

Course Exit Survey: Semester III  
Batch: 2019-2022, Philosophy Honours

### Course I: Western Philosophy

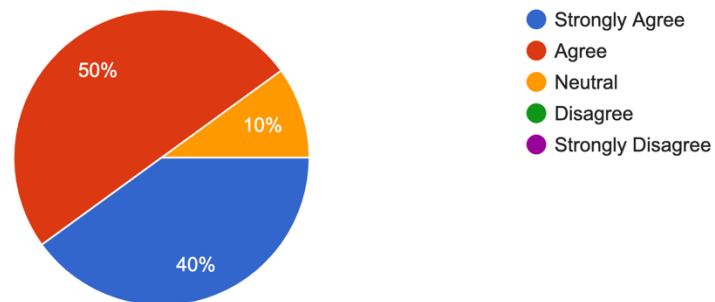

I have understood about the two broad divisions of rationalism and empiricism in Western philosophy and the reasons behind the divisions.

10 responses

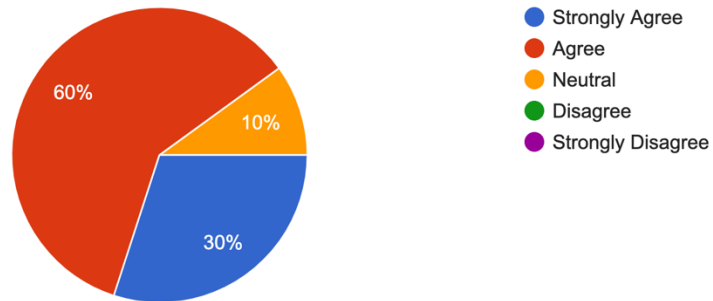

I have been able to comprehend the relentless search philosophers used to try and answer important questions about life.

10 responses

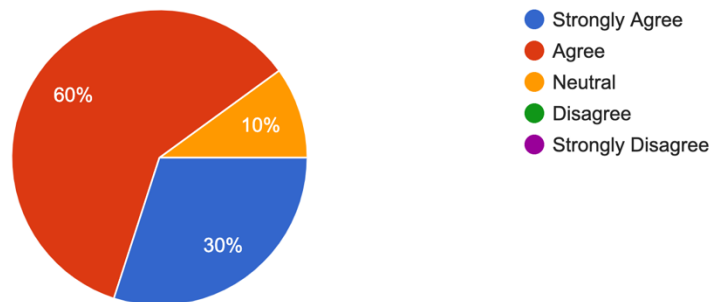

I have understood the basic concepts of epistemology, metaphysics as they have been understood by the two broad categories.

10 responses

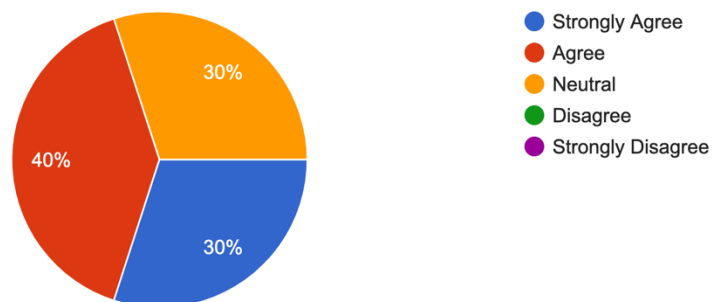

I have understood the basic concepts of epistemology, metaphysics as they have been understood by the two broad categories.

10 responses

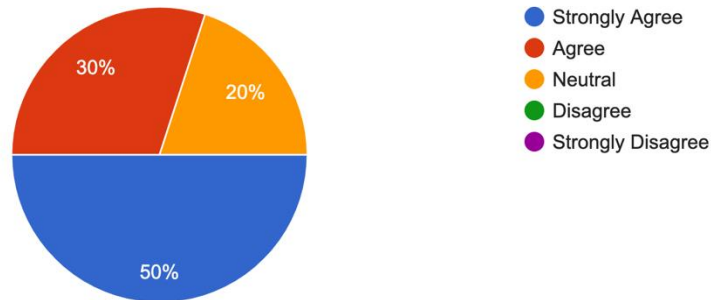

I have understood the reason Kant's philosophy is termed as critical, as it conflates the views of the two schools.

