

## Enactus JDMC updates for *June 2021- Present*:

After a successful run with our first phase, Enactus JDMC now plans to expand their project with a vision to make a group of women from marginalised communities self-sufficient, by teaching them the skill of creating “Macrame Products”. After numerous brainstorming sessions and field visits, on 21st October 2021, we reached the conclusion of collaborating with ‘Shakti Shalini NGO’.

On October 29, 2021 Enactus JDMC conducted their 1st physical stall at the “**Diwali Mela 2021**” organised by Shakti Shalini NGO. The stall was a success as we almost sold out our entire “Taraash” collection.

Enactus JDMC also has Project Musafir and Project Vridhi under initiation. It’s an endeavor to boost upcycling and sanitation methods in our surroundings.

Project Musafir aims to upcycle hazardous scrap tyres into a range of beautiful products for use. Our plan is to initiate phase one by producing planters targeting the local plant vendor community and gradually expanding to furniture and slippers production. Numerous

field visits have been conducted since September 2021 to progress with research and the Project Launch will be conducted soon.

## Workshops and Webinars:

1. On 13th September, Enactus JDMC, in collaboration with "Policy Radio", conducted an informative webinar on 'The Scope of Public Policy in India' with Mr. Vardaan Shekhawat, a Public Policy Consultant at Uber and Founder of Project uP, as our guest speaker. He introduced everyone to an unobtrusive field of Public policy, exposing the audience to its productivity & vitality, by highlighting its importance & scope. The session witnessed over 60 students from different universities across the country, participating throughout, making it a success.

**Prof. Swati Pal**  
Principal

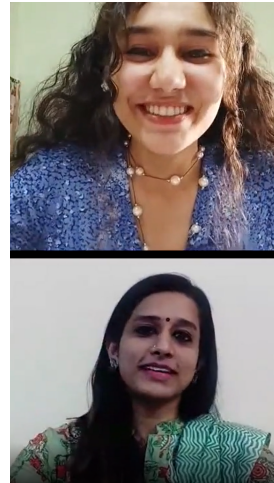

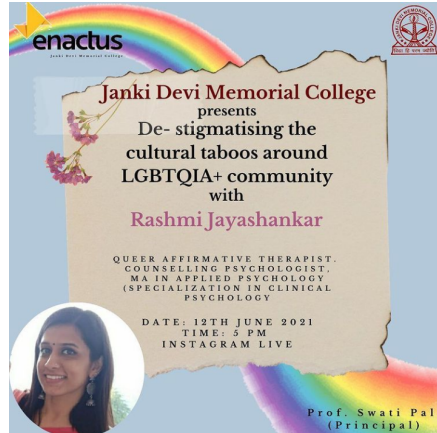

2. On 27th July 2021, Enactus JDMC conducted an informative webinar on “Social Entrepreneurship” with Mr. Nishank Bhatia. He has mentored several start-ups owing to his voracious entrepreneurial skills, ranging from business development, influencer marketing and management. The session was highly insightful for all the JDMC students, with over 30 attendees.

3. In celebration of the Pride month, we conducted an Instagram Live session on ‘De-stigmatising the cultural taboos around LGBTQIA+ community’ with Dr. Rashmi Jayashankar on 12th June, 2021. We gained a better understanding of the pre-conditioned world that the people of the LGBTQIA+ community are striving to build a respectable space in.

## Pustika: A Book Donation Drive

The second phase of the drive commenced on September 20, 2021 when our team in Delhi visited “Humara Book Bank” organisation to donate books, stationary, art supplies etc. The organisation is helping the environment alongside, their motto being “One Book One

Tree”. Primary level books were also donated to children from marginalised communities in Jhandewalan, Delhi.
