Dear Ma'am,
The installation of the NVDA is completed for 5 laptops only.
The other 5 desktops were running windows 7, there were compatibility issues.
As I already informed you, I copied the VocaliserLicense.ini file on every laptop in the documents folder which I Completed.
Here I am sharing the Details of the licenses for Completed 5 laptops.

3. MOU with SAKSHAM

<p>Memorandum of Understanding (MOU)</p> <p>Janki Devi Memorial College, DU</p>  <p>And</p> <p>SAKSHAM Trust</p> <p>SAKSHAM disability</p> <p>An Initiative towards Creating Opportunities for Inclusion of Students with Blindness and Low Vision in Higher Education</p> 	<p>This Memorandum of Understanding (herein after called the 'MOU') is entered into on 07th day of August Two Thousand and Twenty one (05.08.2021) by and between</p> <p>Janki Devi Memorial College (JDMLC), Delhi University, Delhi 110 060, The First Party represented herein by its Principal/Representative (herein after referred as 'First Party', the institution whose expression, unless excluded by or in respect to the subject or context shall include its successors - in office, administrators and assign),</p> <p>AND</p> <p>SAKSHAM Trust, 405, Double Storey, New Rajinder Nagar, New Delhi - 110 005, The Second Party, and represented herein by its Founder Managing Trustee, Dipendra Manocha, hereinafter referred to as 'Second Party' organization which expression, unless excluded by or in respect to be subject or context shall include its successors - in office, administrators and assign).</p> <p>(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as</p> <p>WHERE AS:</p> <p>A. First Party is a Higher Educational Institution named:</p> <p>1. Janki Devi Memorial College (JDMLC), Delhi University</p> <p>B. First Party and Second Party believe that collaboration and cooperation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.</p> <p>C. The Parties intend to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, provision of Assistive Technology Solutions and workshops for students with visual impairment, associated staff members and peer group.</p> <p>D. Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.</p> <p>E. SAKSHAM Trust, the Second Party, is engaged in providing various service for education and empowerment of students with visual impairment. SAKSHAM Trust, a non-profit organization registered as charitable trust on 16th February 2021, created with the sole purpose of empowering persons with visual impairment and print disabled. It plays a key role in advocacy and act as a service provider in the field of rehabilitation, education, training and offering assistive technology solutions for students with visual impairment.</p> 
<p>NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:</p> <p>CLAUSE 1 CO-OPERATION</p> <p>1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.</p> <p>1.2 First Party and the Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable reading/training systems for the visually impaired students, keeping in mind the needs of the organization, the Second Party.</p> <p>1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.</p> <p>CLAUSE 2 SCOPE OF THE MOU</p> <p>Saksham in collaboration with Janki Devi Memorial college attempts to address the above-mentioned challenges through its multi-pronged approach and aims at taking students with visual impairment of the college ahead together with their sighted peers.</p> <p>2.1 Objectives of the collaboration</p> <ol style="list-style-type: none">1. Facilitate quality education for persons with blindness or low vision.2. Enable students and staff with blindness to read and write assignment and examinations in mainstream script.3. Provide books and instructional materials in accessible format to persons with blindness and low vision that can be read with eyes, ears and fingers <p>2.2 Focus Areas</p> <p>2.2.1 Ensure access of appropriate assistive technology solutions in an affordable manner</p> <p>As part of the program, a thorough assessment will be conducted to understand the specific needs of each beneficiary, based on which the most suitable assistive device will be made available to them.</p> <p>The range of assistive devices which have been shortlisted for this intervention include:</p> 	<ul style="list-style-type: none">• Laptop• Electronic (Refreshable) Braille Display• Android Smartphone with physical keyboard• DAISY player• Tactile Books <p>To ensure that these devices become affordable and obtainable for the end users, their cost will be subsidized/provided free of cost as per the subsidy schemes/funds available at Saksham</p> <p>2.2.2 Providing accessible content</p> <p>The study material (notes and reference material, text books in digital and braille format) of their syllabus will be made available to the students in accessible format which they can read with the help of provided devices.</p> <p>In addition, books with tactile-diagrams will also be made available to the students as per their requirement to aid them in education of subjects like Science, Mathematics, Geography, Economics etc. These books contain embossed tactile diagrams which can be explored by visually challenged students through touch of their fingers, and allow them to understand various diagrams, maps and other visual concepts that are highly critical and integral to the learning of these subjects.</p> <p>2.2.3 Membership of Sugamya Pustakalaya</p> <p>Janki Devi Memorial College will be made member of Sugamya Pustakalaya by paying a membership fee of INR 1000 and through which all the students with visual impairment of the institute will get access to thousands of books available on Sugamya Pustakalaya (on online library of accessible books), and the required content will be made available to them in E-text, audio and braille formats.</p> <p>2.2.4 Trainings and workshops</p> <p>It has been well documented and researched globally that training is vital for the successful adoption of any assistive technology and accelerate the process of cascading any new concept or program.</p> <ul style="list-style-type: none">• Therefore, Saksham will bundle up devices with the requisite training (duration of the training as per the complexity of the technology/device being provided). This will be given by Assistive technology trainers of Saksham.• Awareness and sensitization workshops will also be organized for the students, parents, staff members and supporting staff.• Training and orientation sessions will also be arranged for producing accessible content which will involve digitization of notes, preparing assignments and making images and diagrams accessible.• Employment Oriented workshops, trainings and courses will be provided regularly for guiding the students and help them on their career goals.

