WHAT IS MACHINE LEARNING

Machine learning is a type of artificial intelligence that helps the machine to learn from the training data and gives the output according to the testing data. In these algorithms we basically make our machine to learn and adapt a certain behavior which in turn will help humans to reduce the work and to increase efficiency.

13. Brief Report

The Department of Human Development and Family Empowerment, in collaboration with the Ripudaman Charitable Trust and the Centre for Career Counselling, Career Opportunity, and Skill Enhancement under the aegis of IQAC, JDMC, organized a 30-hour add-on course titled " Early Intervention for Children with Disabilities: Reaching out to the diverse learners " from 11th February, 2025, to 31st March, 2025. The teacher coordinators for this course were Ms. Nirmala Muralidhar (Department of HDDE) and Ms. Prerna Butta (Department of HDDE).

The program encompassed a broad spectrum of topics such as an overview of childhood disabilities, cerebral palsy, hearing impairment, autism spectrum disorder, intellectual disability, and visual impairment—addressing common myths and realities. It also highlighted the importance of a multidisciplinary approach to developmental support and emphasized inclusive education. The sessions were informative and interactive, offering participants meaningful insights.

10. Report of the Course:

The Kathak Praveshika Course, organised by Nupur, the Indian classical dance society of JDMC, started on 18th September 2024. The objective of the course was to provide the basic level of theoretical and practical training in Kathak. This course was offered to the students who had no prior knowledge of Kathak dance

The course fee was Rs. 550/- per month to be paid by each student. Twelve students from JDMC successfully completed the course of 30 hours. In the first month of training, students learned the basics of *taakar* and *hastaks* and learned nuances and practical use of the three *layas* and *teentala*. In the second month, students learned the structures and movements of *thaat*, *tihayis*, and *tukdas* (traditional compositions) in *vilambit laya*.

In the final month of the course, students learned *chakkars*, simple *layakari* and *tukdas* and *tihayis* in *madhyam laya* of *teentala*. The course concluded with a theory test and beautiful dance presentations by the students. The course was completed on 18th November 2024.

- Organised by which Department/Society/Centre:** Nupur
- Name of the Resource Persons with Affiliations:** Ms. Nikita Parashar
- MOU (Memorandum of Understanding):** NA
- Course objective:**

The course aims at imparting the intermediate theoretical and practical knowledge of Kathak to learners. The course will develop and augment the knowledge and application of footwork and choreography that they had acquired with the Praveshika course. After completion of this course learners will be able to perform simple Kathak pieces like *tukdas*, *tihaayis* and *shlokas*.

7. Learning Outcomes:

Through the course the student would have knowledge of the basic *talas* used in Kathak as well as be able to comprehend the notation used in musical compositions. The learner will have knowledge of the contributions made by cultural icons of Kathak. The student would be able to perform basic *paltas* and *chakkars* as well as perform in *madhyama* and *vilambit laya*. The learner would be able to perform basic *tatkaars*, *tihayis* and *tukdas*.

8. Course Modules:

The course is divided into seven modules. In the first module students should be able to learn the *bols* and movements in basic *talas* like *Jhap*, *Dadra* and *Keherva*. They should be able to understand the theoretical knowledge of *ragas*, *talas* and *thaats* in Hindustani classical music. The second module would focus on notations. Students should be able to read and understand the notations used in writing *talas* and how it affects movement and tempo. In the third module learners will have the ability to distinguish between the various *asamyukta* and *samyukta hastas* and their use in Kathak. In the fourth module students will learn the basic *paltas* and *chakkars* used in the *Jaipur gharana*. In the fifth module

10. Report of the Course:

The Add-On Course on Kathak Madhyamik Course (Intermediate Level/Prarambhik Batch), organised by Nupur, the Indian classical dance society of JDMC, started on 14 February 2025. The objective of the course was to provide the next level of theoretical and practical training in Kathak. This course was offered to those students who had completed the Add-On Course on Kathak Training Programme (Basic Level) or the Kathak Praveshika Add-On Course.

The course fee was Rs. 550/- per month to be paid by each student. Eight students from JDMC successfully completed the course of 36 hours. In the first month of training, students revised the basics of *Tatkaar* and *Hastaks* and learned nuances and practical use of the three *Layas* and *Teentala*. In the second month, students learned the structures and movements of *Tihayis*, and *Tukdas* (traditional compositions) in *Teentala*. In the final month of the course, students learned *chakkars*, hand movements, *Tatkaar* patterns, and simple kathak dance choreographies.

14. Assessment Procedure and Outcome:

Continuous Assessment is conducted by students performing what they have learnt in the previous class as well as displaying their hard work and concentration throughout the course. A written exam was conducted to examine the theoretical knowledge gained. The final practical assessment was based on their individual dance presentations made at the end. The learning outcomes of the course were achieved successfully.

