Brief Report

The Internal Quality Assurance Cell (IQAC), Janki Devi Memorial College, organized an Emergency Preparedness and Evacuation Drill (Lecture & Mock Drill) on 21 January 2026 for students, teaching staff, and non-teaching staff. The programme aimed to create awareness about emergency preparedness, disaster response, and the importance of timely evacuation during emergencies to ensure the safety and well-being of the college community.

The session was conducted by Dr. Kaushal Kishore (Administrative Officer), who delivered a lecture on emergency preparedness, highlighting the significance of risk assessment, disaster management protocols, and coordinated response during emergencies. He explained the standard evacuation procedures, emergency communication mechanisms, and the roles and responsibilities of individuals in ensuring a safe evacuation.

Following the lecture, a mock evacuation drill was conducted to provide participants with practical experience in responding to emergency situations. The drill demonstrated safe evacuation routes, assembly points, and basic emergency response practices, enabling participants to understand the importance of remaining calm and following established safety protocols.

Overall, the programme was highly informative and practical. It strengthened participants' awareness of emergency preparedness and evacuation procedures while promoting a culture of safety, preparedness, and collective responsibility within the institution.