Outreach Activities

Some of our extension and outreach activities are as follows:-

EOC regularly organizes sensitization workshops for students and staff in collaboration with SAKSHAM.

Enabling Unit of JDMC started its programme of providing free meals to its students in collaboration with food for hungry and the same is now being continued through sponsorship by the coordinators of the Unit Dr S N Kulkarni and Dr Nivedita Sharma.

Samarth – Enabling Unit of JDMC in collaboration with SAKSHAM:

On 5th August 2021, Saksham signed a memorandum of understanding with Janki Devi Memorial College, Delhi University, for jointly undertaking a Project towards promoting inclusion and full participation of the students and individuals with disabilities in education and all other activities of the college. This initiative seeks to

- a. Ensure inclusion and reasonable accommodation by identifying the existing gaps and design and undertake the suitable activities to address these gaps.
- b. Conduct seminars, workshops and other such events towards ensuring greater awareness, sensitization and inclusion.

The following section of this document describes the activities undertaken as part of this project so far

Description of key activities:

A series of individual and group interactive sessions were held with all the visually challenged students to understand their challenges and requirements for participating in educational and other activities of the college to their fullest, identifying the existing gaps if any and planning strategies and further action to address these issues.

The first such group session was held on 24th of August, in which the members of enabling unit of the college, staff members of Saksham and students with visual impairment participated. The main purpose of this session was to familiarize the students with the overall programme, and get an initial understanding of their challenges and requirements. Some of the key points and questions which were touched upon during the course of this session include

- a. What is meant by an accessible format book.
- b. Do the students have books that they need to refer to in accessible format?
- c. books available in accessible format?
- d. How do they access books that are not available in accessible format?
- e. How do they write their assignments?
- f. How do they write their examinations?
- g. Brief description of reading and writing solutions
- h. What kind of recreational activities are they involved in?
- i. Do they participate in any societies of the college?

Following is some of the issues which the students highlighted during the course of this session:

- a. Issues faced by them in securing front seat in class.

- b. Difficulty in grasping visual information.
- c. Students are not allowed to record online classes.
- d. The students primarily use insta reader application on their phone for reading their study material, which is not very accessible.
- e. It is difficult for them to write on their own due to slow typing speed in Hindi.
- f. Requirement of computer training.
- g. Network issues in rural areas.
- h. Many students shared that they were unable to participate in online competitions due to network issues.