10 responses

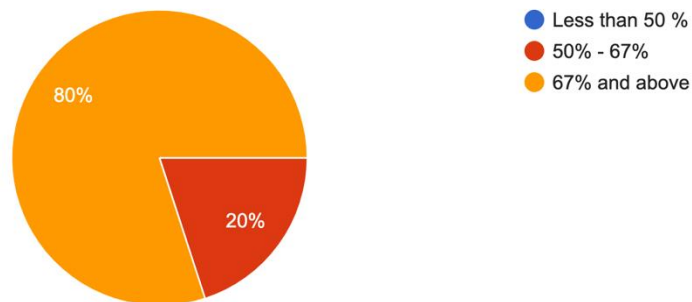

My understanding of the basic concepts of western philosophy has become clearer.

10 responses

How much was your attendance in this course?

10 responses

## OBSERVATIONS

From the responses given, it may be said that the students either strongly agree or agree on the fact that they found the course interesting and helpful in developing coping mechanisms to deal with practical problems. This course helps develop critical analysis skill, reasoning abilities which enhance the individual's decision-making skill.

## ACTION TO BE TAKEN REPORT:

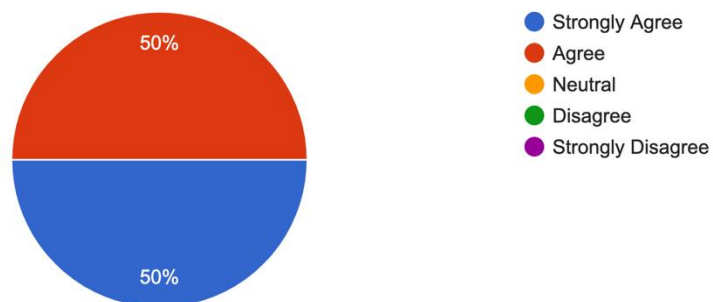

For the moderate responses, topics will be discussed more with the students in tutorials and remedial classes regularly. Debates and discussions would be organized more often. For the weak students, special classes will be held to discuss important questions with them. Measures

will be taken to make the subject more engaging and appealing to the students in order to ensure higher attendance on their part.

## Course II: Social and Political Philosophy

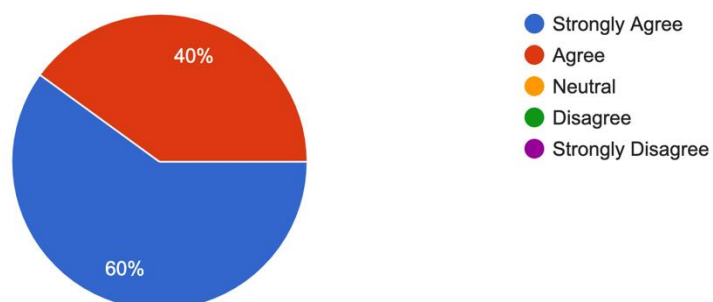

I inculcated a better understanding of the roles of citizens in democracy.

10 responses

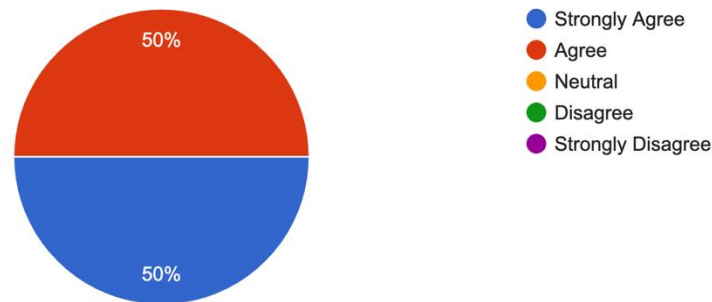

I developed the knowledge of individual and community rights.

10 responses

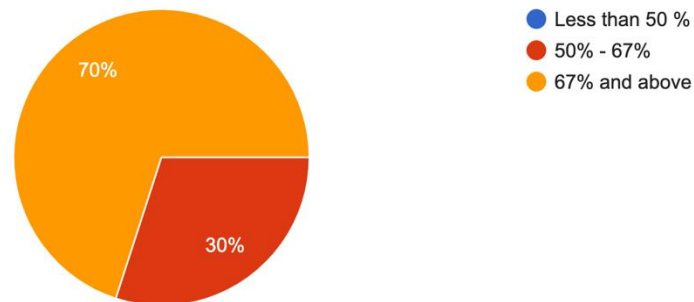

I developed the knowhow to live in a multicultural set up within the society:
