6.	The Principal apprised the Governing Body regarding the meeting that she had with the Teachers in Charge on 6 th April, 2022. In the meeting she had discussed the issue of the paid maternity leave approved of by the AC/EC of the University which college Principals had been asked to implement. The Principal had raised the issue regarding financial sanction for the same from the UGC			2129 The Governing Body members unanimously endorsed the procedure adopted by the Principal and directed that this be documented in the Governing Body Meeting Minutes as well. They also conveyed their disappointment at the fact that some miscreants were sharing official information outside the college in a complete departure from the service rules and professional codes of conduct; they added that such misdemeanor should be acted

as the UGC was the funding agency. She had said that till the UGC gave the go ahead, how were the college authorities expected to implement the DU AC/EC decision?

This question raised by the Principal was put into the minutes of the meeting which were later sent to the Teachers in Charge.

The Principal informed the Governing Body that teachers from another college accessed these minutes and made a representation to the Vice Chancellor asking for action to be taken against the Principal and the Teachers in charge - this was put up on Facebook.

The Principal, on being apprised of this situation, spoke to all the faculty members of the college, who agreed that such attempts to malign the Principal and the college were not acceptable and they expressed their condemnation of the same on Facebook.

In the meantime, the Principal sanctioned paid maternity leave to the two ad hoc teachers who needed it with the clause that it was subject to UGC approval.

Furthermore, the Principal met the ad hoc teachers of the college in groups and reassured them of her openness to dialogue and asked them if they had any issues they wanted to discuss.

The Principal also met the Vice Chancellor to present her point of view to him and was told by the Vice Chancellor that there was nothing wrong in her seeking approval from UGC.
