<http://jdm.du.ac.in/avani.html>

One of AVANI's key initiatives has been to create a plastic-free campus. Each year, students are educated on the importance of reducing plastic usage through slogan and poster campaigns, webinars, and various academic activities. Both short- and long-term campaigns support the goal of maintaining a plastic-free environment, and the college adheres to the government's ban on single-use plastics.

An ISO 21001 : 2018 and ISO 9001 : 2015 Certified and NAAC Accredited 'A+' College

Since 2010, AVANI has organized an annual event called "Create from Waste" to inspire youth to understand waste and the implications of plastic. This event encourages students to recognize the significance of minimizing waste and maintaining a small garbage footprint. Participants are given various types of waste materials and tasked with creating new items, promoting the values of reusing and recycling.

In September 2022, AVANI signed a Memorandum of Understanding with Ms Parul Sethi, who will consult on the design, facilitation, monitoring, and implementation of the Kitchen Garden and Biodiversity Trail as part of an ecological restoration initiative.

To further demonstrate its commitment to a clean and healthy environment, AVANI celebrated World Toilet Day in November 2022 by honoring 14 Sulabh workers for their efforts in maintaining cleanliness and hygiene at the college, and organizing a poetry competition themed around "Swacch."

Avani-the Environment Club, celebrated World Toilet Day on November 24, 2023, acknowledging the safai karamcharis for their selfless contributions. As a part of the celebration various fun activities and refreshments were organised. The safai karamcharis were presented stolls/muffler, a handmade cloth bag, and a sweet box as tokens of appreciation.

On November 19, 2024, Avani, the Environment Club of Janki Devi Memorial College (JDMC) hosted a special event to celebrate World Toilet Day. The purpose of the event was to raise awareness about the significance of sanitation and hygiene while honoring the diligent efforts of the college cleaning staff, who are essential in keeping the campus clean and healthy.

आइ एस ओ 21001 : 2018 व आइ एस ओ 9001 : 2015 प्रमाणित एवं NAAC प्रत्यायित A+ महाविद्यालय  
An ISO 21001 : 2018 and ISO 9001 : 2015 Certified and NAAC Accredited 'A+' College

### Memorandum of Understanding

Between Janki Devi Memorial College and Mr. Puran Singh Negi (Krishna's Kitchen Garden)

As per this MoU, Mr. Puran Singh Negi, (the "consultant") will be involved as the consultant to design, facilitate implementation and monitor Janki Devi Memorial College Kitchen Garden from 1st September 2024 to 31st August 2025.

#### JDMC Kitchen Garden

JDMC kitchen garden will consist of roughly 600 sq ft of growing space in which AVANI students can get involved to observe, work on and harvest the produce over a period of 6-8 weeks.

#### Consultant

- Site analysis & designing the garden
- Making a list and getting of plants and quantity of seeds required according to the seasons and the needs of the college.
- Facilitating and guiding college *maalis* and volunteer students for creating beds and planting vegetables (annuals and perennials) according to the design.
- Making and sharing daily maintenance tasks with *maalis* and volunteer students.

#### JDMC

The college's role in the kitchen garden will be the following:

- Allocating a space for the garden with protection from animals.
- Allocating the required resources (*maali*, watering arrangements) etc. and tools whenever required.
- The daily tasks of watering, weeding and, at a later stage, harvesting.
- Coordinating with volunteer students and organizing a roster for them to be able to attend the maintenance/knowledge sharing sessions.

### ENVIRONMENT POLICY

Janki Devi Memorial College, University of Delhi, commits itself to consciousness and sensitization to the environment in the following ways:

1. The College will strive to uphold the vision of its founder, Shri Brij Krishan Chandiwalla to maintain a green campus in keeping with the government's swachhata mission.
2. The College will endeavor to build a safe and clean environment by following all measures to reduce carbon footprint and follow all rules and regulations of the government vis-a-vis the environment.
3. The College will encourage initiatives as well as research projects on ecosystem, ecological awareness, biodiversity, conservation, energy efficiency, climate change etc. The College will take its individual measures, emulate the best practices of its peers and collaborate with other organizations to achieve these goals.
4. The College will attempt to engage with other communities especially from rural areas (villages) and sensitize them about environmental issues and lead them towards sustainable goals.
5. The College will motivate students to be involved and committed to the environment by developing conscious habits that are environment friendly, use resources judiciously and move towards a minimalist way of living.

