Impreneurs, the E-Cell and Aamdani, the Finance and Investment Club, publish a newsletter.

There are at least 36 Clubs and Societies, which provide a platform to students for their many talents and skills. The College's NCC is considered the best among the five DGBN women's colleges. It has

won the NCC Achiever's Award for Most Active Girls College by the NCC Alumni Club of Delhi for three years in succession. In 2025, the JDMC NCC was awarded the Best Institution (2nd runner up-SW Coy) under the Delhi Directorate, by the Lt. Governor of Delhi. During the pandemic, both the NCC and the NSS, along with the Centre for Extension Activities, the Alumnae Association and the staff, facilitated many people materially and medically, and continue to do so, through various tie-ups such as with Robin Hood Army and Goonj. Two villages and slum areas are also being mentored by the students of HDFE and NSS. Impreneurs, the Entrepreneurship Cell, has started Project Anupam which aims to provide an online facility to students for selling products made by them such as paintings and perishable items. Many students have started selling products made by them through the Project.

The College endeavours to be a green college and the lush gardens are prize-winning; each year the lawns win prizes at the University Flower Show. The College has also won awards for its lawns at other horticultural organizations such as the Indraprastha Horticultural Society. More than 100 plants/ herbs and trees are planted annually. Among the green initiatives of the College, the rain water harvesting system which won the Chief Minister's Prize, the Herbal Garden with over 100 herbs, the efforts to ban plastic, the composting of garden waste, the paper recycling, and e-waste disposal (the last in collaboration with an NGO, Chintan) stand out. Green practices aside, the College has several good practices for the disabled which include disabled-friendly toilets, braille signage, tactiles on the major pathways for easy movement, ramps, and braille books and software, as well as an active Equal Opportunities Cell that strives to provide the same opportunities to all. The College was recognised by the Ministry of Education for its excellent environmental practices, and was awarded as the District Green Champion for academic year 2021-22 by the Mahatma Gandhi National Council of Rural Education (MGNCRE). Furthermore, the MGNCRE recognised the College as a Swachhata Action Plan Institution as also a Sustainable Campus. Existing infrastructural facilities are consistently improved in the College. Multimedia set-ups have been installed in several classrooms. Smart boards in classrooms, four Computer Labs, a full-fledged e-Resource Room, a Recording Studio (Lecture Capturing System), Language Lab facilities offering five languages, are available. The College boasts of a beautiful hostel for 105 outstation students, inaugurated by the Hon'ble former President of India, Late Shri Pranab Mukherjee.

The College has an active Placement Cell that promotes placements through on-campus interviews and internships. The students are encouraged to take up internships, and many are well placed in companies, while others opt for higher studies. Some students also appear for competitive exams, and the Pratibha Foundation trains students for the same. NCC cadets have been inducted as officers in the Indian Armed Forces and Police Forces. In the last academic session, the College successfully facilitated placements for twenty-seven students across thirty-three renowned companies, including EY, Accenture, Optum, Corizo, Teachnook, Innovist, etc. The placed students have secured roles such as Business Development Associate, Assurance Core, Tax Analyst, and Accounting Analyst. Furthermore, around eighty students have benefited from various internship opportunities provided by the Cell, securing positions in twenty-two companies like Skill Tank, KRG, Womenite, Prodigal AI, and Social Parindee etc.

Remedial classes, mentorship and counseling for students help them to fare well in subjects they find difficult as well as maintain good emotional health. Grievance redressal is actively undertaken

through regular feedback, student faculty meetings and an open-door policy. The faculty is among the best in the University, having many publications to their credit, and being recipients of many annual scholarships and awards. The College pays attention to capacity building and skill enhancement of not only its students, but also of its teachers and non-teaching staff. Both are encouraged and financially supported to participate in FDPs, Refresher Courses and Orientation Programs. The active IQAC centre of the College also conducts many such Workshops and FDPs.