5. Course Objective

The objective of this course was to equip students with foundational legal awareness, enabling them to understand important Indian laws, individual rights, and basic legal procedures. The course aimed to empower citizens especially young adults to navigate legal systems confidently, prevent exploitation, ensure personal safety, and promote responsible citizenship.

It further intended to enhance understanding of women's rights, environmental governance, cyber laws, workplace protections, and intellectual property rights, fostering legally aware, socially responsible, and informed individuals.

6. Learning Outcomes

- Developed a foundational understanding of the Indian legal system, key legal concepts, and the role of law in protecting individual rights.
- Gained awareness of major areas of law such as environmental law, cyber law, women's rights, contract law, and intellectual property and their relevance in daily life.
- Learned to identify legal issues, understand basic legal procedures, and seek appropriate remedies when needed.
- Strengthened awareness of personal safety, gender rights, and mechanisms available for protection against exploitation or discrimination.
- Enhanced overall legal literacy, enabling students to make informed decisions, exercise their rights confidently, and act as responsible citizens.

9. Brief Report

The Department of History, in collaboration with the Centre for Career Counselling, Career Opportunity, and Skill Enhancement under the aegis of IQAC, JDMC, organized a 30-hour add-on certificate course titled “Legal Literacy and Awareness: A Guide to Indian Laws and Rights” from 29th September, 2024, to 4th May, 2025.

The course aimed to equip students with a foundational understanding of the Indian legal system, key legal concepts, and the role of law in safeguarding individual rights. It covered a broad range of themes including environmental law, cyber law, women's rights, contract law, and intellectual property, highlighting their relevance in day-to-day life. The sessions emphasized the importance of legal awareness, personal safety, gender rights, and the mechanisms available for protection against exploitation or discrimination. The program was interactive and informative, enabling students to identify legal issues, understand basic legal procedures, seek remedies when required, and confidently exercise their rights as informed citizens.

Feedback Analysis -

The feedback analysis revealed that students found the course exceptionally informative, practical, and easy to understand, with most rating it as excellent or very good. Participants appreciated the clarity with which legal concepts were explained, the inclusion of real-life case examples, and the interactive teaching style of the resource persons. Key topics such as women's rights, cyber safety, and environmental laws were particularly valued, as they enhanced students' confidence in identifying and responding to legal issues. Overall, the course achieved a high level of satisfaction, with many students expressing that similar legal literacy programs should be conducted regularly.

16. Outcome of the course:

The course effectively strengthened students' foundational understanding of the Indian legal system and key areas of law, including women's rights, cyber law, environmental law, contract law, and intellectual property. Through simplified explanations, real-life examples, and interactive discussions, participants developed the ability to recognize legal issues in everyday situations and gained clarity on the procedures and remedies available to them. This not only expanded their knowledge but also enhanced their confidence in navigating legal matters independently.

Additionally, the course fostered a heightened sense of personal awareness and responsibility among students. They became more informed about their rights, the mechanisms for protection against exploitation or discrimination, and the importance of legal literacy in ensuring personal safety and societal well-being. By the end of the program, students felt

Pratibha: Foundation Classes (Competitive Exams) 2024-25: Completion Report

Pratibha: Foundation Classes for Competitive Exams under the aegis of Center for Career Counseling and Career Opportunity and the Internal Quality Assurance Cell (IQAC) of Janki Devi Memorial College, University of Delhi has successfully completed its eighth batch under the convenorship of Dr. Md. Zubeer Ahmed and Dr. Kush Kumar Gayasen and three members; Mr. Ahirrao Dinesh Bharat, Ms. Chanpreet Kaur, and Dr. Raju Keshari. Students, who aim to clear the various competitive exams conducted by UPSC, State Public Service Commission, National Testing Agency (NTA) etc. opted for these classes. The primary objective of these foundation classes was to provide the basic knowledge about important topics from examination point of view, and orient the students to explore further on their own. The topics for lectures were selected keeping in mind the General Studies, Political Science and International Relations components of various competitive exams.

The classes were open for all bonafide students (female&male) and ex-students of the University of Delhi. The classes commenced on 20th September 2024, with a total of 46 students registering. Of these, 14 students were from Devnar Junior and Degree College for the Blind, and 5 students were from Mahatma Gandhi Government College, Mayabunder, under the Vidya Vistaar Scheme of the University of Delhi. Admission was granted to all 19 of these students free of cost. Dr. Md. Zubeer Ahmed, the Nodal Officer from Janki Devi Memorial College for the Vidya Vistaar Scheme of the University of Delhi, has led the collaboration between the three colleges under the scheme.

