Observations:

It can be observed that the majority (around 90-95%) of students either agree or strongly agree with the statements which reflects that the program helped them in improving their communication skills and feel more confident in social interactions. Most students felt that they were exposed to multiple theoretical interdisciplinary nature of Hindi literature. Course also helped them in becoming aware citizens and understanding about ethics and values. They were able to understand the issues relating to the environment and sustainable development. Around 95% of the students were able to engage in critical thinking, gained confidence to interact socially and were equipped with self-direction and life-long learning.

Action Taken Report:

In future Students will be given greater exposure to practice-based, field-oriented pedagogy that will enhance their skills in the pursuit of academics and other fields. Sessions like Talk, seminar and Workshops on soft skills will be organized to help students gain more confidence in their communication skills and capability to deal with social interactions. Students will be encouraged to engage themselves through the Department or individually with society through various extension activities to become better citizens and gain awareness of social problems. We will also strengthen our efforts to cultivate the spirit of being self-directed and engage in life-long learning. Students will be encouraged to participate in numerous events in the College and outside to promote ethics and values among them.
