

Program Exit Survey
Department of SOCIOLOGY: 2021-2024

Program Exit Survey

B.A.(H) SOCIOLOGY: 2021-2024

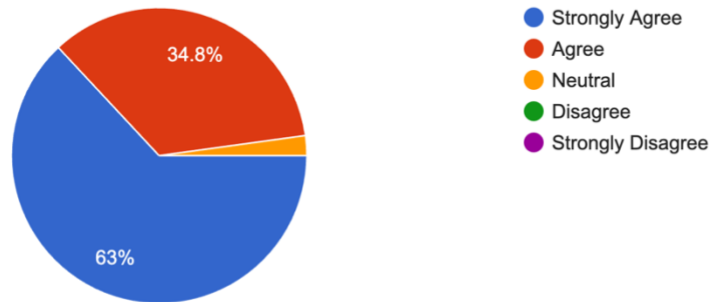

1. The B.A. (H) Sociology program has exposed graduates to the multiple theoretical perspectives in Sociology.

46 responses

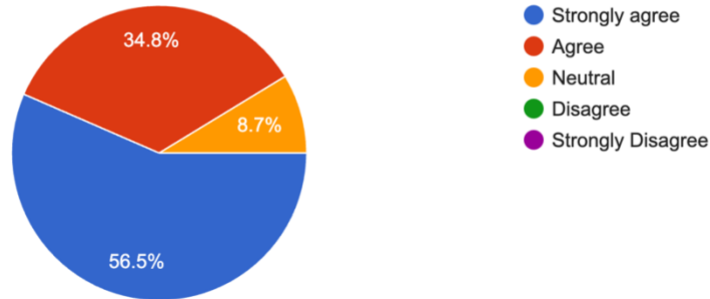

2. The B.A. (H) Sociology program has enabled the graduate to learn that knowledge, which is socially constructed.

46 responses

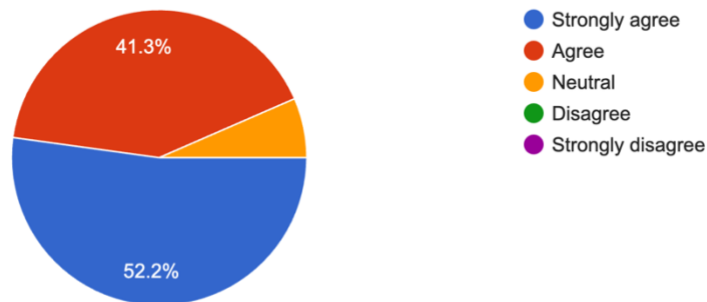

3.The B.A. (H) Sociology program has enabled the graduate to recognise the universal significance of social institutions in society.

46 responses

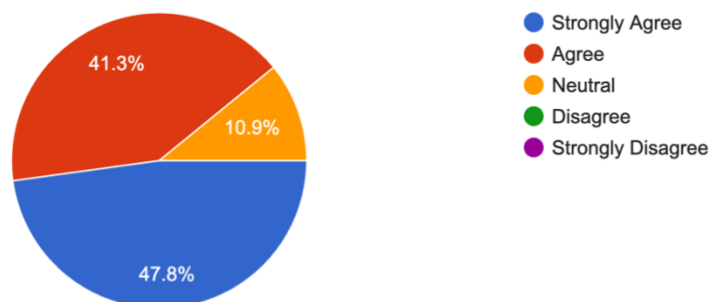

4.The DSE and GE courses have highlighted the significance of the interdisciplinary nature of the courses in Sociology.

46 responses

5. The SEC courses have helped in training the graduate with skills in the pursuit of Academic Ethnographic Film Making.

46 responses

OBSERVATIONS:

It is observed that 90-97% of the students agreed and strongly agreed on attaining the program outcomes. Less than 10% were neutral on achieving the program learning outcomes.

ACTION TO BE TAKEN REPORT:

Since the student feedback has been primarily positive, hence the pedagogies adopted by the teachers have been successful. The department will continue to augment quality in its teaching- learning processes and explore newer pedagogies for the new UGCF papers.