The course was divided into 74 modules covering the broad areas of History, Economics, Political Science, International Relations, Foreign Policy, Sociology, English, Mathematics, Geography, Science & Technology, Current Affairs, Essay writing and components of Personality test. The classes were taken by the successful candidates in the Civil Services exam, faculties from various departments of the college and experts from outside. One module of two hours was discussed on every Friday and Saturday and Sunday. All the lectures were delivered in online mode.

Pratibha Feedback and Assessment Report, 2024-25

The course was divided into 74 modules covering the broad areas of History, Economics, Political Science, International Relations, Foreign Policy, Sociology, English, Mathematics, Geography, Science & Technology, Current Affairs, Essay writing and components of Personality test. The classes were taken by the successful candidates in the Civil Services exam, faculties from various departments of the college and experts from outside. One module of two hours was discussed on every Friday and Saturday and Sunday. All the lectures were delivered in online mode.

Students' feedback was taken and processed for the Pratibha classes and following conclusions were drawn:

Number of students enrolled: 46

Number of students participated in the feedback: 27

The average performance of the foundation classes was found ranging good to excellent in terms of score. But in a few areas, it was observed average. Scope of improvement in terms of score was noticed in some areas such as students' participation in the class as the score can be improved for excellent grades.

*The detailed sheet of feedback responses in the form of a pie chart is attached with the report. Students expressed that the foundation classes were very satisfactory and provided them with an enriching experience. These classes helped them in building a foundation for competitive exams as well as provided an understanding about how to approach the different topics and questions. Students appreciated and acknowledged the rich experience and expertise of resource persons and overall, they found these classes very informative and a significant platform for competitive exams.

This course aimed at imparting the sign language skills to the learners. After learning basic sign language, students were expected to understand about the Deaf and to communicate in basic signs. This would help to create the inclusive society.

Learning Outcomes

A sign language course aimed to develop students' proficiency in both receptive and expressive skills necessary for effective communication with Deaf and hard-of-hearing individuals. Students were expected to learn to use basic vocabulary, grammatical structures, and non-manual signals to construct simple sentences and engage in everyday conversations. The course also emphasized fingerspelling, numbering, and the use of facial expressions and body language to convey meaning. Additionally, students also gained cultural competency by exploring the history, values, and social norms of Deaf culture, understanding the various causes and implications of hearing loss, and appreciating the role of sign language in the Deaf community. Through practical application and engagement with native signers, students were to enhance their conversational skills and build meaningful connections within the Deaf community.

Course Modules

The course had 8 modules. The basic module of Indian Sign Language (ISL) introduced students to the essential aspects of the language, focusing on fundamental vocabulary, grammar, and cultural context. It covered common greetings, everyday words, family terms, and numbers, along with the ISL fingerspelling alphabet. Students learnt to construct simple sentences, understood the importance of non-manual signals like facial expressions and body language, and practice engaging in basic conversations on routine topics. The module also emphasized developing receptive skills through video materials and interactive activities, while fostering cultural awareness by exploring the history, values, and social norms of the Deaf community in India. Practical application through interactions with native signers and participation in Deaf community events enhanced the learning experience, ensuring students gained a comprehensive understanding of ISL and its cultural significance.

ABOUT THE COLLEGE

Janki Devi Memorial College (JDMC) was established in 1959 by the famous Gandhian and freedom fighter Shri Brij Krishan Chandiwala in the memory of his mother Smt. Janki Devi. JDMC is an A+, NAAC accredited and ISO 21001:2018 and 9001: 2015 certified women's college of the University of Delhi. It is located at a very conveniently approachable location of central Delhi. JDMC aims at providing quality education to young women and empowering them to be financially independent along with grooming their overall personality. We focus on providing access and resources to develop an ecosystem of research and holistic development of young minds. The college is currently offering 12 undergraduate courses and 5 postgraduate courses.

CENTRE FOR THE STUDY OF DISABILITY INCLUSION

Centre for the Study of Disability Inclusion (CSDI) has been established by our college with an aim to sensitize and promote awareness regarding various types of disabilities and to promote inclusivity by addressing the challenges faced by people with disabilities. It aims to do this by conducting outreach activities like discussions, exhibitions, recording audio books, creating accessible text, etc. The centre also promotes research, training and societal inclusion of persons with disabilities and makes them aware about the opportunities and the technologies that can make their life better.

About Noida DEAF SOCIETY

Noida Deaf Society is the leading institution that nurtures, mentors, trains and teaches deaf children.

NDS empowers the deaf community in India to lead sustainable and self-reliant lives through customized trainings and employment.
