The subject line of the email should be (UPC - Title - Semester).

Paper-setters must kindly ensure that question papers are formatted as per the guidelines attached.

Separate guidelines are attached for

Examiners will be responsible for adhering to the guidelines provided as well as for ensuring that the question paper is compliant with the syllabus of the respective paper and that questions that do not meet the syllabus have not been set.

Note to Conveners: Please go through all the sets carefully and check that the papers are even in terms of the difficulty level; that questions are not repeated and that formatting is done as per the template attached.

The board of examiners shall ensure the compliance of relevant guidelines for PWD candidates, wherever applicable. Para XX of the notification dated 26/01/2014 in this regard is reproduced below:

"Alternative objective questions in lieu of descriptive questions should be provided for Hearing-Impaired persons, in addition to the existing policy of giving alternative questions in lieu of questions requiring visual input, for persons with Visual Impairment."

I would like to take this opportunity to convey the decision of the University for setting of question papers by a Board of Examiners in accordance with the Executive Council Resolution No. 05 dated 01-05-2013 which reads as under:

"Examination and evaluation/evaluation work be mandatory for all Colleges and University teachers and, as far as possible, question papers be set by a Board of Examiners."

Therefore paper-setting for any paper that has been assigned may not be refused unless the examiners are officially on leave from the University. Any such leave may be notified latest by 28 October, 2024 to the undersigned through the sanctioning authority, failing which we will assume compliance on your part. The complete list of paper setters will be reported to the Committee of Courses at its next meeting.

Due to various exigencies and unavoidable circumstances, we have a very tight deadline to work within.

Given this, I earnestly seek your hearty cooperation for the early completion of this essential task.

Thanking You,
