Brief Report

The Internal Quality Assurance Cell (IQAC), Janki Devi Memorial College, in collaboration with the Vidya Vistar Committee, organized an online session on "Intellectual Property Rights" on 22 April 2026 at 4:30 p.m. The session aimed to create awareness among students and faculty about the importance of Intellectual Property Rights (IPR) in academia, research, and innovation.

The resource person, Ms. Pooja Sharma, IP Expert & Mentor and Founder and Director of Innove Intellects, introduced participants to the fundamentals of intellectual property and its various forms, including patents, copyrights, trademarks, industrial designs, geographical indications, and trade secrets. She highlighted the importance of protecting intellectual creations and explained the procedures for securing IPR, supported by practical examples.

The session concluded with an interactive question-and-answer session, where participants sought clarification on patent filing, copyright ownership, and commercialization of innovations. The programme was informative and insightful, enhancing participants' understanding of IPR while promoting innovation, ethical research, and the protection of intellectual assets.
