

## **Event Report**

### **NEP Orientation & Sensitization Programme cum Online Interactive Session for NEP-UGCF Students**

On August 5, 2025, Janki Devi Memorial College successfully organized an NEP Orientation & Sensitization Programme cum online interactive session for students of the NEP-UGCF four-year undergraduate program. The session was designed to provide students with a comprehensive understanding of the National Education Policy (NEP) 2020, its implications, and the program's structure, available choices, and opportunities.

The primary objective of the session was to orient and sensitize students about the NEP 2020 and guide them in making informed decisions about their academic choices within the NEP-UGCF program. Prof. Payal Nagpal, Mentor of the Internal Quality Assurance Cell (IQAC), led the session, sharing her expertise and insights to address student queries and concerns.

#### **Session Highlights:**

**NEP 2020 Overview:** An introduction to the National Education Policy 2020, its key features, and its implications for higher education.

**NEP-UGCF Program Overview:** Prof. Nagpal provided an in-depth overview of the NEP-UGCF program, highlighting its key features, benefits, and opportunities.

**Q&A Session:** The session addressed a number of queries from students, particularly those who wish to pursue 4th-year undergraduate courses. Students had the opportunity to ask questions and clarify their doubts regarding the NEP and the program, receiving personalized guidance from Prof. Nagpal.

**Interactive Discussion:** The session fostered an interactive environment, allowing students to engage with Prof. Nagpal and their peers, sharing perspectives and experiences.

#### **Outcome:**

The session likely helped students gain a better understanding of the NEP 2020, its implications, and the NEP-UGCF program, its opportunities, and the available choices. By addressing student concerns and doubts, particularly regarding the 4th year undergraduate courses, the session empowered students to make informed decisions about their academic paths.

#### **Recommendations:**

-Future Sessions: Consider organizing similar sessions for students to address their queries and concerns regarding other academic programs and policies.

-Student Engagement: Encourage students to actively participate in such sessions, fostering a culture of open communication and collaboration.

By hosting this NEP Orientation & Sensitization Programme cum interactive session, Janki Devi Memorial College demonstrated its commitment to supporting students' academic journeys and ensuring their success in the NEP-UGCF program. The significant participation of almost 150 students and the interactive Q&A session underscore the importance of such initiatives in enhancing student understanding and engagement.