Academic rigour is reflected not just through the pedagogical methods, and use of ICT by teachers, but also through the Academic Audit and robust feedback mechanisms of the College, including monthly student-faculty meetings and annual feedback forms. This is also visible through the number of conferences / seminars / talks held by different Departments, as well as in the mentor-mentee system, the remedial classes and the special attention paid to pedagogy as evidenced in the series of books that are being published by Departments focusing on teaching methods. Apart from these, and the individual and Departments' publications, the College has published several books under the *Rediscovering Delhi Project*; a book documenting the history of the College titled *All Our Yesterdays;* and a book titled *Tribes of India: Realities and Representations*.

The College is a mentoring institution under the Vidya Vistar Scheme for the Mahatma Gandhi Government College, Mayabunder, Andamans, as also for the Devnar Foundation for the Blind in Hyderabad. Apart from the inclusion of stakeholders from MGGC and the Devnar Foundation in JDMC's classes, courses and conferences, a national seminar has been held as a collaborative venture between JDMC and MGGC, while a series of collaborative ventures and activities have commenced with the Devnar Foundation.

The College constantly endeavours to set new benchmarks for itself and give students a global platform to spread their wings. With this intent, the Centre for National and International Collaborations has recently signed MoUs with the following: (1) Research Centre for the Study of Eastern Culture and Heritage, Tashkent State University of Oriental Studies, Uzbekistan; (2) Samarkand Institute of Economics and Service, Samarkand, Uzbekistan; (3) Research Tourism Development Institute, Uzbekistan; (4) Oriental University, Tashkent, Uzbekistan; (5) Margilan Technikum of Tourism and Cultural Heritage, Silk Road International University; (6) Sherubtse College, University of Bhutan; (7) BITS Pilani (Pilani Campus); and (8) the University of Kelaniya, Colombo (MoU signed by the Sanskrit Department). The students of the college as currently engaged in a course on *AI* being taught by faculty from BITS Pilani as per the MoU with them. It is foreseen that in times to come, student and faculty exchange programmes will open avenues to greater opportunities of learning and progress.

The College believes in inclusivity, decentralization, and participative governance. Stakeholders are a part of many Committees, including the IQAC, and play a constructive role in the development of the College. The College is prompt in resolving any grievances that are brought to the notice of the administration. In order to do so, it has several active Committees in place, and adopts effective mechanisms for redressal. Perhaps the most important aspect is the readiness of the college to find prompt solutions to all challenges and to keep an open door, as well as a ready ear, to listen to all complaints. Finally, the College endeavors to ensure that whether it be promotions or appointments of both faculty and non-teaching staff, it is done in a timely manner. May the college grow to greater heights in the times ahead.

PRINCIPAL'S ANNUAL REPORT 2025-2026

PRINCIPAL'S ANNUAL REPORT 2025-26

Distinguished guests, honourable members of the Governing body, retired and serving faculty members, as well as non-teaching staff, my dear students and friends, a very warm welcome to all of you for the Annual Day celebrations of the 2025-2026 academic session. I am delighted to see you all here and am sure that you will enjoy learning about the achievements of the college this academic session.

We are privileged to have His Excellency, Mr. M Riaz Hamidullah, High Commissioner of Bangladesh to India, as our Chief Guest today. Thank you so much, Sir, for graciously accepting our invitation. I hope you will enjoy this program. We are also delighted to have two significant persons with us, Dean of Admissions, Delhi University, Prof. Haneet Gandhi, and Controller of Examinations, Delhi University, Prof. GS Tuteja, as our Guests of Honor. Thank you so much for making time for us. We are all extremely happy to have you in our midst. My gratitude to Ms. Anuradha Krishna, Chairperson of the Governing Body of the college, for presiding over the event, and to all members of the Governing Body for their constant engagement with the college, their encouragement, and guidance. Furthermore, my gratitude to Mr. Aditya Krishna, Chairperson of the Shri Banarasi Das Chandiwala Sewa Smarak Trust Society, for his unwavering support to the college and his constant motivation.