  
(Ms. Vandana Madan)  
Convenor, Avani  
Environment Society

  
(Prof Swati Pal)  
Principal

### Avani disposes of waste in collaboration with Scrap Uncle

On October 9, 2024 Avani, The Environment Club of Janki Devi Memorial College—organised a paper recycling drive to promote environmental awareness and sustainability within the college community. The event aimed to encourage students and staff to donate paper waste for recycling. The drive saw enthusiastic participation, with several students and staff members bringing in their accumulated paper waste. By the end of the drive, a total of 70 tons of paper waste was collected. This initiative was organized in collaboration with "Scrapbook Uncle", a local recycling agent, to whom the collected paper was handed over for proper recycling.

The event successfully contributed to waste reduction and emphasized the importance of recycling as a step towards environmental conservation. Avani continues to be a driving force in promoting sustainable practices within the college.

## 9. Zero Emissions Day

On Zero Emissions Day September 21, 2024 Avani, The Environment Club collaborated with Anubhuti, The Dramatics Club, JDMC and organised a successful event to promote environmental protection. Participants went on a rally around college to spread awareness of reducing carbon emissions. Slogans such as, “clearer sky clean future”, “no emission just pollution” and “dry waste clean more” were used. The celebration fostered community engagement and a shared sense of responsibility, encouraging everyone to reduce their carbon emissions. Our collective commitment to these pledges marks a positive step towards a more sustainable future.

### 10. Landscaping with trees and plants

The campus boasts a **green cover that encompasses 42.73% (14,544 m<sup>2</sup>) of the total area**. There are 300 trees on the college grounds, representing 45 unique species. The most abundant species is Neem (*Azadirachta indica*), followed by Champa (*Plumeria rubra*) and Ashok (*Polyalthia longifolia*). Additionally, the campus features well-established Banyan trees (*Ficus benghalensis*), which serve as a keystone species, providing figs that nourish a diverse range of animals, including various bird species. Other tree species on campus include Imli (*Tamarindus indica*), Jamun (*Syzygium cumini*), Cycas (*Cycas sp.*), Firangipani (*Plumeria obtuse*), and Mango (*Mangifera indica*), all of which require less water and help maintain a healthy water table.

Total Land Area Occupied	
Description	Area in Square Mts
Constructed Area	8,014
Green Area inside the boundary (Green area includes any area which has grass cover, tree cover and horticulture)	25,425
Unconstructed barren area or others	2,839
<b>Total Land Area</b>	<b>43,109</b>

The college features a dedicated nursery and herbal garden that includes a variety of medicinal plants. Upvan, the herbal garden, has documented **87 medicinal species, such as Ashwagandha (Withania somnifera), Rosemary (Salvia rosmarinus), Shatavari (Asparagus racemosus), and Basil (Ocimum basilicum)**. The college's garden committee has received several awards for its efforts in maintaining these plant species.

The garden participated in the 65th Annual Flower Show in 2022, earning numerous prizes in categories such as 'Succulents and Cacti Pots,' 'Bonsai Plants,' 'Potted Plants: Tagetes (Marigold), Verbena,' and 'Foliage Plants.' The lush open green spaces, surrounded by trees and shrubs, contribute to a clean and green environment on campus.

In the 65th Annual Flower Show of the University of Delhi held on March 2, 2023, the college won five third prizes and four-second prizes in categories including cactus, succulent, annual flowers, bulbs, and cleanliness, as well as the first prize for the best rose garden. In the 66<sup>th</sup> Annual Flower Show of the University of Delhi held on 2024, the college won various prizes.

In the 67<sup>th</sup> Annual Flower Show of the University of Delhi held on 2025, the college won various prizes.

### 13. Campus Nursery Management

For initiating the campus nursery, the seeds from trees and shrubs in and around the campus are collected. They have the capacity to survive on the campus as well as they are native to the campus. They are planted in the campus nursery and kept under the supervision of a trained nursery manager. These saplings from the campus nursery are planted in empty and barren spaces, in and around the campus. The college relies on a self-sustainable model for plant protection and sustainable gardening. We generate 40 kgs/ week of compost from organic solid waste used for gardening purposes in college. This ensures less dependence on chemical fertilizers and less environmental pollution. The college uses sprinkler systems for gardening purposes to ensure water conservation. The campus has a football ground (100 X 60 meters), a basketball court, a handball court, and an open-air gym. The football ground is maintained to ensure greenery on the campus.

