

**COURSE EXIT SURVEY: Analysis Report**  
**Academic Session: 2019-2020**

**Department:** Human Development & Family Empowerment (DSC)      **Program:** B.A(Prog)  
**Course Name:** Introduction to Human Development      **Course Code:** 62201208      **Semester:** II

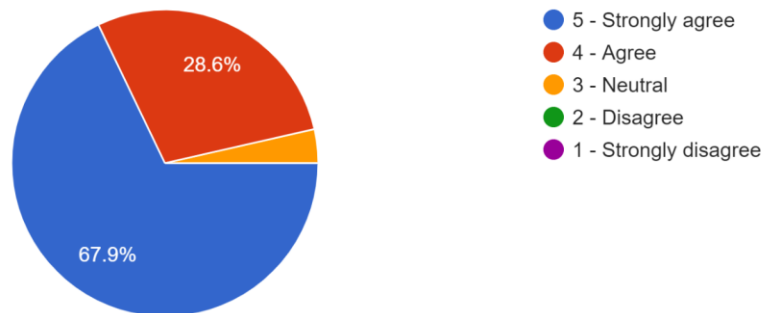

1. This course helped me to understand the field of human development and its significance.

28 responses

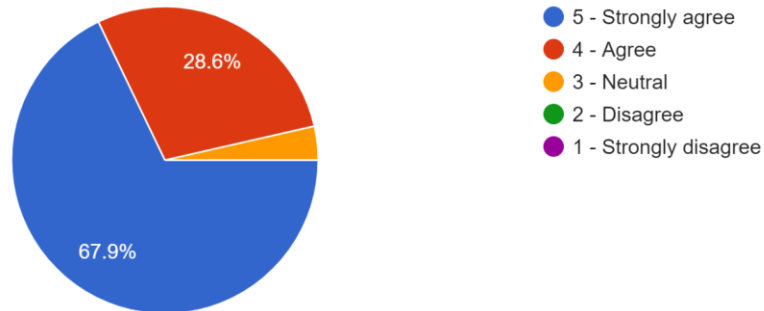

2. This course helped me to understand developmental changes occurring during the lifespan with respect to childhood, adolescence and adulthood.

28 responses

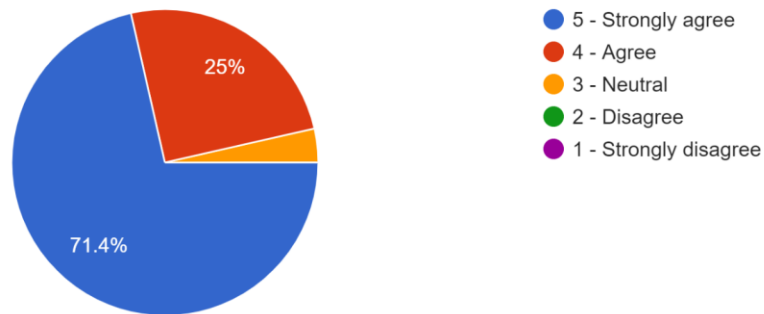

3. This course helped me to understand various stages of lifespan development with respect to conflicts and ways to deal with it.

28 responses

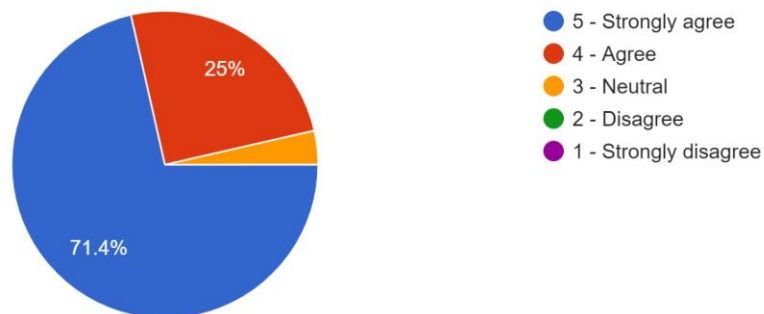

4. This course helped me to learn the basic skills of research and documentation and apply the knowledge of methods of data collection in real life situation.