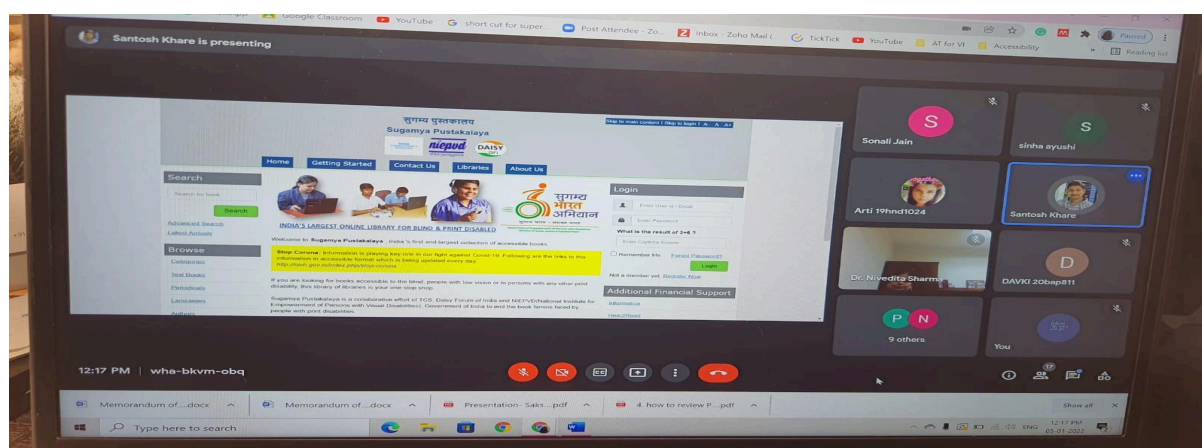

Individual interaction with students:

On 6th October, 1 2021 to 1 discussion were held with 8 out of 13 2nd and 3rd year students enrolled in various undergraduate courses at the college.

Background and profile of the students, access to and usage of assistive devices, requirement of books and other assistive solutions and facilities, their career aspirations and participation and involvement in other activities of college were some of the topics which were covered during these discussions.

Similar one to one sessions were also held with students of 1st year after their admission.

Ensuring access of students to required content:

With the objective to ensure that students are able to avail the desired content in accessible format, a training workshop was organized on 5th January 2022 that focused on searching and

downloading required books from Sugamya Pustakalaya and reading them with the help of user-friendly applications like Simply Reading App on smartphone.

Training for enhancing computer skills:

With the objective of upgrading the computer skills and knowhow of the students, Saksham organized a month-long online training on MS excel in February 2022. This training was attended by 13th year students from JDM College.

Career guidance workshops for students with visual impairment:

During the various interactive sessions held with the visually challenged students of the college, it was observed that the students lack information about different existing and emerging avenues of employment which are open for them. This lack of sufficient knowhow can prevent them from making an informed choice about their future and choosing the best career options for themselves.

To address this critical gap, Saksham started a series of career guidance workshops wherein sessions are being organized periodically on the job opportunities available in various sectors for persons with visual impairment. As part of these sessions, visually challenged individuals involved in different professions share their experiences and have an interactive discussions about the scope, required skills and other related aspects associated with a particular job option. The aim of these sessions is to not only provide an understanding about the various avenues of employment available for the STUDENTS, but to also lay the groundwork for providing them the necessary support and skills which they would require for pursuing their chosen career option.

The first session in this series was held on 25th February on the topic 'Career Opportunities in the Finance Sector for Visually Challenged Candidates'. As part of this session, a Visually impaired professional working as a senior analyst in a highly reputed financial company answered the queries of the participants about how they can join this sector and work on various lucrative positions.

Participation in this session was open for everyone, and the interested students could attend it via zoom by directly contacting us or filling out an online registration form.

