Ban on the use of Plastic

The college is working towards a plastic-free campus.

JANKI DEVI MEMORIAL COLLEGE (University Of Delhi)

Welcome to our GREEN CAMPUS

We at JDMC constantly strive to reduce our Carbon footprint.

Join us in making JDMC totally plastic free and commit to - “REDUCE, REFUSE, RECYCLE”

REDUCE plastic usage on our campus

REFUSE one-time useable plastic

RECYCLE and re-use whatever we can

“There are no passengers on Spaceship Earth. We are all crew.”-Marshall McLuhan
So let's get into action...

SAY YES TO... ✓	SAY NO TO... ✗
Reusable water bottle	One-time use bottled water
Paper or cloth bags	Plastic bags
Recycling and reuse	Creating trash
Steel or ceramic vessels to serve food	Plastic cups, bowls & plates to serve food
Refills and reusing pens	Single use pens
Food stored in non-plastic material	Food sold in plastic containers
New uses of old things	Buying new things every time
Reusable or biodegradable straws	Plastic Straws

Join Us...

Policy on Green Campus & Environmental Conservation

Scope of the Policy

The Green Campus and Environment Conservation Policy encourages both students and staff to take the initiative in driving positive change for environmental conservation. These efforts involve a comprehensive evaluation of all infrastructural and administrative functions with an emphasis on energy efficiency, sustainability, and environmental impact.

The focus areas of this policy are:

- Clean Campus Initiatives
- Landscaping Initiatives
- Clean Air Initiatives
- Infrastructure
 - Solar Power
 - Installation of Energy Efficient Equipment
 - Water conservation through Rainwater Harvesting System
- Waste Management Processes
 - Solid Waste Management
 - Liquid Waste Management
 - E-Waste Management
- Awareness Initiative
- Environment-Centric Student Societies/Clubs and Departmental Activities
- Green Audit
- Energy Audit
- Plastic Free Campus

Objectives of the Policy

- To protect and conserve the ecological systems and resources within the campus.
- To ensure the responsible use of environmental resources to meet the needs and aspirations of both present and future generations.
- To integrate environmental considerations into policies, plans, and programs for social development and outreach activities.
- To collaborate with all stakeholders and the local community to raise awareness, promote the adoption of environmentally friendly practices, and mitigate any adverse impacts on the environment.
- To continually enhance our efforts in climate protection, adapt to climate change, and conserve global resources.
- To improve the efficient use of all resources, including energy and water, while reducing consumption and waste production, with an emphasis on recovery and recycling.
- To achieve a plastic-free campus.
- To periodically conduct environmental and energy audits.
- To minimize paper usage in administration by implementing an E-governance policy.
- To reduce the campus's carbon footprint.

Clean Campus Initiatives

JDMC has pledged to actively coordinate cleanliness activities in the college and beyond the campus in accordance with the vision of *Swachh Bharat Abhiyan*. It is committed to continuing with this Programme.

जानकी देवी मेमोरियल कॉलेज JANKI DEVI MEMORIAL COLLEGE

(दिल्ली विश्वविद्यालय)/(University Of Delhi)

सर गंगा राम अस्पताल मार्ग, नई दिल्ली-110060
Sir Ganga Ram Hospital Marg, New Delhi-110060

An ISO 21001 : 2018 and ISO 9001 : 2015 Certified and NAAC Accredited 'A+' College

The broad vision is as follows:

- Raising mass awareness about cleanliness and hygiene among students and staff through regular cleanliness drives, aimed at motivating proactive participation.
- Activities under **Swachh Bharat Abhiyan** will play a crucial role in all community work undertaken by NSS and college volunteers.
- Staff members are encouraged to actively participate in **cleanliness drives** on campus.
- Removal of all types of **waste materials**, including broken furniture and unusable equipment.
- Students and staff will take an annual pledge to maintain the cleanliness of the college campus and its surrounding areas.
- A commitment to manage waste effectively and ensure a clean campus, especially during college events.

Landscaping Initiatives

It is a vital part of the life of a campus, providing space for study, play, outdoor events, relaxation and aesthetic appreciation. Green campus landscapes also manage runoff, help recharge groundwater, and clean and cool the air on campus. The landscape serves as a visual representation of the campus community's commitment to sustainability. As campus landscapes are so visible and accessible, landscaping initiatives are a great way to build awareness around the environment. The landscape of trees and plants provide the 3000+ students and staff with clean and cool air and is a soothing environment. The diverse green cover of Janki Devi Memorial College is also home to number rare birds, creating a campus rich in biodiversity. The college commits to enriching this healthy habitat and maintaining the symbiotic relation of the institution with nature by

An ISO 21001 : 2018 and ISO 9001 : 2015 Certified and NAAC Accredited 'A+' College

- Organizing tree plantation drives
- Encouraging student clubs to hold tree planting events

Clean Air Initiatives

Our students and staff are encouraged to use public transportation. The entry of automobiles inside the campus is restricted to discourage the use of private vehicles. Our campus is also located adjacent to the Ridge which is called as the “Lungs of Delhi” . For this reason, we feel responsible to maintain our green cover. The abundant natural landscape cleans the air on campus.

