Objective: To uphold and enforce adherence to the institution's rules and regulations, fostering and ensuring a safe and conducive learning environment conducive to academic excellence and personal development.

Duty timings: 09:00am-04:00pm

Throughout this duration, the Discipline Team exhibited unwavering dedication in College events as well as in addressing a myriad of matters pertinent to student conduct within the

confines of the campus precincts. Our routine inspections at the college were conducted with meticulous attention, wherein we meticulously evaluated various facets.

In the fulfilment of our disciplinary duties, we adeptly managed crowd dynamics in the vicinity of the entrance, ensuring a seamless and orderly flow. As part of our conservation efforts, we promptly deactivated lights in unoccupied rooms. Further fostering an environment conducive to learning, we encouraged students to opt for staircases over elevators, while also facilitating the relocation of individuals occupying staircases. Instances of classroom noise disturbances were promptly remedied, highlighting the paramount importance of maintaining a serene atmosphere conducive to scholarly pursuits. Proactive measures were undertaken to discourage flower picking and unauthorized activities within the campus premises. Students were guided on appropriate dining locations, advocating for the utilization of designated areas such as the canteen, lawns, or auditorium, in lieu of classrooms. Conscientiously, we systematically cleared congested corridors to ensure unimpeded passage and directed students to suitable seating arrangements, emphasizing the importance of decorum during communal gatherings.

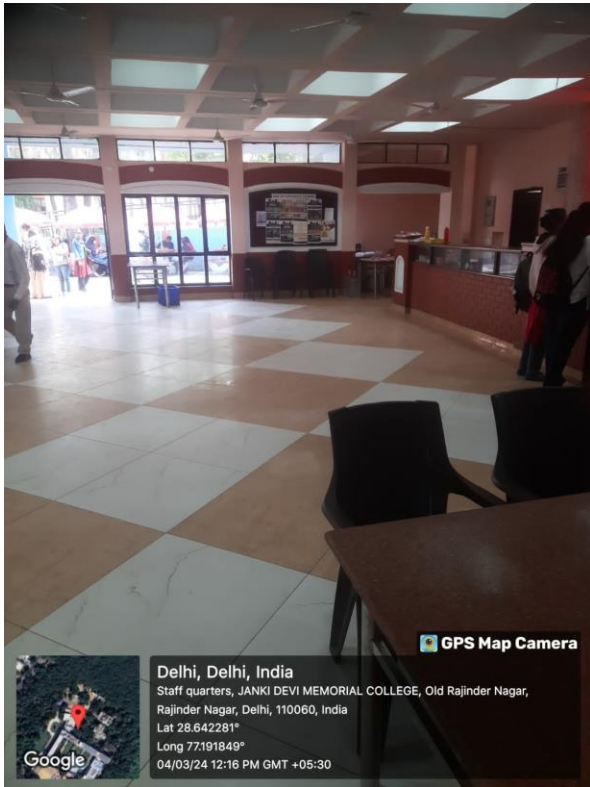

Furthermore, a targeted approach was adopted to ensure unobstructed pathways within the administration block. Students congregating near the lost and found box were encouraged to promptly vacate the entrance of the administration office, contributing to the overarching atmosphere of discipline and orderliness within the campus precincts. The overall ambiance of the college was meticulously maintained, with particular emphasis placed on upholding cleanliness standards as well as the decorum in the General Common Room (GCR) and lawns, dissuading students from reclining in those areas. Reminders were reiterated to refrain from consuming food within classrooms, with alternative spaces suggested for such activities.

✧ As the period unfolded with grace, an aura of precision, adeptness, and meticulous management permeated our surroundings, with the essence of discipline elegantly interwoven into every facet of our operations, steadfastly upheld.

Feedback:

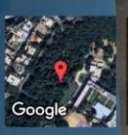

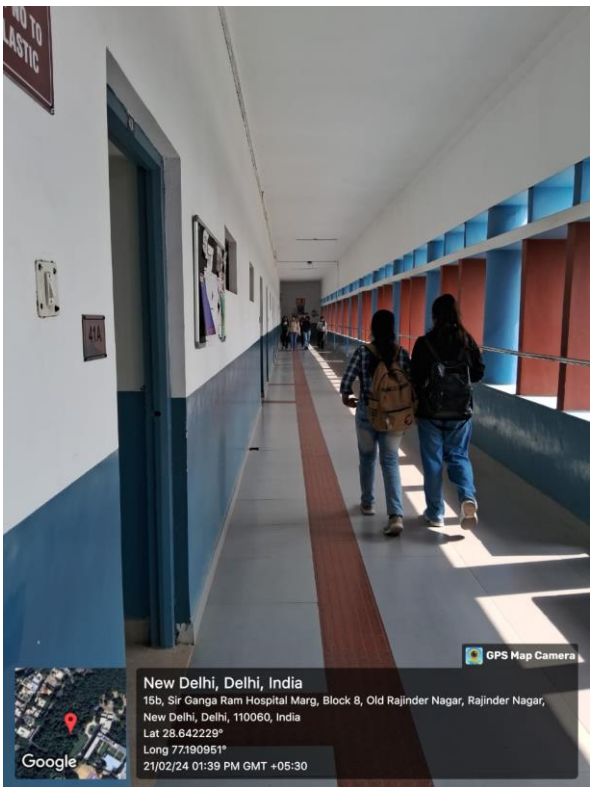

The JDMC Discipline Team looked forward to take actions regarding the issues directed by both students and teachers ranging to various aspects of campus life and educational experiences. With the aim of enhancing the overall learning environment and ensuring the welfare of all stakeholders within the college community, the insights gleaned serve as invaluable resources for the Discipline Team in its ongoing commitment to fostering a safe, supportive, and inclusive learning environment. By prioritizing the implementation of targeted interventions informed to the team, it endeavours to cultivate a community where all students and teachers can thrive academically, professionally, and personally.