28 responses

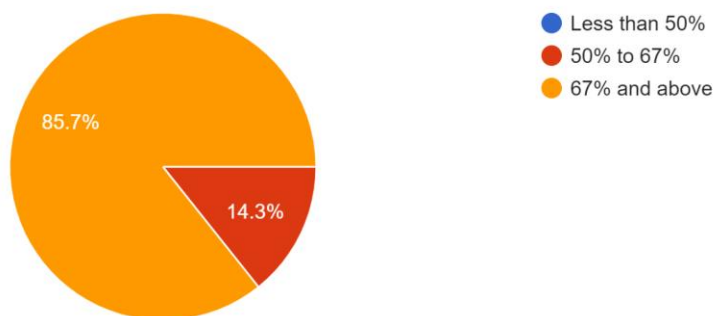

5. This course helped me to understand the needs of each stage across the lifespan.

28 responses

#### 6. Percentage of classes attended:

28 responses

#### **OBSERVATIONS:**

From the given responses, it is observed that around 90-96% of students strongly agreed and agreed that they got an understanding about the field of human development, its importance and developmental changes occurring during the lifespan. Majority of students responded that this course helped them to learn the basic skills of research and documentation.

It was also observed that students were interested in this course as 85.7% of the students had more than 67% (and above) attendance.

#### **ACTION TO BE TAKEN REPORT:**

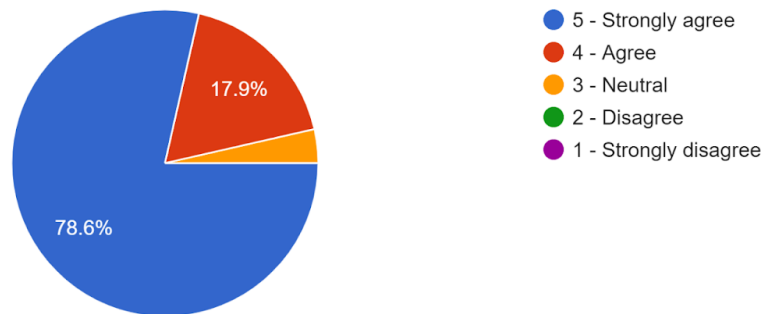

For a very few responses received - topics will be covered in remedial classes. The classes will be made more interesting and engaging using various innovative methods in order to ensure higher attendance.

**COURSE EXIT SURVEY: Analysis Report**  
**Academic Session: 2019-2020**

**Department:** Human Development & Family Empowerment      **Program:** B.A (Prog)  
**Course Name:** Principles of Child Development (DSC)    **Course Code:** 62201107    **Semester:** I

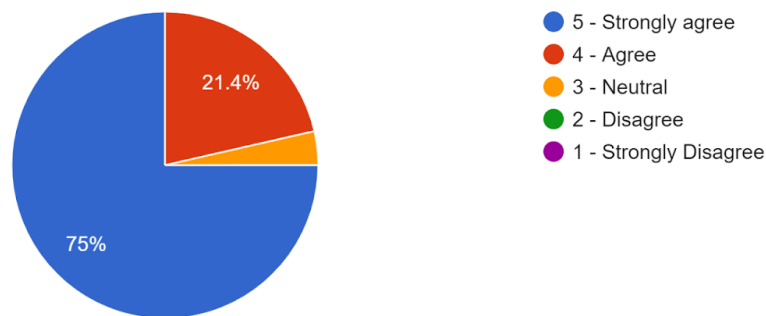

1. This course provided me the ability to get familiarized with the concept of child development as a field of study

28 responses

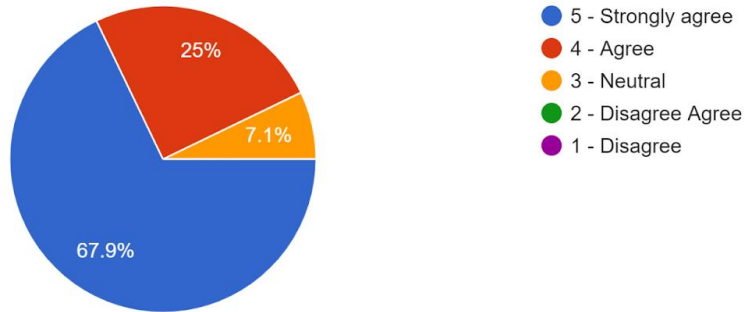

2. This course helped me to develop an understanding of the various stages of child development beginning with prenatal, neonate and infant development.

