Campaign Video for Nirmaan

In the month of January 2021, the Society created and submitted a campaign video for the NGO Nirmaan to publicise a competition organised by the NGO for Kashmiri students where the winners would be awarded with various online workshops. The members of the Society then made a campaign video which represented three students from different backgrounds discussing how their lives would change after winning these workshops.

Zoom Play on the Occasion of Gandhi Jayanti

Bardolators also conceptualised and performed a play on the occasion of Gandhi Jayanti on 2 October 2020. The play titled 'The Test of Non-Violence' examined the relevance of Mahatma Gandhi's philosophy of non-violence in contemporary times. This was the first time that the society utilised the Zoom platform for a performance.