The next session in this series was held on 6th of April, which focused on existing opportunities and required skills for obtaining a job in the field of banking. 2 visually challenged persons working as senior manager in a leading public sector bank shared their experiences with the participants during this session. Some of the points which were covered in the workshop include:

- b. Available job profiles in this sector.
- c. Avenues of career growth in the profession.
- d. Challenges faced by the persons with blindness in the sector.

Both the sessions were streamed live on our youtube channel where the students can visit and view them anytime.

Samarth- Enabling Unit of JDMC in collaboration with IDEA (Inclusive Divyangjan Entrepreneur Association) organized a Career Guidance and Skill Development workshop for students with Disabilities on 2nd May 2022 at 11:00 am in the Seminar Room. Mr Prithjit Lahiri, Social Entrepreneur is currently working on creating employment opportunities to the vast human capital. IDEA is a stakeholder organization working towards creating and fostering an ecosystem for economic empowerment of Persons with Disabilities through Employment, Self Employment and Entrepreneurship Opportunities. The vision of this organization is to make INDIA the INCLUSIVE Capital of the world. Thirty five students benefitted by this program across the colleges.

Sessions on challenges and available solutions for persons with low vision:

Saksham organized a comprehensive two-part webinar to address the needs of students and individuals with low vision. As part of this session, Dr. Sonia Srivastava, a senior faculty in the department of low vision optometry at the Shroff Charitable Eye Hospital shared her experiences of working with people newly diagnosed with low-vision conditions, and the rehabilitation strategies that follow diagnosis. This was followed by detailed presentations and demonstrations on various optical and non-optical aids and assistive technologies that can be used by persons with low vision for overcoming the many challenges which they face in their day to day activities.

The first session of this series was organized on 9th of February, followed by the session on 8th of March. Both the sessions can be viewed on Saksham's youtube channel

Saksham's visit to JDM College:

On 7th March 2022, a team from Saksham visited the college for a face to face meeting with the students, that consisted of Founder Managing Trustees of the organization Mr. Dipendra Manocha and Ms. Rummi Seth, along with Ms Sonali and Mr. Vikas. In addition to the team members from Saksham, the Convenors of Enabling Unit of JDMC Dr. Sudnya Kulkarni , Dr Nivedita Sharma and Ms Mamta participated in this meeting.

Workshop on mobility and navigation:

Based on the suggestions given by the students during the meeting held on 7th of March, an online workshop on mobility and navigation was organised for them on 21st April 2022, which focused on various fundamental mobility techniques that they can use on day to day basis along with latest smartphone apps that can aid them in traveling independently from one place to another. The workshop began with the resource person Dr. Piyush Chanana asking the students about the various challenges that they face in going from one place to another. Some of the challenges shared by the students included difficulties faced by them in identifying the bus numbers and boarding the bus, detecting obstacles in their path, issues in understanding vibration patterns of SmartCane etc.

An ISO 21001 : 2018 and ISO 9001 : 2015 Certified and NAAC Accredited 'A+' College

The three major aspects that were covered during the workshop include orientation, obstacle detection and navigation. Some basic tips were provided to the students to orient themselves and obtain a sense of direction in familiar environment, such as gaging one's direction through sun, installing compass app in the phone and utilising alternate senses like smell, hearing and light perception.

The next part of the session focused on mobility with white cane. Maintenance of cane, selection of the cane of correct height and shore lining were some of the things that were covered. This section was followed by a brief explanation about how to detect obstacles and traverse a path safely using SmartCane.

In the final part of the workshop, features of 4 navigation apps were discussed, namely, google maps, lasarillo, moovit and be my eyes.

Equipping the students with laptops:

With the objective to empower students to read, write and work independently, 14 students were provided with laptops under Saksham's subsidy scheme with the support of the college. Out of these 14 students, 6 of them are in 1st year, 4 in 2nd year, while the remaining 4 are in 3rd year.

The laptops provided to the students were configured and loaded with all requisite software's that can aid the students in reading, writing and performing other such day to day tasks.
