6. ONLINE INTERNSHIP AT LITTLE PLANET PRE SCHOOL - 10TH APRIL, 2020

Keeping children occupied at home is a herculean task for parents. The children have to stay indoors to be safe. To ease this difficult situation, fifteen students from the HDFE department created short videos which the parents can use. These were videos of stories, rhymes, creative activities using puppets & masks. This was an online internship initiative with 'Little Planet Pre School', Dwarka. The teaching learning material developed by the students for their curriculum is now being used for engaging children in these difficult times. As a department committed to well-being of children, we have volunteered to provide our support.

Project Work

- **Project on Early detection of white eye reflex in children**

The ongoing sensitization project on 'Early detection of white eye reflex in children' (underprivileged children) was launched in November, 2017. The Department of Human Development and Family Empowerment of Janki Devi Memorial College, has been actively working on Retinoblastoma, a life threatening cancer in children below six years of age. The students screen the eyes of the children with a smart phone in health centers, anganwadis, construction sites and hospitals. They also sensitize health workers, doctors and parents regarding this disease. Children from this project are referred to Centre for Sight. This project was conceptualized by Ms.Nirmala Muralidhar, faculty with the guidance of Dr.Vikas Menon, Consultant Ocular Oncology, Centre for Sight New Delhi.

The first and the second phase of the project have been successfully completed and now we are working on our third phase (about to complete) of this project.

Some activities covered under this project are:-

1. Project Certificates - 5th June, 2020

The II and III year students (63) of HDFE department, JDMC received collaborative certificates of achievement from Centre for Sight and Janki Devi Memorial College, University of Delhi, for actively working on the Project 'Early Detection and Screening of White Eye Reflex' from July, 2019 to May, 2020.

2. Online Poster making Competition - 26th May, 2020

Department of HDFE, JDMC in collaboration with Centre For Sight, New Delhi organised an online poster making competition on the occasion of World Retinoblastoma Awareness Week. The theme of the Online Poster making competition was, 'Creating Awareness on Retinoblastoma'. Around 54 students from 1st, 2nd and 3rd year (HDFE) participated in this competition.

On 26th May, 2020 the results of the online poster making competition were declared by Dr. Mahipal Sachdev, Chairman and medical director, Centre For Sight. Dr. Vikas Menon (Consultant, Ophthalmic Plastic Surgery, Ocular Oncology, Centre for Sight) shared his experience of judging this competition.

Winners of the Online Poster making competition were:-

- 1st Position – Anjali Sharma (2nd Year)
- 2nd Position - Amisha Sharma (3rd Yr) and Himanshi Kapoor (2nd Year)
- 3rd Position - Insha Majid (1st Year) and Qudsiya Mehwish (2nd Year)

All the participants received collaborative certificates of participation from Centre for Sight and Janki Devi Memorial College, University of Delhi.

3. Walkathon - Strides for Retinoblastoma Awareness - 25th February, 2020

The Department of HDFE, Janki Devi Memorial College in collaboration with Centre for Sight, Dwarka, organised a "Strides for Retinoblastoma Awareness" a public awareness campaign for Eye cancer in children on 25th February, 2020. Many people participated in the walkathon: students from JDMC, Bharati College & Aditi Mahavidyalaya, senior citizens, staff of CFS. After the walkathon, students presented a nuked natak (Street play) to create awareness about eye cancer in children. Dr. Mahipal Sachdev, Chairman, CFS addressed the gathering & appreciated the initiative. He thanked all the participants and presented memento to Ms. Nirmala Muralidhar.

4. World Cancer Day - 4th February, 2020

On the world cancer day, the department of HDFE organised an ‘Awareness and sensitisation campaign on Retinoblastoma’ in college and at Centre for Sight, Dwarka.

We launched ‘Internship program on Rehabilitative services in Oncology’ in the seminar room. The mentor for the internship is Dr Bhumika Rathore, founder and head for a Maxillofacial prosthetic unit at Safdarjung Enclave, New Delhi; certified for Ocular and Orbital prosthesis and mentor for Rehabilitative services through Maxillofacial prosthesis. Students also performed a street play to create awareness about retinoblastoma and distributed flyers.

The students and the faculty of the department conducted an awareness activity at Centre for sight, Dwarka, wherein they distributed flyers to the patients in the hospital and performed a street play, creating awareness and sensitising the people about retinoblastoma, its signs and symptoms and how to screen the white eye reflex with the help of a smart phone. The play was very well received by the patients and doctors of the hospital.

6. Sensitisation workshop at Delhi Police Training School - 21st August, 2019

The Department of HDFE in collaboration with CFS, New Delhi conducted a sensitisation workshop for 415 trainee constables at the Delhi Police Training School, Dwarka. A group of 40 students, faculty members and Dr. Vikas Menon from CFS, was involved in this activity. Students sensitized the trainees about retinoblastoma, its signs and symptoms and how to screen the white eye reflex with help of a smart phone. A Multimedia presentation on retinoblastoma was done by Ms. Nirmala Muralidhar, faculty on screening of eye cancer in children. Dr. Vikas Menon, Consultant Ocular oncology, CFS addressed the trainees and answered their queries related to eye issues.

Sensitisation workshop at Delhi Police Training School (21st August, 2019)

Sensitisation workshop at Delhi Police Training School (21st August, 2019)

7. Valedictory Session - 16th April, 2019

The valedictory session of the second batch of students was held on 16th April, 2019 where collaborative certificates of JDMC and CFS were awarded to the students and to Ms. Nirmala Muralidhar (project coordinator) by Dr. Vikas Menon. This project is a unique initiative where an academic institution and a super speciality eye care institution come together for a noble cause.

