Janki Devi Memorial college, National Cadet Corps, 5DGBN successfully organized its session of the “Veerangana series 2021”. This session was held on 17th of January, 2021 on Zoom platform with “Lt. Commander Bijay Nair (Retd.)”. The topic of the session was, “Role of Women in nation building- special reference to Armed forces”.

This session was attended by Professor Swati Pal (Principal), Debahuti Brahmachari (JDMC NCC caretaker), other professors and over 200 cadets belonging to different schools and colleges as well as Ex NCC cadets who are now in different professions.

Our eyes shone like the colours of a rainbow. Our hearts beat together with high josh. This session with Mr. Bijay Nair was a complete package of knowledge. He enlightened the attendees with various aspects of roles of women in not only armed forces but also as an inspiration to the generation. The session very well covered even the basic details of how young girls could join the armed forces with different backgrounds. Also the event saw a positive slope during the question round by a good number of questions put forward by cadets.
