

# PHILOSOPHY DEPARTMENT PROG EXIT SURVEY

## NEP-UGCF-2025

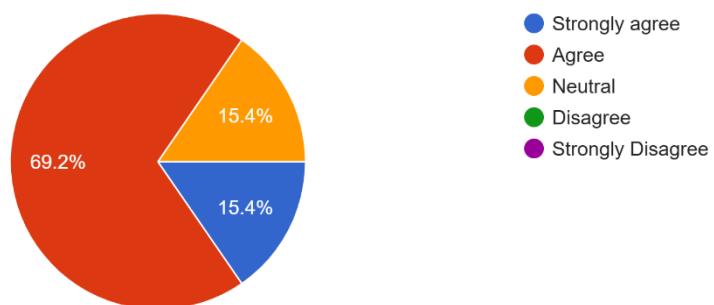

Batch  
13 responses

Did the course equip you with necessary skills of understanding philosophy?  
13 responses

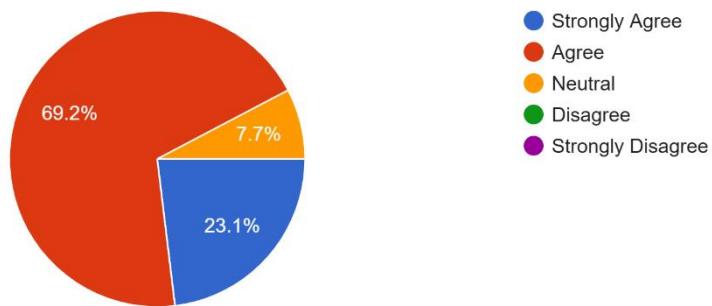

Do you think the course has given you exposure to be able to critically analyse situations/ arguments/ opinions etc.  
13 responses

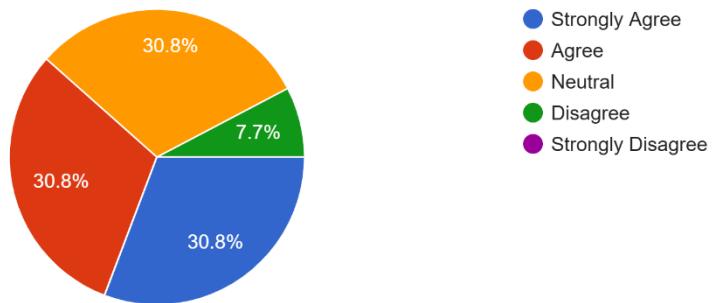

Has the course given you exposure to different domains within philosophy?

13 responses

Do you think a course in philosophy hons has helped you develop skills that will come handy during career planning?

13 responses

## OBSERVATION-

The course has helped students to understand philosophy as a discipline as well as helped them develop analytical and critical skills. But the students feel that the course needs to address career planning issues.

## ATR-

The department will organize career planning workshops with special focus on how philosophy as a discipline can help students to plan their careers in the coming sessions.
