The Principal reported that the students had got DUSU and other members to meet / speak with her but that she had been aware about college regulations. The Governing Body stated that on no account should political factions enter the student community and that the practice of a democratically elected non-political student union based on merit of students was the best policy.	2184
(5)	The Principal apprised the Governing Body about the increase in theft and cheating cases especially during the examinations.	2185 The Governing Body considered the suggestion for installation of the CCTV cameras inside the classrooms as a deterrent; it was decided that the matter be taken up again in case the situation worsens.
(6)	It was reported that the Online Journal of the College, <i>Perspectives</i> has got its ISSN number.	2186 The Governing Body congratulated the Principal and suggested that efforts be made to include this journal in the UGC care list.
