55 responses

### **Observations**

The responses collected from students suggest that general objectives of the programme were achieved. More than 90% of the students have benefited from the course. The course had a profound impact on the personal development of students as they are able to engage in life-long learning and have noticed improvement in their communication skills. Besides, more than 90% of students have rated themselves as better and more aware citizens and they have understood the importance of ethics, values, environment issues, and sustainable development.

### **Action Taken Report**

Albeit the responses of students are satisfactory, the department will strive to constantly improve to ensure wholesome growth of the students. The department has decided to engage in more group discussions and presentations to enhance communication skills of students. Besides, the department shall include issues such as ethics, values, and sustainable development in the classroom discussions to make learning more effective.

55 responses

This program helped me to get critical understanding of historical methods and history writings.

55 responses

### **Observations**

Analysis of students' responses to the questions indicate that the programme has been successful in its endeavour to expand the understanding of students towards Indian and World History. Besides, more than 80% of the students have agreed that they were able to construe the importance of sources and methodology in history. The students have also mentioned that they are able to construct arguments based on critical thinking which reflects the overall positive impact of the programme.

### **Action Taken Report**

A few students have opted for 'neutral' or 'disagree' while responding to the questions. The department has taken cognizance of the issue. Addressing the issue, the department is implementing some changes that might allow the students to understand the discipline more effectively. For instance, the department will use ICT tools more often. Besides, the department will be encouraging students to pursue research at the UG level in order to allow them direct exposure to the methods and methodology of history.