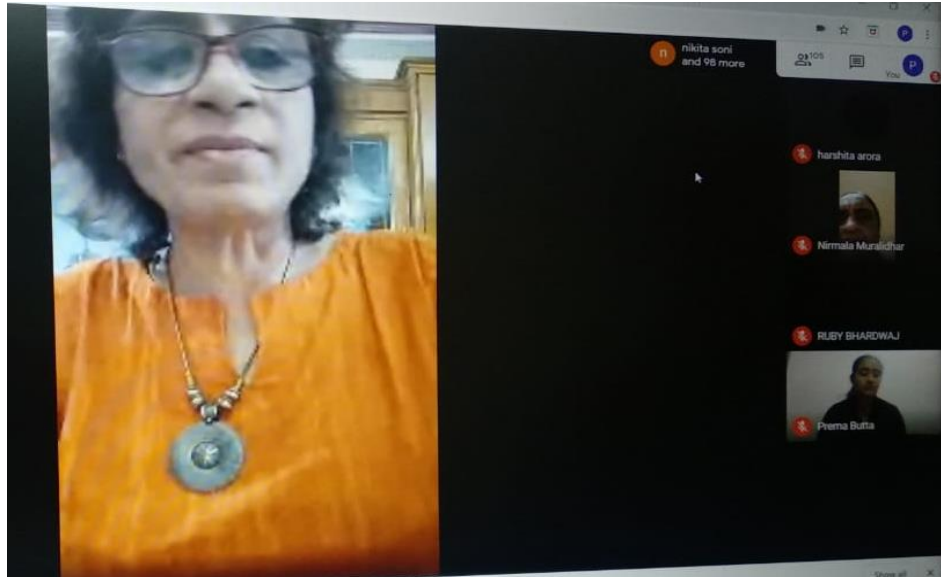

- **Project on Building Social and emotional Well Being in Young Adults**

The present project seeks to empower young women students in the age group of 18 to 21 year to realise their potential fully and face the challenges with confidence. It seeks to bolster the academic training with that of soft skills by balancing their need for career advancement, self- fulfillment and emotional security through suitable intervention strategies. The project endeavors to closely engage with and study the various social emotional aspects associated with young adults' well being such as managing developmental transitions, building specific competences and acquiring skills for overall personal development. This project was initiated in September, 2018 by the project coordinators, Ms. Nirmala Muralidhar (faculty, Department of HDFE) and Dr. Ruby Bhardwaj (faculty, Department of Sociology).

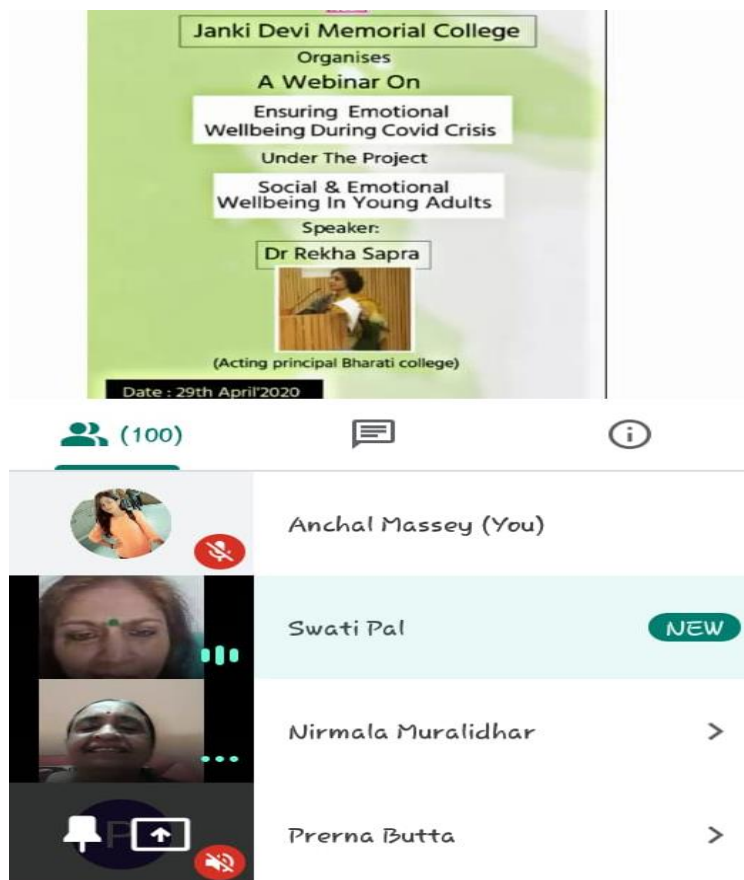

Intervention strategies adopted under this project:-

- 1. Webinar on Ensuring Emotional Wellbeing during Covid Crises - 29th April, 2020**

The department of HDFE organised a webinar on the topic 'Ensuring Emotional Wellbeing during Covid Crises' under the project "Social and Emotional well being in Young adults" on 29th April, 2020. The webinar was organised by Ms. Nirmala Muralidhar (faculty, JDMC) and was moderated by Ms. Nirmala Muralidhar (faculty, JDMC) and Ms. Perna Butta (faculty, JDMC). The speaker of the webinar was Dr. Rekha Sapra, acting Principal, Bharti College. The session was very interactive and informative. She discussed about many topics like quarantine and isolation, mindfulness, importance of accepting things, quality time, rhythm and routine, anxiety, to name a few. More than 100 people participated in the webinar including Principal, JDMC; faculty of JDMC and other colleges (Bharti, Aditi Mahavidyalaya, SPM) and students of JDMC and other colleges.
