## NATIONAL LIBRARIAN'S DAY

On August 13, 2024, KHOJ, the Students' Research Unit of Janki Devi Memorial College and JDMC Library organised a vibrant celebration of Librarian's Day at the JDMC Library. Principal, Prof. Swati Pal, a thoughtful address, highlighting the integral role libraries play in academic and personal development. Following her remarks, Dr. Nivedita, the college librarian, shared insights into the library's extensive resources and underscored the importance of nurturing a love for learning, which strengthens the bonds within our academic community. In a gesture of gratitude, appreciation cards were presented to the dedicated library staff, acknowledging their tireless efforts and invaluable contributions to the institution.

The event featured enlightening insights from members of the Shahjahanabad and Temple-Mosque projects, who shared their enriching research experiences. Faculty members Mr. Tarun and Mr. Anuj also offered their perspectives on the critical importance of research and the transformative power of books in academia. The celebration concluded with a heartfelt vote of thanks delivered by the President of KHOJ, encapsulating the spirit of gratitude and recognition that permeated the event. The event was a resounding success, reinforcing the significance of libraries as pillars of knowledge and learning in our academic journey.

Glimpses of the event

## ANNUAL LIBRARY FESTIVAL 2024 – A REPORT

The Library Festival of Janki Devi Memorial College under the aegis of IQAC was a remarkable event that epitomized the significance of libraries as sanctuaries of knowledge and creativity. The program commenced with an auspicious lamp lighting ceremony. It was accompanied by a melodious rendition of the college prayer by Sarang followed by the harmonious strains of Kulgeet, which set a serene and welcoming tone for the proceedings.

Following this soulful start, the dignitaries of the day were felicitated, including the esteemed Chief Guest, Dr Usha Mujoo Munshi, The Principal of JDMC, Professor Swati Pal, Vice Principal Prof. Sandhya Garg, IQAC Coordinator Prof Payal Nagpal and Prof. Sudha Upadhyay who had graciously lent their presence to the occasion. The event progressed with a presentation of the Library Report by Dr Nivedita Sharma, the college librarian, who meticulously highlighted the achievements, growth, and future aspirations of the library. The library organized various events throughout the fest including Inter college competitions including declamation competition, poster making competition and braille reading competition. A photography competition was also conducted for the college students.

Following this, Professor Pal, the Principal of Janki Devi Memorial College, articulated her thoughts on the indispensable role of libraries in shaping the intellectual and personal growth of individuals. She expressed her pride in being part of one of the few institutions to host a festival that celebrates the library's place at the heart of the college.

The Chief Guest, Ms. Usha Mujoo Munshi, further enriched the discourse by sharing her insights on the evolving user behavior in the digital age. Her thoughts provided a nuanced perspective on the dynamic interplay between traditional and digital mediums of learning.

A highlight of the festival was the sharing of poetic compositions by the professors and keynote speakers. Professor Sudha Upadhyaya mesmerized the gathering with a hindi composition. Professor Payal Nagpal (IQAC Coordinator) shared with the audience an unpublished heart- touching piece. Professor Sandhya Garg (Vice Principal) succeeded with a lighthearted Hindi poem on technology and computers. Finally, Principal Prof. Pal addressed everyone with a verse on breaking stereotypes. Their creative expressions illuminated the audience, bringing forth the beauty of language and the power of words to capture human experiences. The crowning moment of the festival was the reveal of two published books authored by the

esteemed professors of JDMC- ‘Mann’ by Dr. Vandana from the Department of Hindi, Janki Devi Memorial College and ‘Vyavaharik Hindi’ by Mr. Deendayal. These works, reflecting the scholarly rigor and diverse expertise of the faculty, were a proud addition to the library’s rich collection.

The program concluded with a special segment dedicated to honoring two students (Prachi Thakur and Kumkum Pant) who had utilized the library resources in the most sustainable and impactful manner throughout the year.

The event, in its entirety, was a harmonious blend of reflection and celebration and honored the enduring legacy of libraries while envisioning their evolving role in a rapidly changing world, making it an inspiring and thought-provoking experience for all present.
