Observations –

In the general outcomes it is observed that more than 90% of the students feel that they are now better equipped to handle critical thinking. 100% of the students report that their awareness of ethics and values has increased noticeably. More than 85% students feel that this program has made them better citizens, and more than 75% of the students report that they are now more confident and feel more engaged with the world around them. More than 90% students report that they feel they will be engaging in self directed life long learning throughout their lives.

Action Taken Report –

The department is working towards providing students with a more holistic approach towards literature and culture. The students are also encouraged to widen their horizons through inclusion in various societies and centres. The department also encourages research and student projects to engage more students in academic processes.
