The programme commenced with a *mangalacharan* (auspicious invocation), followed by a warm welcome of the speaker. Thereafter, Dr. Punita Sharma delivered her lecture on the chosen theme. She defined *yoga* and *self-confidence*, emphasising that self-confidence is indeed the first and most important step in yogic discipline. Her thoughts deeply engaged all the teachers and students present, offering them greater clarity on the significance of both yoga and self-confidence.

Dr. Sharma's lecture proved to be extremely useful and inspiring, leaving a strong impact on all the listeners. This was followed by an interactive question-answer session, in which the students participated enthusiastically. The speaker enriched their understanding by responding to their insightful and meaningful questions, making the programme even more engaging and informative. At the conclusion of the event, **Dr. Harshbala**, the programme coordinator, delivered the vote of thanks, and the session ended successfully with the *Shanti Mantra*. The lecture provided everyone with a new perspective on self-confidence and yoga, motivating the students to bring positive changes in their lives.