The year gone by has seen great achievements, but also some terrible losses for us as an institution. We had the misfortune to lose our beloved Dr. Kusum Krishna, our founder member, who nurtured the college with such vision, love, and care for 66 years and left no stone unturned to ensure the college reached the heights of excellence. She was untiring till the very end in her endeavors to take care of every domain. She has left behind an enduring legacy, and even as we grieve her absence and miss her, we promise to carry that legacy forward as she would have wished.

We also lost Dr. Indu Anand, who served the college both as a member of the History Department for many years and as Principal of the college for a little over a decade. She will always be remembered as one who strove to empower women through entrepreneurship at a time when this was not a buzzword, and to enhance green practices of the college, as well as to help us dream of putting the college on an international platform.

These were not the only tragic losses we had to bear this academic session. We lost Dr. Mukesh Saggar, our wonderful colleague from the Physical Education Department who worked nonstop to create a wonderful environment for sports in college and facilitated so many accolades for the college in hockey, football, yoga, and volleyball, among other sports. She was known for her towering presence and extremely compassionate heart. We lost Mrs. Raj Khera, again, a loving teacher from the Political Science Department who also handled the B.A. Program students for a very long time indeed, known for her softness and grace. We lost Mrs. Surinder Bajaj from the Economics Department, known for her spirited personality and her deft accounting skills. We lost Dr. Pushpa Rahi from the Hindi Department, a multifaceted person who was known for her sharp wit and lately for her poetry. We lost Dr. Heera Dasgupta from the Commerce Department, who remained deeply attached to the college, though she served in the college for a short while—she was very forthcoming in helping needy students of the college and was always delighted to learn about the achievements of the college.

Among our non-teaching staff, we lost Ms. Veeravali from the library, who served the college with love and loyalty.

We can only pray for the souls of the dearly departed, for strength to the families to cope with these absences, and we can learn from the dedication, commitment, loyalty, and positive attitude of all those we have lost. The best tribute we can pay them is to emulate all that they did for the well-being of this great institution. Om Shanti.

Indeed, the list of losses this academic session has been very long, and we are acutely aware of the void left behind. But we move forward to take the college to greater heights of excellence. In this academic session, we have won many accolades. To begin with, I am happy to share that JDMC has been officially approved by our Certification Committee, COAE, for the second three-year certification cycle. Congratulations to the entire team at Janki Devi Memorial College (JDMC) on achieving the prestigious ISO 21001 and ISO 9001 certifications once again. This accomplishment highlights JDMC's effective implementation of international standards for Educational Quality Management Systems. It is noteworthy that our certifications are accredited by the National Accreditation Board for Certification Bodies (NABCB), a member of the International Accreditation Forum (IAF). This accreditation assures the global recognition and credibility of our certification.

In a major recognition, the University of Delhi Skill Enhancement Courses Committee, has approved funding of Rs. 25 lakhs by the Hon'ble Vice Chancellor in order to set up a Skill Development Centre at our premises, on May 20, 2025. This collective success underscores our faculty's dedication to academic rigor, institutional growth, and societal impact.

The administrative and library sections have also reached several professional milestones over the past year. We are pleased to announce the promotions of Mr. Manpreet and Mr. Arvind Pal to the position of Section Officer, Mr. Vijay Prakash to Assistant, and Mr. Avinash to Senior Assistant. Complementing these career advancements, our library staff has been actively engaged in professional development. Mr. Dinesh Chand Bahuguna successfully completed the PDPA program at JDMC (ILLL), while Ms. Mamta, Mr. Omvir Singh Basoiya, Ms. Pushpa, and Mr. Khem Chand participated in specialized Library Cadre training at the Central Reference Library, University of Delhi. These achievements reflect our team's ongoing commitment to excellence and skill enhancement.

The library remained a hub of activity throughout the year. The Annual Library Festival 2025 and its associated events focused on the evolving role of libraries in modern education. One of the key highlights was the Annual Library Festival (October 15–31, 2025), which showcased libraries as vital hubs for creativity and knowledge. A panel discussion on NEP 2020 featured experts from the University of Delhi, Ambedkar College, and JNU, who discussed reimagining libraries to support multidisciplinary and holistic education under the National Education Policy. The Book Exhibition (August 13–14, 2025), a two-day event held in the library hall, sparked intellectual curiosity and provided a platform for book lovers to explore diverse genres. To further engage the community, the festival hosted several competitions, including Hindi Reading and Braille Reading under the literary and skills category, and Poster-Making and Photography under creative arts.

