ANY OTHER MATTER				
1.	It was informed by the Principal that the interest on PF balance would be equated with the government rate only up to 31 st March 2021 and thereafter it will have to be lower than the government rate. The reason for the same is the low earning by the college from its investments which does not allow paying at the Government rate. She also confirmed that this information has been communicated to all employees via e-mail. She also informed the members about the letter received from the UGC which clearly states that the colleges can give interest lower than the government rate, if the earning doesn't permit.	2022		
2.	It was apprised by the Principal that there were 24 add-on courses going on in the college. She explained the title of these courses, their duration, the fee structure, their accounting and auditing etc. She apprised the Governing Body about the AQAR feedback which had to be complied with; hence increase in the number of add-on courses.	2023		

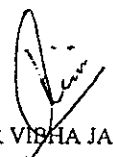

The meeting ended with a vote of thanks to the Chair.
