Assistance provided to Students with Disabilities in the College Libary

We at JDMC strive to provide equal opportunity to all students in learning. To provide them equal access, the library has installed screen reading software NVDA (Non Visual Desktop Access) in five desktop systems in an exclusive room in the library and plextalks angel pocket recorders are issued to visually challenged users. We also arrange Braille books and talking books, Brailler and DAISY Books. Computer training is also provided to our visually challenged students/teachers. A separate Room is maintained in the library with five desktop computers with internet and screen reading s/w NVDA and two Scanners to avoid hurdles in teaching and learning of our special students. Personal assistance is given to such students.