Guided by the Gandhian principles of simplicity and selfless service, the Centre for Extension and Outreach Activities at Janki Devi Memorial College experienced a transformative year of community engagement and social responsibility. Through its four pillars—NSS, NCC, Community First Initiative, and the Equal Opportunity Cell/Samarth—the Centre successfully bridged the gap between academic learning and civic duty. Key highlights included the Community First Initiative's *Donate a Thali Campaign* and *Joy of Giving Week*, which provided essential nutrition and companionship to underprivileged groups and senior citizens. The NCC unit spearheaded environmental stewardship through the *Back to Blue* Yamuna Cleanliness Drive and rallies on International Youth Day, while the NSS unit executed an extensive portfolio of more than 15 major events, ranging from Ayushman Bharat registration camps and menstrual hygiene workshops to inclusive education outreach at the Andh Kanya Mahavidyalaya. Furthermore, Samarth (the Enabling Unit) continued its flagship collaboration with DELL Technologies, empowering over 1,000 students in Data Analytics and AI, alongside providing specialized ICT training and Braille competitions for students with disabilities. Collectively, these initiatives not only addressed critical societal needs across Delhi and NCR, but also cultivated a robust sense of empathy, leadership, and *Viksit Bharat* consciousness among the student body.

The Students' Union, guided by Staff Advisors Dr. Poonam Khatana, Ms. Himani Dahiya, and Dr. Abhinub Kumar, alongside Executive Heads Ms. Kritika Gautam, Ms. Mansi Tanwar, Ms. Pragati Joshi, and Ms. Himanshi Rohra, spearheaded a dynamic academic year marked by vibrant cultural and civic engagement. The session commenced with the Deeksharambh Orientation Programme in August 2025 and the celebration of the 66th Foundation Day, honoring the legacy of Shri Brij Krishan Chandiwala. A cornerstone of the year was Symphony '26, the annual cultural festival held in February, which featured distinguished guests such as Ms. Manjari Chaturvedi, classical Kathak dancer and creator of Sufi Kathak; Mr. Kuljeet Singh, artist and Creative Director of Atelier Theatre; and Ash King, British-Indian playback singer. The Union also fostered a spirit of patriotism and ethical values through the 77th Republic Day and 79th Independence Day festivities, along with an Integrity Pledge Ceremony. Environmental and wellness initiatives, including International Yoga Day and World Environment Day, further enriched the campus life. The year culminated in the Annual Day '26 on March 25, celebrating the diverse academic and cultural milestones of the student body.

The nine Centres that handle different wings of the college, Career Counselling, Research, E resources, Skill Enhancement, International and National Programmes, Indian Knowledge Systems, Extension and Outreach Activities, Disability Inclusivity and Gender Equity Studies continued their innumerable activities, and were dedicated to all aspects within their domain. Apart from these, I must congratulate the NCWEB Coordinator and Deputy as well as the entire NCWEB team for the dedication with which they have worked for the NCWEB students of our Centre. The IQAC of Janki Devi Memorial College led by Coordinator, Dr. Kush Gayasen and Deputy Coordinator, Dr. Shiwani Burnwal supported by the Accreditation Support Group and mentored by Prof. Payl Nagpal and Prof. Shilpa Chaudhary continues to serve as a strategic anchor for institutional excellence, fostering a culture of academic rigour, ethical governance, and student-centric development. This year, a primary focus was the seamless integration of NEP 2020 reforms, achieved through structured orientations for GE, SEC, VAC, and AEC courses, alongside specialized workshops on Semester VII and VIII research work, and dissertation assessment. The Cell hit significant benchmarks in institutional positioning and faculty progression, successfully submitting data for NIRF 2026 and facilitating the scrutiny of Career Advancement Scheme (CAS) cases in alignment with UGC regulations. It collaborated with UGC-MMTTC and ILLL to conduct a one-month Faculty Induction Program (FIP), and a