Infrastructural Initiatives

- Renewable Sources of Energy – JDMC is dedicated to minimizing and sustainably manage its use of electricity. The college believes in reducing the consumption of electricity produced by non-renewable resources by switching to clean energy sources like solar energy for purposes like lighting the campus. Hence solar panels were installed on top roof of the college building.
- Energy Saving and Energy Efficient Equipment – We are committed to installation of environment-friendly electrical appliances that save energy and reduce wasteful inefficiencies. The college believes in using cleaner energy such as LED lighting.
- Water conservation through Rain Water Harvesting – JDMC has committed itself to the effort to replenish the groundwater table by practicing rainwater harvesting. This practice helps in the replenishment and recharge of the groundwater.

- Composting Facility-The college has composting facilities for conversion of biodegradable waster into manure. This process further helps in improving the green cover of the campus.

Waste Management Process

JDMC strives to have a minimal adverse impact on the environment and is dedicated to reduce and manage the waste generated by the college campus. The following specific procedures will be undertaken to ensure JDMC contribution in protecting the environment.

- **Solid Waste Management** – With its aim to provide holistic education that also has a positive impact on the environment, the college will adopt practices that will mitigate the generation, and manage solid waste through the following methods:
 - Systematically engage with the 4Rs of environment friendliness (Reduce, Reuse Recycle and Recover).
 - Collect paper waste produced on campus and collaborate with scrap dealers for recycling.
 - Reduce solid waste by developing a technology-centric teaching and administrative model.
 - Reduce use of paper by supporting digitization of attendance and internal assessment records.
 - Reduce requirement of printed books by updating the e-books and e-journals collection of the college library.
 - Take initiatives to spread awareness amongst students about
 - Food wastage and ways of minimizing it

- Minimizing the use of packaged food
- The habit of reusing and recycling non-biodegradable products
- Organizing workshops/webinars for students on related issues

- Liquid Waste Management
 - Maintain leak proof water fixtures.
 - Minimize the use of water by constructing efficient toilets.
 - Continued employment of a caretaker to take immediate steps to stop any water leakage through taps, pipes, tanks, toilet flush etc.
- E-Waste Management – JDMC ensures that its usage of technology and generation of e-waste does not impact the environment. For this purpose, the college plans to strive towards:
 - More provisions for the disposal of the institutional e-waste.
 - Awareness amongst students about reduction of e-waste and environment friendly disposal practices for e-waste.
 - Encouraging department and society level activities pertaining to e-waste management.

Green Audit

The college regularly conducts a Green Audit of our college campus to assess our strengths and weaknesses to further our goals of long-term sustainability. A green audit is a useful tool to determine how and where most energy or water or resources are being used. The college can then consider how to implement changes and make savings. It can determine the type and volume of waste. Recycling projects or waste minimization plans can be adopted. It will create health

consciousness and promote environmental values and ethics. It provides a better understanding of the impact of eco-friendly practices on campus. Green auditing will promote financial savings through the reduction of resource use. The college must evaluate its own contributions toward a sustainable future.

Energy Audit

An Energy Audit to be conducted as and when required to further reduce its carbon footprint. The importance of reducing energy consumption cannot be overstated. The energy audit, with its specialized tools, will identify wastage of energy. Such an inspection often reveals several different flaws that cause a loss of significant amounts of energy which the college will not be able to detect. These flaws often have easy and affordable solutions and provide significant savings.

Plastic Free Campus

JDMC has been observing most of its duties in terms of solid waste management since its inception. In view of the Government of India's resolution to ban all single use plastics due to the hazardous impact of plastic use and pollution, the college administration strictly bans the use of single use plastics in its premise to make it "Plastic Free Campus".

Janki Devi Memorial College
Delhi

Subject: NEI-Appreciation Letter /2024-25: Reg

Dear Deepak ji,

It is with great admiration and heartfelt appreciation that I extend my congratulations to you and your esteemed college for winning the prestigious award in the field of environment. This remarkable achievement stands as a testament to the extraordinary efforts and unwavering dedication that you and your team have invested.

Your tireless work in promoting environmental sustainability, educating students on the importance of conservation, and implementing innovative practices has not only brought great honor to your college but also set an inspiring example for institutions across the nation. The impact of your efforts reaches far beyond the confines of your campus, fostering a brighter and more sustainable future for all.

I have been deeply moved by the reports you have produced. The depth of research, the clarity of vision, and the passion for environmental stewardship that shine through these documents are beyond my expectations. It is evident that you have poured your heart and soul into this work, and your commitment is truly exemplary.

I understand that due to certain circumstances, you were unable to submit your nomination for the Award of Honour for Best Teacher. However, please know that your contributions have not gone unnoticed. It is my privilege to recognize and celebrate the profound impact you have made in both education and environmental conservation.

We deeply appreciate your dedication and hard work, which inspire us all. We look forward to continuing our collaboration with you and your college. Thank you for your extraordinary contributions, and best wishes for your continued success.

With heartfelt gratitude,

Samarth Sharma
