## PRODUCT MANAGEMENT

Successful entrepreneurs who make their brand world famous and leave everlasting impact of their brands on our minds that refuse to fade away are pioneers on product management. Therefore, it is very important to learn how to manage and grow a developing product management business. With this aim in mind, *AAMDANI: The Finance and Investment Cell* of *Janki Devi Memorial College* organized a session on **PRODUCT MANAGEMENT** under the mentoring of **Mr. ANKUR JHA**, the AI/ML product manager with over 14 years' experience, on 7<sup>th</sup> November 2022, from 5:00 pm to 6:00 pm through virtual platform. In this session he explained importance of product management and with efficient product management an organization can increase overall efficiency more than 34.2%. Further he added that product manager has to focus mainly on four things to increase efficiency that are: targeted customer, profitability, communication and guarding expenses. He ended his session by saying that "GREAT PRODUCT MANAGEMENT MAKE GREAT COMPANIES".

## CAT – 2023 – THE ROAD AHEAD

Opportunities don't happen, you create them. For a successful career its very importantto have a strong plan and knowledge for the same. Therefore, it is very important to learn about the field in which one is aspiring to excel their career in. With this aim inmind, *AAMDANI: The Finance and Investment Cell of Janaki Devi Memorial College* organized a session on **CAT – 2023 – THE ROAD AHEAD** under the mentoring of **Mr. Navneet Anand**, head of MBA division in career launcher with many years of experience, on 25<sup>th</sup> November, 2022 from 5:00- 6:00 pm through virtual platform. In this session he explained about the MBA as a post-graduation course, its various specialization and also that why idea of pursuing MBA holds significance in today's world. Further he talked about the top ten colleges to pursue MBA along with their average packages and the Selection process of Indian B schools, shortlist and weightage given to the CAT score, as well as the various sections of exams and their weightage like verbal ability, logical reasoning, data interpretation, etc Lastly, he concluded with the significance of profile development through various internships, extra circular activities, certifications, social work etc. helps us upgrading interviews and resumes.

## INTERNATIONAL EDUCATION REIMAGINED

“Studying abroad is about experiencing a foreign country- and the most beautiful, important part of a country’s culture is its people.” With this aim in mind, **AAMDANI: The Finance and Investment Cell** of Janki Devi Memorial College organized a seminar in collaboration with AECC (study abroad consultants) on **INTERNATIONAL EDUCATION REIMAGINED** under the mentoring of Miss. Meenakshi, the creative and result oriented professional with 18years experience in managing marketing events and Mr. Nidhin, 5years experience holder as overseas education holder, British council certified counsellor, on 19<sup>th</sup> January 2023, from 12:00 pm to 1:00 pm in seminar room. In this session they explained importance of international education such as better career opportunities, personality development, international exposure etc. They also told us about in which countries, student can search for best institute and criteria required. Lastly, they concluded by telling services provided by AECC to make dreams true of students to study abroad and getting world class education.