Professional Development Program for administrative staff, focusing on digital governance and GFR compliance. It championed ethical scholarship through workshops on Turnitin software, plagiarism challenges, and the ethical use of AI in academic practice. In collaboration with the Rekhi Foundation and Floydee Future Foundation, the IQAC spearheaded initiatives on the *Science of Happiness*, mental health awareness through Arohi Program, and Art Therapy. The cell prioritized social responsibility through capacity-building sessions on inclusive pedagogy for special needs education, cyber safety seminars with the Delhi Police, and emergency preparedness drills. The IQAC established a robust mentoring framework, including monthly sessions and a flagship online mentoring platform led by the Principal, providing students with consistent academic and career guidance.

The ISO team at JDMC led by Prof. Ruby Bhardwaj and Prof. Shilpa Chaudhary has demonstrated an unwavering commitment to excellence, positioning the college beyond initial certification to successfully navigate a rigorous re-certification audit in 2025, and has since spearheaded several forward-thinking initiatives. In 2026, the team adopted a proactive approach, organising advanced training, an Internal Auditor course, and specialized workshops to transition to the updated ISO 21001:2025 standards. Capacity-building initiatives included sessions on inclusive pedagogy for special needs education, and the Digital Personal Data Protection (DPDP) Act; while operational rigor was strengthened through improved documentation and conducting comprehensive internal audits to ensure systemic efficiency. As mentioned at the outset, we are proud to have been recertified for the ISO 9001:2015 and ISO 21001:2018, and we look ahead to attaining the 2025 compliance as well.

The Vice-Principal, Prof. Sandhya Garg deserves a special mention for her tireless efforts to streamline admission process, handle the Alumnae Association as well as the Garden, the Rajbhasha and Bhartiya Bhasha Committees, and contribute to promotions, NIRF or ISO, among other things. I must also thank the two Administrative Officers, Dr. Kaushal Kishore and Mr. Surendra Kumar, and the Section Officers, Mr. Arvind Pal, and Mr. Manpreet for their cheerful and ever-willing commitment to getting all tasks done on time. I extend my thanks to the supporting teams, as well as to the Librarian, Dr. Nivedita Sharma, and her team.

It is always a great challenge for the Annual Report Committee to document the year's events meticulously, and ensuring it is easy to read. I thank them for their great efforts in taking stock of our achievements for the year. My personal thanks to all members of the Committee: Deepti Sethi, Sangeeta Gupta, Tanu Gupta, Sakshi Bansal, Sonia, Tannu Sharma, Nancy Rao, Harsh Bala, Shalini Singh, Kanika Aggarwal, Vaishali Narolia, Ankita Kumar, Madhulika Nirmal, Mouparna Roy, Abhinav Mishra, Jason Wahlang, Pankaj Kumar Singh, as also to the assistance provided by various members of the non-teaching staff. I must also thank Ms. Tannu Sharma for her immense efforts, over the last ten years, in making the PowerPoint for the presentation of the Annual report – she has proved to be indispensable.

Ubuntu: I am because we are is the theme for the year. Ubuntu is a foundational Southern African philosophy emphasizes interconnectedness, communal responsibility, empathy, and respect, highlighting that individual well-being is tied to collective harmony. We live in difficult times, divisiveness whether at the global level through war or at more local and even familial levels, seems to be on the rise. At such a time, Janki Devi Memorial College reiterates its belief in inclusive and quality education and promises to strive always to provide the same.

Warm wishes to everyone and thank you.

Advancing technological integration, IQAC organised a **workshop** on *Harnessing AI in Academic Practice: Opportunities, Challenges and Ethical Frameworks* on September 26, 2025, in collaboration with the ICT Committee.

An **Online Interactive Session for NEP-UGCF students** was conducted on August 5, 2025, facilitating clarity regarding curriculum structures and academic pathways.

