118 responses

Observations:-

From the responses it is observed that 80.5% had more than 67% of attendance, 16.7 % had 50-67% attendance and 6.8 % had less than 50% attendance.

At the end of the programme, 49.2% students agreed that the programme engaged their critical thinking, 49.2 % agreed that the programme improved their communication skills, 51.7% agreed that their confidence and soft skills improved, 59.3% students agreed that they were more engaged citizen, 55.9% agreed that the programme developed their ethics and values, 52.5% agreed that programme engaged them in issues of environment and sustainable development, and 46.6% were confident that they were directed to be self-sufficient and lifelong learners. The overwhelming feedback has been positive.

Actions to be taken:-

1. To help students gain competence in English and Hindi communication the college will encourage them to use the language lab.
2. Arrange more remedial classes for students who need additional academic support in all courses.
3. To give more tutorials to Improve writing skills.

4. To help with know their subjects more effectively, they will be encouraged to practice through class presentations, group discussions, field trips, internships (where applicable) and debates.
5. More interactive classroom by using ICT through the Smart Classroom.