28 responses

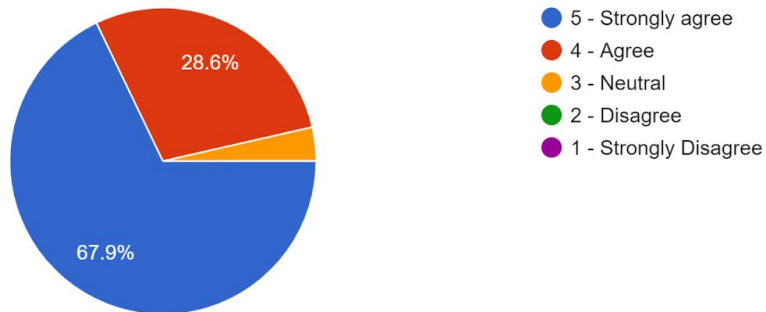

3. This course helped me to learn about the basics of techniques of data collection.

28 responses

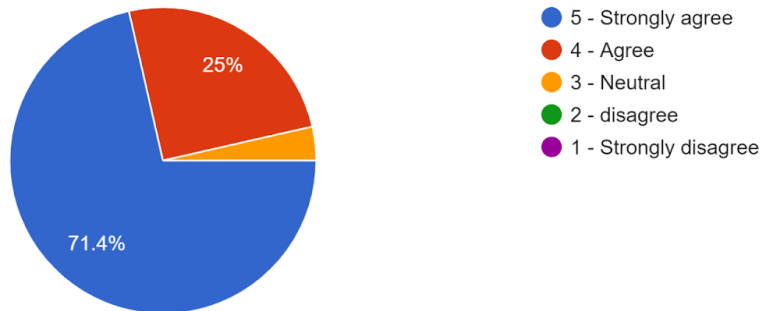

4. This course helped to understand the scope and utility (importance) of this course.

28 responses

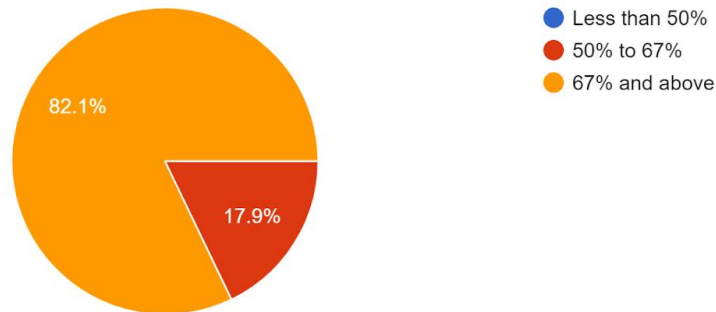

5. This course helped to understand the multidisciplinary nature of this course (linkage with other subjects).

28 responses

## 6. Percentage of classes attended:

28 responses

### **OBSERVATIONS:**

From the given responses, it is observed that around 93% - 95% of students strongly agreed and agreed that they got familiarized with the concept of child development as a field of study and its various stages. The majority of the students understood the scope and importance of this course, its multidisciplinary nature and learned about the basic techniques of data collection.

It was also observed that students were interested in this course as 82.1% of the students had more than 67% (and above) of attendance.

### **ACTION TO BE TAKEN REPORT:**

For the very few responses, topics will be covered in the tutorials and remedial classes using innovative teaching learning methods. The classes will be made more interesting and engaging in order to enhance attendance of the class.