Administrative capacity building was strengthened through a **One-Week Professional Development Programme for Administrative Staff** organised in collaboration with ILLL, University of Delhi, from July 15 to July 21, 2025, focusing on procedural efficiency, financial compliance, digital governance platforms, official communication, and inventory management under GFR 2017 guidelines.

Through these strategically aligned and systematically implemented initiatives, IQAC has reinforced academic rigour, strengthened governance and regulatory compliance, advanced research standardisation, supported faculty progression under UGC norms, and promoted inclusive, student-centric development. By integrating quality assurance with institutional preparedness, digital accountability, curriculum reform, and holistic well-being, IQAC continues to nurture a sustained culture of excellence and continuous improvement within the College.

Events and Activities

The college grounds underwent an extensive transformation in preparation for the **Delhi University Flower Show**, held on February 24, 2025. During this period, the campus reached a state of peak aesthetic appeal, with all botanical sections including the front lawn and gardens, the herbal and rose gardens and the rockery along with all the many green areas in college in full bloom.

New boards are being put up in the two herbal and medicinal plant gardens to increase awareness about the scientific names and uses of many plants including everyday culinary herbs and fruit trees as well as rare and exotic medicinal plants, in continuity with the biodiversity of the college.

A new **water pond** was **installed** on the front lawn and inaugurated by the Principal, Prof. Swati Pal, on February 5, 2026. The large pot was painted with great artistry by the students of **Kalakriti**. It contains water plants such as lotus and rural lily varieties, as well as **Brahmi**, water cabbage, and an ornamental branch with a bird's nest. The pond also features fish swimming within its ecosystem.

The **remodeling of the front gardens**—including landscaping around the fountain area and the garden plots—was undertaken in January and February 2026. These plots now feature rows of tulips, lilies, and other plants alongside newly renovated hedges. Furthermore, the cactus house and nursery are now surrounded by a wide variety of potted flowers, succulents, cacti, and lush foliage. Hanging baskets are overflowing with vibrant, golden-orange nasturtiums.

As part of recycling containers, used matkas/ earthen water pitchers were planted with nasturtium and other varieties and displayed near the canteen in an aesthetically tilted frame that pours out brilliant blooms in spring.

The college was visited by the *Indraprastha Horticultural Society's* garden show team in February 2026. The faculty learned a great deal from the visiting team about bonsais, terrariums, and green practices to nurture the college's Ridge heritage. The visitors were highly appreciative of the fresh air at JDMC—a direct result of its extensive greenery—and the college's commitment to making a difference. They specifically commended efforts such as seed recycling, solar power, waste management, and rainwater harvesting, as well as the hostel's kitchen garden (maintained by **Avani**) and the overall beauty of the well-maintained grounds.

Many **new varieties** of medicinal plants, flowers and roses were **added** through the year. The garden lining the office corridor is also being constantly renovated. The Rockery was pruned, cleaned and restocked as well.

Pebbles and stone art were used to add visual interest to various gardens including the new water pond.

Tulip bulbs were planted and used to produce new ones.

The *World Environment Day* was celebrated on June 5, 2025. Saplings were planted on June 5, 2025 as well as on September 7, 2025 by the Principal, teachers and students.

The college garden continues to supply planters for various events and celebrations. The faculty oversees the decoration of venues for all major events, including *Symphony '25*, using homegrown flowers and foliage plants. As a result, both the society and the gardens have become remarkably self-sustaining.

At a time when public discourse is often loud and fleeting, the Ethos Literary Festival offered a day of sustained quietude, thoughtful conversation, and literary grace. Returning for its fourth edition on Saturday at Tango, Ambassador, the event brought together poets, academics, editors, and cultural commentators for what has become one of the more intimate gatherings on India's literary calendar.

Organised by Hawakal, the independent publishing house known for its poetry catalogues, the 2025 edition of Ethos remained true to its ethos: "letters and lore, lifestyle and legacy." This year, that sensibility found expression in a deeply curated mix of book launches, poetry readings, and nuanced discussions.