Website Link: <https://jdm.du.ac.in/upvan.html>

The faculty members of the Gardening committee and the support staff explained the initiatives taken by the college to increase the green cover, maintain the nursery and herbal garden, and plant protection management.

### 15. Prof. Swati Pal (Principal, JDMC) along with faculty members of the college

On World Environment Day, June 5, 2024 a collaborative plantation drive was organized by Avani: The Environment club, NCC, and NSS, marking a significant contribution to environmental conservation. Volunteers came together to plant a variety of saplings, aimed at increasing local greenery and improving air quality. The event underscored the importance of collective action in addressing climate change and promoting sustainability. Participants engaged in educational activities about the benefits of trees and the role they play in a healthy ecosystem. The successful drive exemplified how community efforts can lead to meaningful environmental impact and foster a stronger commitment to protecting our planet.

### 17. College Students Participate in Plantation Drive: Transferring Plants and Committing to Ongoing Care

The college has a designated eco zone where students previously grew vegetables and maintained their gardens. Compost for this area is sourced from the college canteen. Students have worked in groups to cultivate the zone successfully. Before the lockdown, the Ecozone was relocated, and work is set to resume soon. Additionally, an open gym has been constructed near the college grounds. Recently, the college signed a Memorandum of Understanding with Edible Roots to develop a kitchen garden and a nature trail.

### 18. The Hostel Kitchen Garden Sells its First Harvest

The Principal of the JDMC, Prof. Swati Pal inaugurated the Hostel Kitchen Garden, Krishna's Kitchen set up by Avani, the Environment Club of the college on January 12, 2023 by being the first to purchase from its harvest. The harvest consisted of vegetables like tatsoi, bokchoy and red lettuce. These were put on sale by the team Avani to the faculty members of the college at a nominal price. A total sale worth Rs 250/- was made of the first harvest from the Hostel Kitchen Garden.

Avani entered into an Mou with Mr Puran Singh Neigi for the maintenance and upkeep of Krishna's Kitchen Garden on September 4, 2023. Post the signing of the Mou Mr. Neigi inspected the garden and made suggestions for the winter vegetables, he will be planting the following months.

### 19. Winter Planting in the Krishna's Kitchen Garden

On September 26, 2023 Avani, the Environment Club, JDMC commenced the planting of vegetables in Krishna's Kitchen Garden for the forthcoming winter season and celebrated International Environment Health Day. The vegetables planted included fenugreek, spinach, red round radish, beetroot, cabbage, cauliflower, broccoli, French beans, coriander red, and green lettuce. The students from team Avani joined in the planting activity and had a fun-filled experience.

The Environment Club of Janki Devi Memorial College (JDMC), under the aegis of IQAC, organised the inaugural of E(co)-Mart from October 23-25, 2024. This event, held at the JDMC Triangle, aimed to promote sustainable living by offering eco-friendly products that were produced or assembled on the college campus. The E(co)-Mart aligns with JDMC's commitment to environmental consciousness, encouraging students and faculty to adopt sustainable practices.

#### Items Available:

Compost for plants-1. Dry compost 2. Wet compost  
Diyas handpainted by Jdmc students  
Candles handpainted by Jdmc students  
Cloth Bags made by recycled material  
Handmade Paper Bookmarks from recycled paper  
Kitchen Garden Vegetables grown on campus.

Organised by Avani members with guidance from faculty, including Ms. Vandana Madan and Prof. Swati Pal, the E(co)-Mart emphasised JDMC's commitment to environmental awareness and sustainable practices. It inspired students to make greener choices, contributing to a more eco-conscious campus community.

## 21. Tree and Butterfly Census

In September to October 2015, we conducted a Tree Census at the college to gather data on our tree cover, making us one of the first colleges at DU to undertake such an initiative. This data is updated annually as JDMC adds new tree species each year. Alongside the Tree Census, we also carry out a Butterfly Census on campus.

## 21. Types of trees found on the college campus
