32 responses

2. The BA (Hons) Sociology program has enabled the graduate to learn that knowledge is socially constructed.

32 responses

3. The BA (Hons) Sociology program has enabled the graduate to recognise the universal significance of social institutions.

32 responses

4. The DSE courses have introduced graduates to the various sub-fields within Sociology.

32 responses

5. The BA (Hons) Sociology program has introduced graduates to the issues in contemporary society.

32 responses

OBSERVATIONS:

The responses of the students vary from 70 to 90% in successfully achieving the Program Specific Outcomes. The rest of the students were mostly neutral regarding the same.

ACTION TO BE TAKEN:

All the Program Specific Outcomes have been successfully achieved to a large extent, concerted efforts will be taken by the teachers to maximise the same. Pedagogic training will be undertaken by the teachers for the new UGCF papers.