Bharat News Media 3 July 2025

नई दिल्ली, बीएनएम न्यूज: शिक्षा का क्षेत्र सदैव ही समाज के विकास का आधार रहा है और इस विकास में समावेशिता का स्थान सर्वोपरि है। जब हम शिक्षा के माध्यम से समाज में बदलाव लाने की बात करते हैं तो यह जरूरी हो जाता है कि हम सभी वर्गों, समुदायों और व्यक्तियों को बराबर का अवसर एवं स्थान दें। इसी संकल्प के साथ जानकी देवी मेमोरियल कॉलेज (दिल्ली विश्वविद्यालय) की प्राचार्या प्रो. स्वाति पाल ने अपने वक्तव्य में स्पष्ट रूप से कहा कि "शिक्षा में समावेशिता अनिवार्य है।" उनके इस कथन ने न केवल शिक्षा के क्षेत्र में एक नई दिशा की ओर संकेत किया बल्कि इस विचार को समाज में व्यापक रूप से फैलाने का भी प्रयास किया। समारोह का आयोजन भारत में साहित्य और सामाजिक जागरूकता को प्रोत्साहित करने के उद्देश्य से किया गया था, जहां विभिन्न विद्वान, छात्र, और साहित्यकार एक साथ आए।

समावेशी शिक्षा ही है सामाजिक बदलाव की कुंजी: प्रो. स्वाति पाल

जन जागरण संदेश

जानकी देवी मेमोरियल कॉलेज (दिल्ली विश्वविद्यालय) और गिल्ड ऑफ सर्विस के संयुक्त तत्वावधान में कल इंडिया इंटरनेशनल सेंटर, दिल्ली में 'स्पीकिंग (ऑफ) विडोज' पुस्तक का लोकार्पण समारोह आयोजित किया गया। यह पुस्तक प्रो. नमिता सेठी, प्रो. वी. राजलक्ष्मी और श्री तरुण शर्मा द्वारा संयुक्त रूप से संपादित की गई है। कार्यक्रम में शिक्षाविदों, छात्रों, साहित्य प्रेमियों और सामाजिक कार्यकर्ताओं की गरिमामयी उपस्थिति रही। इस पुस्तक के माध्यम से भारतीय समाज में विधवाओं की स्थिति, उनके प्रति समाज की सोच और सांस्कृतिक रूढ़ियों पर गंभीर विमर्श को स्थान दिया गया है। समारोह की मुख्य वक्ता, जानकी देवी मेमोरियल कॉलेज की प्राचार्या प्रो. स्वाति पाल ने अपने उद्घाटन भाषण में शिक्षा में समावेशिता के महत्व पर जोर देते हुए कहा, अगर हम एक न्यायसंगत समाज की कल्पना करते हैं, तो शिक्षा को समावेशी बनाना हमारी प्राथमिकता होनी चाहिए।उन्होंने कहा कि ऐसी पुस्तकें न केवल सोच को झकझोरती हैं, बल्कि छात्रों को अनुभव आधारित शिक्षा का अवसर भी देती हैं। कार्यक्रम में कॉलेज के छात्रों द्वारा प्रस्तुत अनुभव साझा किए गए, जिनमें उन्होंने इस परियोजना के दौरान हुए अपने व्यक्तिगत और बौद्धिक बदलावों को बेहद प्रभावशाली ढंग से प्रस्तुत किया। गिल्ड ऑफ सर्विस की अध्यक्षा सुश्री मीरा खन्ना और उपाध्यक्ष प्रो. मालाश्री लाल ने संपादकों, जानकी देवी कॉलेज और छात्रों के प्रयासों की सराहना करते हुए कहा कि यह पुस्तक केवल साहित्यिक योगदान नहीं, बल्कि सामाजिक चेतना की दिशा में एक महत्वपूर्ण कदम है। "स्पीकिंग (ऑफ) विडोज" न केवल विधवाओं की आवाज को मुख्यधारा में लाने का प्रयास है, बल्कि यह समाज में संवेदनशीलता और समझ को भी बढ़ावा देती है।
