

## FOR 2020-21

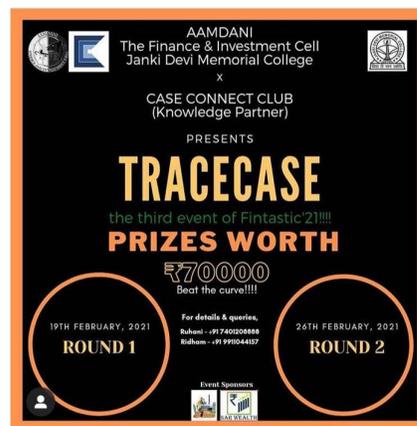

### FINTASTIC'21

ACCRUAL MADNESS, the first event of FINTASTIC 21, took place on 17th February at 3 pm followed by the final round on 19th February. A massive number of registrations came in with 50+

teams of two members each, from across DU and Non-DU colleges wherein participants were able to imply their financial knowledge to test along with having fun . It was the perfect event to test your research skills, showcase the inner entrepreneur in you and think as the CEO of million dollar companies !

THE FINCRICK BATTLE, the second event of Fintastic 21 was a quiz competition followed by an impressive IPL Auction. The first round took place on Google Forms, while the final round of the auction was held on Google Meet. The event received a fantastic response from students across the country, **with 175+ registrations**. The quiz was based on cricket, where we tested the participants' knowledge of cricket and finance at the same time.

TRACECASE, the third and the final event of Fintastic' 21, was a case study-based competition in collaboration with Case Connect Club. The event was divided into two rounds and we were overwhelmed with the response of 79 registrations. The teams learned the crucial part of communication skills during an enlightening question-answer round for each team. It was a very interactive session where the team were encouraged for their ideas as well as strengths and weaknesses were brought into light. Suggestions were put forward by judges on teams' solutions which were quite cost effective and environment-friendly. The event was closed with an amazing speech by our judges.
